NeXT on Campus is published by NeXT Computer, Inc. for the higher education community. Each issue of the journal highlights advances in instruction and research in which NeXT technology has played a key role, as well as NeXT-related news, feature stories, products, and resources available to NeXT users.

NeXT on Campus welcomes your comments, suggestions, and contributions. You may send e-mail to next_on_campus@next.com or write to *NeXT on Campus,* NeXT Computer, Inc., 900 Chesapeake Drive, Redwood City, CA 94063. To receive a subscription to *NeXT on Campus,* send your request to the e-mail address or U.S. mail address above**.**

This issue of *NeXT on Campus*, as well as all back issues, are available electronically (in FrameMaker and PostScript formats) at the Purdue public archive site (nova.cc.purdue.edu) in the pub/next/Newsletters directory. Issues can be retrieved by using the FTP program.

Regretfully, the editorial headquarters of *NeXT on Campus* is unable to handle questions that are technical in nature or queries for information other than business concerning *NeXT on Campus*. For technical questions, please contact your local service center. If you need information on NeXT products, please call 1-800-848-NeXT.

WRITING FOR *NeXT on Campus*
If you are interested in writing for *NeXT on Campus,* please send a written proposal with your idea(s) to the e-mail or U.S. mail addresses above.

COLOPHON
NeXT on Campus is produced entirely with NeXT computers. Text is written with WriteNow 2.0. Screen shots are captured with Scene or Grab, NeXT demonstration applications. Page composition is done with FrameMaker 2.0d. Proofs are printed with a NeXT 400 dpi Laser Printer. All text and image files are transferred via a NeXT 2.88 MB floppy disk to a full-service printer.
