1.1   Updated Libraries

```
 65 updated Libs since release 23 - V1707:
```

* 68040.library	696	43.0	(20.12.97)
* 68060.library	102576	43.0	(20.12.97)
* adpro.library	98240	3.29	(27.05.94)
* akccplus.library	7688	37.7	(27.11.97)
* amarquee.library	31004	46.0	(06.12.97)
* amarquee.library	0	46.0	(06.12.97)
* avop.library	25696	2.2	(08.07.96)
* BigNum.library	15012	37.31	(??.??.98)
* BigNum.library	14964	37.31	(??.??.98)
* BigNum.library	14964	37.31	(??.??.98)
* boards.library	11852	2.17	(24.01.98)
* cgxbootpic.library	0	41.7	(16.08.97)
* cgxbootpic.library	0	41.7	(16.08.97)
* cgxbootpic.library	34704	41.7	(16.08.97)
* cgxbootpic.library	0	41.7	(16.08.97)
* cgxsystem.library	172412	41.14	(23.12.97)
* cgxvideo.library	6248	41.10	(06.10.97)
* crypt.library	2348	3.14	(22.02.96)

```
* date.library                    94788              33.297 (29.01.98)
----------------------------------------------------------------------------
* diskfont.library                18708              39.6   (22.12.97)
----------------------------------------------------------------------------
* dito.library                    45516               3.0   (27.10.97)
----------------------------------------------------------------------------
* dopus.library                  146696              55.0   (15.08.96)
----------------------------------------------------------------------------
* emulation.library               26636              40.219 (27.12.97)
----------------------------------------------------------------------------
* fastlayers.library               1460              40.37  (03.01.98)
----------------------------------------------------------------------------
* freeanim.library                  188              40.29  (01.04.94)
----------------------------------------------------------------------------
* gadtoolsbox.library             17272              39.4   (02.04.93)
----------------------------------------------------------------------------
* guigfx.library                      0               8.5   (31.12.97)
----------------------------------------------------------------------------
* guigfx.library                  38180               8.5   (31.12.97)
----------------------------------------------------------------------------
* guigfx.library                      0               8.5   (31.12.97)
----------------------------------------------------------------------------
* guigfx.library                      0               8.5   (31.12.97)
----------------------------------------------------------------------------
* hhscybershowkey.library          1736               4.10  (08.11.97)
----------------------------------------------------------------------------
* identify.library                21760               9.1   (15.08.92)
----------------------------------------------------------------------------
* InfraRed.library                 5456              34.5   (??.??.94)
----------------------------------------------------------------------------
* miamibpf.library                 7224               2.0   (??.??.97)
----------------------------------------------------------------------------
* miamipcap.library               38092               2.0   (??.??.97)
----------------------------------------------------------------------------
* newfmt.library                   3596               4.2   (10.01.98)
----------------------------------------------------------------------------
* nofrag.library                   1640               2.3   (12.04.92)
----------------------------------------------------------------------------
* OwnDevUnit.library               4476               3.4   (19.05.93)
----------------------------------------------------------------------------
* Picasso96API.library            21636               2.187 (19.01.98)
----------------------------------------------------------------------------
* pmoperator.library                544              95.3   (05.09.97)
----------------------------------------------------------------------------
* popupmenu.library               35708               7.3   (08.01.98)
----------------------------------------------------------------------------
* ppc.library                    101040              45.5   (08.01.98)
----------------------------------------------------------------------------
* ppcdiss.library                 47612               0.42  (30.11.97)
----------------------------------------------------------------------------
* registry.library                20596               1.782 (03.11.97)
----------------------------------------------------------------------------
* render.library                      0              28.2   (15.12.97)
----------------------------------------------------------------------------
* render.library                      0              28.2   (15.12.97)
----------------------------------------------------------------------------
* render.library                  51020              28.2   (15.12.97)
```

```
--------------------------------------------------------------------------
* rtg.library                   144368                   40.3006 (19.01.98)
--------------------------------------------------------------------------
* scsidirect.library            22904                      0.122 (18.03.91)
--------------------------------------------------------------------------
* siegfried.library             52412                      7.0   (25.10.96)
--------------------------------------------------------------------------
* ss.library                    11708                      5.106 (??.??.95)
--------------------------------------------------------------------------
* streamlineos.library          2408         DVC= 40.3
--------------------------------------------------------------------------
* superview.library             23680                     19.10  (27.12.97)
--------------------------------------------------------------------------
* superviewsupport.library          0                     11.5   (24.12.97)
--------------------------------------------------------------------------
* superview.library             23564                     19.10  (27.12.97)
--------------------------------------------------------------------------
* superviewsupport.library      14056                     11.5   (24.12.97)
--------------------------------------------------------------------------
* track.library                 4468         DVC= 5.0
--------------------------------------------------------------------------
* xfdmaster.library             70212                     38.2   (21.01.98)
--------------------------------------------------------------------------
* ixemul.library                175838                    47.2   (24.10.97)
--------------------------------------------------------------------------
* ixnet.library                 16131                     47.2   (24.10.97)
--------------------------------------------------------------------------
* ixnet.library                 15988                     47.2   (24.10.97)
--------------------------------------------------------------------------
* ixnet.library                 15697                     47.2   (24.10.97)
--------------------------------------------------------------------------
* ixnet.library                 15697                     47.2   (24.10.97)
--------------------------------------------------------------------------
* rexxidentify.library          3900                       1.8   (30.07.92)
--------------------------------------------------------------------------
* xprzmodem.library             27068                      3.52  (19.05.97)
--------------------------------------------------------------------------
