*VOLFIED: (Keith Krellwitz)

Get a score of exactly 10 points and press 'ESC' or the key right under 'ESC'. Now go to the difficulty setting and scroll through the options. You will notice a new option (CHEAT). You can now start on any level with infinite lives. Your shields will also last longer and the little enemies can't kill you when they run into your path.

1.16 1046

VOODOO NIGHTMARE:

All the nasties go to sleep at night. When you pause a game, the day/night timer still runs. Thus it is possible to play only during the safe night periods, and pausing the game during the dangerous daylight.

MISSION 1: Feed the monkey on your back bananas. Eventually, this will give him a bad case of diarrhoea, and he'll run off to a secluded spot.

MISSION 2: Reunite the lion cub with his mum. Look in the tree trunks.

MISSION 3: Save a sick native, buy medicine.
