INSTRUCTIONS: (After step 6, rest is calculated by hitt
1. Enter the name of your car in cell B 4
2. Enter the starting odometer reading in cell G 4.
3. Enter your car's gas tank capacity in cell C 5
(consult your car's owners manual for exact size in ga
4. Enter the start and end period dates in cells B 5, B 6.
5. Enter date (optional) starting with ', cell A 16.
6. Enter total gas purchase amount starting at B 16; cost p
gallon at cell C 16; miles driven since last fillup at D1
