Chapter 1

Sweet Cheater O

1.1 688

OIL IMPERIUM: (Reline)

1. When you sell all your oil in the beginning you get a lot of money.
 2. When the prices are low, save the game and start it again.
-

1.2 689

OLLIES FOLLIES:

To skip levels, wait until the game is running and type in one of the following codes:

05-"FRANK" 09-"FANDA" 15-"NORBI" 19-"ZOOM"

1.3 690

ONE STEP BEYOND:

1.5 692

OPERATION LEMMINGS:

To pick a level from which you can start from type "CYB Computers" in the high-score table.

Swearing at the high score table brings up a few messages as well.

1.6 693

OPERATION THUNDERBOLT:

On the high score table enter your name as "WIGAN NINJA", to receive infinite lives. Also if you get a score of 50,000 or more die and type "SPECCY MODE" on the high score table. This will give you twice as many enemies. Press 'F8', 'F7', 'F6', 'F5', 'F4', 'F3', 'F8' and then 'F1' three times (or 'F2' three times) ('F1' and 'F2' are for what player is to have the sight). This will give you the laser sight throughout the game. Also, type "EDOM TAEHC" on the high score table for infinite lives.

Usually you have to shoot equipment boxes to get the laser sight, but press 'F8' and fire at the same time on the title screen and you will start a 1 player game with laser sight. For 2 players press 'F2' instead of 'F8' on the title screen.

1.7 694

OPERATION WOLF:

At the end of a level, between the time when you kill the last bastard and the time appears, rolling the mouse down causes damage to decrease. For the most accurate shot possible, pause the game with 'F1', position your crosshairs over the selected enemy, unpause the game, click the button and blast him to hell.

1.8 695

*ORK:

Click the pointer on all four corners of the terminal screen to activate the cheat. Press any of the following keys:

'F' _____Extra fuel.
 'H' _____Refills your life meter.
 'A' _____Extra ammunition.
 'RETURN' _____Take off and land anywhere.

1.9 696

*OSCAR AGA: (Keith Krellwitz)

On the level select screen, enter the door marked {SCREEN 2} The Horror Level. After the level has loaded and before you press the fire button to start the level, push up on the joystick and hold down 'K'. While still holding both, press the fire button to enter the level. Once the level has started you can let go of the joystick and the 'K' key. Now press 'ESC' to skip levels.

1.10 697

1.16 703

OVER THE NET:

First, choose a one set game, play the sea-cup and enter one team or two human players. When it's your turn to serve, move the non-serving player up to the top of the court close to the net. This will force one of the computer players to follow him. Now do a jump serve (push up and fire), then hit the ball to the other computer player by pushing right then down. The ball should drop between him and the net and he should miss the ball. Hopefully this plan should work. I don't know if it works with the other teams like Coco, Freaks etc but it works with the Rollers and the Golden Boys.

1.17 704

*OVERKILL AGA: (Keith Krellwitz)

Enter "NZL" for your initials on the high score table. When you restart the game you'll find you have infinite lives.

1.18 705

OVERLANDER:

JUST A FEW TIPS - When cruising the highway don't stop shooting, and always choose the highest paid mission. Buy fuel carefully, only enough fuel for that level, after level 1 you must buy a leanburner. Try to stay in the middle of the road and travel fast, travelling slowly only burns more fuel. Fire bombs are more useful than smart bombs when you learn how to use them. Bulletproofing is necessary after level 2. When travelling through the barriers the best speed is 90-120mph.

LEVEL 1:

1. Select counterfeit money.
2. Fuel up to 14 notches on the fuel guage.
3. Get turbo, 4 battering rams and two flare bombs.
4. After the first bikes slow down or the gunners will kill you.
5. Destroy trucks from as far away as possible.
6. Slow to 100-150 mph to negotioate barriers.
7. If you stay in the middle lane when you come to the wrecks you wont die.

LEVEL 2:

1. Select kidnapped official.
2. Fuel up to half full.
3. Buy leanburner, a few bullet proofs, rams, and flare bombs.
4. After first bikes there's a nasty surprise in the valley below.

LEVEL 3: DARKLANDS

1. Select plutonium.
2. Fuel up to half full (if you have leanburner - if you don't then fill up to the max.
3. Buy rams, bullet proofing, flare bombs and lives if you need them.
4. The toughest part of the course is early on, so don't be afraid to let loose with the flare bombs.

LEVEL 4: THE GUTTER RUN

1. Select illegal chemicals. fill up to max level.
2. Buy maximum rams, bullet proofs and as many lives as you can afford and flare and smart bomb depending on your bank balance.
3. The barriers are every where on this level and you will need to be at 90 - 100 mph to avoid them all. Try to save your rams for later in the level.
4. The alleys in 4 are real mean. Smartbombs and bullet proofing are your best chances of survival.

LEVEL 5: GRAVEYARD

1. Choose the president. Fill up to maximum fuel.
-

2. Buy everything \$40,000 up front plus whatever you had from the last level should be enough, lives should be on the top of your shopping list followed by rams, proofing, brakes, armour and weapons - don't bother with the wheelblades!
 3. do the same as for the last level. Because your car's at maximum everything, this level shouldn't prove too difficult.
-

1.19 706
