

12 May 1995

Welcome to release 2.0 of my digital portfolio. Version 2.0 is a Stuffit Deluxe™ self-extracting archive. Insert disk one and double click the Tate Portfolio 2.0.sea. A dialog will ask for each subsequent disk. Version 2.0 needs at least 4096K to run and has been tested on a Quadra 900 System 7.1.2 , PowerMac 6100/60 System 7.5, and Macintosh IIsi System 7.1. If you experience any problems please contact me.

You may also view my work in the *Adobe Illustrator WOW Book* published by Peachpit Press 1994, *Step By Step Electronic Design*, April 1995, and *The Creative Illustration Book 1995*.

My clients include Vauxhall, USA TODAY International, MACY'S, Disney/Premier Cruise Lines Big Red Boat, McDonalds, 3M and others.

Best Regards,

A handwritten signature in black ink, appearing to read 'Clarke W. Tate'.
