Something (Harrison)

Something in the way she moves
Attracts me like no other lover
Something in the way she woos me
I don't want to leave her now
You know I believe and how

Somewhere in her smile she knows
That I don't need no other lover
Something in her style that shows me
I don't want to leave her now
You know I believe and how

You're asking me will my love grow
I don't know, I don't know
You stick around and it may show
I don't know, I don't know

Something in the way she knows
And all I have to do is think of her
Something in the things she shows me
I don't want to leave her now
You know I believe and how

Maxwell's Silver Hammer

Joan was quizzical, studied pataphysical
Science in the home
Late nights all alone with her a test tube
Oh, oh, oh, oh
Maxwell Edison, majoring in medicine
Calls her on the phone
"Can I take you out to the pictures Jo-o-o-oan?"
But as she's getting ready to go
A knock comes on the door

Bang! Bang! Maxwell's silver hammer
came down upon her head
Clang! Clang! Maxwell's silver hammer
made sure that she was dead

Back in school again Maxwell plays the fool again
Teacher gets annoyed
Wishing to avoid an unpleasant scene-e-e-ene
She tells Max to stay when the class has gone away
So he waits behind
Writing fifty times "I must not be so-o-o-o-o
But when she turns her back on the boy
He creeps up from behind

Bang! Bang! Maxwell's silver hammer
came down upon her head
Clang! Clang! Maxwell's silver hammer
made sure that she was dead

B.C. thirty one said "we've caught a dirty one"
Maxwell stands alone
Painting testimonial pictures, oh, oh, oh, oh
Rose and Valerie screaming from the gallery
Say he must go free
The judge does not agree, and he tells them so-o-o-o-o
But, as the words are leaving his lips
A noise comes from behind

Bang! Bang! Maxwell's silver hammer
came down upon her head
Clang! Clang! Maxwell's silver hammer
made sure that he was dead
Silver hammer

Oh! Darling

Oh! darling, please believe me
I'll never do you no harm
Believe me when I tell you
I'll never do you no harm

Oh! Darling, if you leave me
I'll never make it alone
Believe me when I tell you, ooo
Don't ever leave me alone

When you told me
You didn't need me anymore
Well you know I nearly broke down and cried
When you told me
you didn't need me anymore
Well you know I nearly broke down and died

Oh! Darling if you leave me
I'll never make it alone
Believe me when I tell you
I'll never do you no harm
(Believe me darling)

When you told me
You didn't need me anymore
Well you know I nearly broke down and cried
When you told me
you didn't need me anymore
Well you know I nearly broke down and died

Oh! Darling, please believe me
I'll never let you down
Oh, believe me darling
Believe me when I tell you, ooo
I'll never do you no harm

Octopus's Garden

I'd like to be under the sea
In an octopus's garden in the shade
He'd let us in, knows where we've been
In his octopus's garden in the shade
I'd ask my friends to come and see
In an octopus's garden with me
I'd like to be under the sea
In an octopus's garden in the shade

We would be warm below the storm
In our little hideaway beneath the waves
Resting our head on the sea bed
In an octopus's garden near a cave
We would sing and dance around
because we know we can't be found
I'd like to be under the sea
In an octopus's garden in the shade

We would shout and swim about
The coral that lies beneath the waves
Oh what joy for every girl and boy
Knowing they're happy and they're safe
We would be so happy you and me
No one there to tell us what to do
I'd like to be under the sea
In an octopus's garden with you
in an octopus's garden with you
in an octopus's garden with you

Here Comes The Sun (Harrison)

Here comes the sun, do do do do
Here comes the sun, and I say
It's all right

Little darling
It's been a long cold lonely winter
Little darling
It feels like years since it's been here

Here comes the sun, do do do do
Here comes the sun, and I say
It's all right

Little darling
The smiles returning to the faces
Little darling
It seems like years since it's been here

Here comes the sun, do do do do
Here comes the sun, and I say
It's all right

Sun, sun, sun, here it comes
Sun, sun, sun, here it comes
Sun, sun, sun, here it comes
Sun, sun, sun, here it comes
Sun, sun, sun, here it comes

Little darling
I feel that ice is slowly melting
Little darling
It seems like years since it's been clear

Here comes the sun, do do do do
Here comes the sun, and I say
It's all right
Here comes the sun, do do do do
Here comes the sun
It's all right
It's all right

Because

Ah, because the world is round
it turns me on
Because the world is round

Ah, because the wind is high
it blows my mind
Because the wind is high

Ah, love is old, love is new
Love is all, love is you

Because the sky is blue
it makes me cry
Because the sky is blue

Ah, ah, ah, ah

You never Give Me Your Money

You never give me your money
you only give me you funny paper
And in the middle of negotiation you break down

