

onica's PictureShow Index Prints contains full-color thumbnails of each print of your completed film order. Each thumbnail is sequentially numbered and matched to the specific image frame contained on your negatives.

Konica's PictureShow Index Prints provides you with a quick and accurate way to select the correct image and frame number you want for ordering reprints, enlargements and other photo specialty items.

Konica's PictureShow Index Prints is available only when submitting an original color print roll for developing and printing. Check the Film Club Mailer for cost, which vary with exposures. To order, simply select the PictureShow Index Prints box on your Software of the Month Club® Film Club Mailer. The Index Prints will be returned to you along with your completed film order.
