Loan Partner is the "desktop calculator" of Loan calculation programs. New users of Loan Partner should read the "Overview" section in the Help module.

The demonstration version of Loan Partner 1.1 can be used to evaluate the "look and feel" of the program. The interest rate, however, is restricted to a maximum of five percent. If you like the Loan Partner 1.1 demo, send your name, address, and \$15 to:

Upon receipt of your order I will promptly mail you a registered, fully functional copy of the latest version of Loan Partner. Please specify 3.5" or 5.25" diskettes. Your comments are always appreciated! JS
