

# StrengtHAMMER

"Forget those others. Why mess with them when I can have fun and work with my OWN tool."

—Davy Lee V.

## Don't Mess With the Hammer

StrengtHAMMER gives 50 STRENGTH ATTRIBUTE points to the Fighting class character that you choose. (Not to mention the improvement in Intelligence, Wisdom and Dexterity) So even the the bulky of bulkness can be even bulkier, and even smarter with the HAMMER.

## Use Your Tools Correctly

Just select a Ranger, Paladin, Monk, or Fighter, and you can have a tough guy that could go up against a Cyclops, a Dragon, or your Mother-in-Law!
