As I was traversing the country on my way to Washington D.C., I took the time to stop by the offices of Jellyvision to see what makes Jack tick. There were a surprising number of Macs there, actually ALL they had were Macs, so it turned out to be a great experience for IMG.

IMG: Tell us about yourself. What 'Jack' awards were the most important?

MG: This is 'Cookie' the host.

MG: You Don't Know Jack educational software?
