## Company History

### 101ware Pty. Ltd.

101ware is a wholly owned subsidiary of Blaze International Ltd and publishes Blaze's *Consumer Internet Utilities*

Blaze International (ASX:BLZ) (formerly known as Beam International) is a publicly listed Internet company with a track record as an "early mover" in technology.

Blaze has an experienced commercial management team in place, an existing income stream, and several exciting developments awaiting commercialization.

An Internet incubator, Blaze sponsors the development of independent business units, with a focus on technology and applications to the Internet.

Recent successes include the incubation and sale of a computer game publishing and development business, and the computer games Internet portal Hotgames.com. Hotgames, one of the most frequently visited games sites on the Internet, served over 12.8 million page impressions in the month of March 2000.
