

🎵 Marv's Music Themes 🎵

Elvis the 60's

This music theme is dedicated to the *King of Rock & Roll*, Elvis Presley. This is the second theme of the *Elvis Trilogy*. Elvis was my first music hero. He had the ability to sing a song as if were written for him.

All cursors are animated. All sounds were recorded in 16-bit stereo . I have included extra sounds that you can insert from you Control Panel. They are 'Elvis60s Welcome', 'Elvis Mail', & 'Elvis60s Goodbye' for the internet. I have also included an extra System Error sound.

The pointer is from the program "Tiny Elvis". It is a cute 'tiny' program that can be downloaded from The (unofficial) Elvis Home Page

(<http://sunsite.unc.edu/elvis/frameright.html>). It was created by Matthew T. Smith.

I recommend it to all Elvis fans. Other sources are from my sister, Sue. Thanks to my wife, Sarah who helped me with audio selections and appearance colors, again. Thanks also to my son, David, who bought the last CD that I needed, so that I could finish this before Christmas.

This theme, when unzipped, will go to the proper path (assuming that you use the standard (ie. c:\program files\plus!\themes\elvis60s). If you have any questions or problems, please E-Mail me at MBlackf367@aol.com. You can also reach me through my Themes Page at <http://members.aol.com/MBlackf367/themes.html>

Hope you enjoy my theme!!

Marv Blackford
