#### Attention! Mac Gamers Club Members:

We are having a logo contest. As a new company we need a logo that will tell people who we are and what our company stands for. The theme of the logo can be anything: funny, elegance, serious, whatever you can think of. Use that Mac of yours and free your imagination and creativity. Any Photoshop users out there, let see what you got!

E-Mail us your artworks, icons, pictures, sketches etc.. to GamersClub at AOL. Due to high cost of shipping the artwork members will not be able to vote as originally planned. We will select the winner on December 20, 94. The winner will win a copy of A-10 Attack from ParSoft Publish International- the most anticipated game in the Macintosh gaming world (when it release) or any game he/she wishes. So send in your logo. You may enter as often as you like. Deadline is 12/10/94.
