Knock, Knock, Who's There? ArmorCLASSER

ArmorCLASSER gives you the most in Armor Class protection by giving you 13 AC WITHOUT ANY ARMOR! Hey, if you want to be more protected than that, get a body guard, or just put on some armor. You'll be at 0 AC in no time. No fib.

ArmorCLASSER Who?

There are two parts to ArmorCLASSER. ArmorCLASSER for Fighting Classes, and ArmorCLASSER for MagicUsers & Thieves. Simply, use ArmorCLASSER for Fighting Classes on Monks, Fighters, Rangers, and Paladins. Use ArmorCLASSER for Magic Users & Thieves on Clerics, Magic Users, Enchanters, and Thieves.

ArmorCLASSER Hates This

DO NOT BE EQUIPED WITH ARMOR WHEN YOU USE THIS CHEATER. If you do, don't blame me. I'm not the one who fed the elephants laxatives.
