3. There will be 15 questions every month for the September, October, and November 1996 issues of IMG.
4. Contestants correctly answering all 15 questions will be eligible for one of 20 games being given away that month.
5. If there are more than 20 contestants with all the answers correct the prizes will be drawn at random from a pool of all the contestants with 15 correct answers.
6. If there are not 20 contestants with perfect scores than the next highest scores will win.
7. Contestants may submit ONE and only one set of answers per month. Multiple submissions will be disqualified
8. Individual contestants may only win one prize in the entire contest.
9. There are 60 main prizes to be given away 20 per month for 3 months. These prizes are all current Macintosh games from companies sponsoring this contest. The remaining 15+ games and various other t-shirts, subscriptions and misc. prizes will be given away at random to ALL non-winning contestants at the end of the November (3rd) contest segment.
10. We request that no one posts the answers to the IMG Trivia Contest questions online. Again, there are over 30 prizes that will be given away at random to all non-winning contestants regardless of their scores.
