22		ABOUT THE AUTHOR						
23								
24		Pete Antoniak is president of a San Francisco based computer consulting and						
25		training company that specializes in Project Management, Engineering and Design						
26		Applications. In addition to this and a Mac Excel Version, he has written versions						
27		on Lotus 1-2-3 (and clones). He has written four computer books and has acted						
28		as a computer expert witness in Federal Court.						
29								
30		He is a Naval Academy graduate, class of '67, has a Masters Degree from						
31		Stanford University in Engineering Management and is a Licensed Professional						
32		Engineer. He is also a Commander in the Naval Reserve Civil Engineer Corps.						
33								
34		He is single and enjoys jogging, surfing, sailing, whitewater kayaking, windsurfing						
35		and hang gliding, the first six of which he does with his 14 year old son.						
36								
37		He is available for lectures or as a consultant and can be reached at (415)						
38		952-2375, Solar Systems Software, 8105 Shelter Creek, San Bruno,CA 94066 USA.
