

^Murder ^Motel Version 4.4

Thank you for taking the time to obtain Murder Motel version 4.4, and evaluating it on your system. By now, its likely that your users have either accepted or rejected the new door, and its use will most likely affect your registering your copy.

Murder Motel has hours upon hours of thought, planning, and concentration, and I'm sure you'll agree worth a \$20 registration/donation.

Your \$20 donation (check, or money order only please) will entitle you to receive (1) Registration Number which will place your name and BBS name on the screen in place of the <evaluation copy> notice, (2) Free (D)ownloadable updates of which you'll always have a registered version, and (3) A clear conscience in knowing that you're doing your job in registering the software (Share-Ware) that you find valuable. Complete the below form, and Mail it with your check or moneyorder.

((Please print clearly and use proper CaPltALiZaTiOn!))

Your
Name: _____

Your System
Name: _____
