## Chapter 1

# Sweet Cheater A

### 1.1 4

-----  
A-TRAIN:

During play type "CHEATERCHEATERWIMP" for \$50,000,000.  
-----

### 1.2 5

-----  
AAARGH!:

At the start of each screen you'll find various buildings. Blow fire over them, and then hit them. This will make them fall down a lot faster. When you burn or knock down a house you get an egg. To beat the other monsters in a fight for an egg, don't jump around and breath fire, just hold your ground and punch forward. After three or four falls, your foe will stay down. Keep eating, even if it dosen't show any increase on screen, your health will skyrocket.  
-----

### 1.3 6

-----  
ABANDONED PLACES 2:

This cheat will increase your character's experience significantly. Attack and kill any single monster (or group of monsters). When it (or they) begin to visibly fade away, cast any {HOLD MONSTER} spell  
-----

that you have such as {DREAM} or {HOLD EVERYTHING}. The creature will cease dimming and just sit there. Now you can attack with your fighters or cast attack spells (including {FIRE AREA}). To rake in experience points with no worry of the monster going anywhere until the spell wears off. This can be verified by watching the experience line in the character sheet grow while you are attacking the faded creature. If you are quick enough, you can refreeze the monster, otherwise just go and find another one to repeat your trick on.

Instead of typing {PPEAB} which would advance you to level 10, type "PPPEAB" (note 3 P's) when you now log off, you'll go straight to level 10. If you go straight to the computer (a few screens above where you start) and log on, you'll find that you have a staggering five million credits, which really helps!

Make your way to the third level without spending any money. Now log on to the first Intex computer you find. You should have about 6000 credits. Buy nothing, then log off. It is important that no fire doors have been closed. Now do a complete circuit of the level. If you log back onto the same Intex computer, you will find you have loads of money.
