

The Photoshop 4 WOW! Book

BY LINNEA DAYTON & JACK DAVIS

Photoshop users of all levels will benefit from this hands-on guide to Photoshop 4. Step-by-step presentations of painterly, photorealistic, and special effects techniques. Hundreds of time- and work-saving tips. Completely revised and up-to-date: New techniques, new projects, new tips; hundreds of new illustrations. Learn how to make the best use of Adjustment layers, the Actions palette, multicolor gradient, Web-related features and other exciting new 4.0 enhancements. Every page revised — over 40 more pages than before. **Includes a CD-ROM with dozens of Photoshop Actions for instant graphics special effects, artistic photographic and painterly effects, and automated production tasks, as well as filters, photos, demo programs, and other fabulous goodies.**
