

## DEMO of GOAL-SEEKER

If you typed GS at the DOS prompt - follow the steps below:

- 
1. Move the cursor to the desired GOAL cell - let's use cell G20
  2. Press Alt and Space Bar at the same time - see GOAL-SEEKER menu
  3. Press the G key, then type 7000 in the GOAL box and press return
  4. Now let's move the cursor to the SOLUTION cell - how about E17
  5. Press Alt and Space Bar - then the S key to begin goal seeking
  6. There's your answer!!    3702        You try it.....

	Jan	Feb	Mar
Sales	1000	2000	3000
Expenses	123	234	345
	-----	-----	-----
Profit	877	1766	2655

TOTAL

6000

702
