3D Reality Packages
ÐÐÐÐÐÐÐÐÐÐÐÐÐÐ

Contents:

3DReality_2.1.pkg - The actual 3D Reality application.

3DRealitySamples.pkg - Sample shapes, docs, and shaders.

3DRealityShaders.pkg - Shaders and Textures for use with 3DReality or other modeling packages.

3DRealityAPI.pkg - A Programmer's Application Interface which has sample source files to allow you to create your own shapes in 3DReality - got your own data format? No sweat, write a shape to read it in and voilÖ, you can view and render your shapes in 3DReality.
