

# Quake3ArenaTest Profile Manager

written by Kerry Cupit, Durak (durak@home.com)

Do you:

- Have more than one person playing Q3Test on your computer?
- Like to be able to quickly and easily modify your q3config.cfg?
- Like using Scott Kevill's Q3Finder utility?

This AppleScript program:

- Lets you choose which config file you want to use
- Works with Scott Kevill's Q3Finder utility
- Allows you to use easily editable text files to set your configurations
