\*\* OVER 15'S ONLY \*\*

X3670(AB) BIG GIRLS 2 AGA UNPACK A B C

-----  
256 colour pictures of some stunning looking woman in various states of undress. Guaranteed to turn you on whether you have got a bird or not. Very good quality. Perhaps getting a little boring now though ?????

X3678(AB) ROBERT IVESONS' ART UNPACK A B

-----  
A superb AGA collection of hand drawn and scanned Manga artwork. 2 drives required to make this one run although the drive ports blown on our 1200 so we had to look the slideshow the long way round.

X3716(AB) SUN SLIDESHOW AGA UNPACK A B

-----  
A slideshow featuring several stunning AGA works of art, backed by a nice soundtrack.

X3829 ARTCORE SLIDESHOW UNPACK DISK

-----  
A slideshow with a difference. It looks just like Doom and all the pieces of art are hanging on the walls like paintings. Walk up to a picture and click on it and the picture will be displayed. Very very nice artwork and a catchy toon to.

X3868 A GALLERY UNPACK DISK

-----  
Some absolutely stunning hand drawn artwork by a guy called Jason Brown.

---

The quality of the pictures is amazing. In fact i would go as far as to say that this is one of the best slideshows i have ever seen. This geezer should be working for a software company.