I never give you my number
I only give you my situation
And in the middle of investigation I break down

Out of college money spent
See no future, pay no rent
All the money's gone, nowhere to go
Any jobber got the sack
Monday morning turning back
Yellow lorry slow, nowhere to go

But oh, that magic feeling
Nowhere to go
Oh, that magic feeling
nowhere to go
nowhere to go
Ah, Ooo, Ah, Ooo, Ah

One sweet dream
Pick up the bags and get in the limousine
Soon we'll be away from here
Step on the gas and wipe that tear away
One sweet dream
Came true today
Came true today
Came true today

One two three four five six seven
All good children go to heaven

Sun King

Ah

Here comes the Sun King

Here comes the Sun King

Everybody's laughing

Everybody's happy

Here comes the Sun King

Quando para mucho mia more de felice corazon

Mean Mr. Mustard

Mean Mr. Mustard sleeps in the park
shaves in the dark, tries to save paper
Sleeps in a hole in the road
Saving up to buy him some clothes
Keeps a ten bob note up his nose
Such a mean old man
Such a mean old man

His sister Pam works in a shop
she never stops, she's a go getter
Takes him out to look at the Queen
Only place that he's ever been
Always shouts out something obscene
Such a dirty old man
Dirty old man

Polythene Pam

Well you should see Polythene Pam
She's so good looking
But she looks like a man
Well, you should see her in drag
dressed in a polythene bag
Yes you should see Polythene Pam
Yeh, yeh, yeh

Get a dose of her in jackboot and kilt
She's killer diller when
she's dressed to the hilt
She's the knid of a girl
that makes the news of the world
Yes you could say she was attractively built
Yeh, yeh, yeh

She Came In Through The Bathroom Window

She came in through the bathroom window
protected by a silver spoon
But now she sucks her thumb and wonders
By the banks of her own lagoon

Didn't anybody tell her
Didn't anybody see
Sunday's on the phone to Monday
Tuesday's on the phone to me

She said she's always been a dancer
She worked at fifteen clubs a day
And though she thought I knew the answer
Well I knew what I could not say

And so I quit the Police Department
And got myself a steady job
And though she tried her best to help me
She could steal, but she could not rob

Didn't anybody tell her
Didn't anybody see
Sunday's on the phone to Monday
Tuesday's on the phone to me
Oh, yeah

Golden Slumbers

Once there was a way to get back homeward
Once there was a way to get back home
Sleep pretty darling do not cry
And I will sing a lullaby

Golden slumbers fill your eyes
Smiles awake you when you rise
Sleep pretty darling do not cry
And I will sing a lullaby

Once there was a way to get back homeward
Once there was a way to get back home
Sleep pretty darling do not cry
And I will sing a lullaby

Carry That Weight

Boy, you're gonna carry that weight
Carry that weight a long time
Boy, you're gonna carry that weight
Carry that weight a long time

I never give you my pillow
I only send you my invitation
And in the middle of the celebrations, I break down

Boy, you're gonna carry that weight
Carry that weight a long time
Boy, you're gonna carry that weight
Carry that weight a long time
Get Back

The End

Oh yeah, all right
Are you gonna be in my dreams tonight

Love you, love you
love you, love you...

And in the end, the love you take
is equal to the love you make
Ah

Her Majesty

Her majesty's a pretty nice girl
but she doesn't have a lot to say
Her majesty's a pretty nice girl
but she changes from day to day
I wanna tell her that I love her a lot
but I gotta get a belly full of wine
Her majesty's a pretty nice girl
someday I'm gonna make her mine
Oh, yeah, someday I'm gonna make her mine

Help!

I need somebody (Help)
Not just anybody (Help)
You know I need someone (Help)

When I was younger, so much younger than today
I never needed anybody's help in any way
But now these days are gone
I'm not so self assured
Now I find I've changed my mind
I've opened up the doors

Help me if you can, I'm feeling down
And I do appreciate you being 'round
Help me get my feet back on the ground
Won't you please, please help me

And now my life hand changed in oh, so many ways
My independence seems to vanish in the haze
But every now and then I feel so insecure
I know that I just need you like
I've never done before

Help me if you can, I'm feeling down
And I do appreciate you being 'round
Help me get my feet back on the ground
Won't you please, please help me

When I was younger, so much younger than today
I never needed anybody's help in any way
But now these days are gone
I'm not so self assured
Now I find I've changed my mind
I've opened up the doors

Help me if you can, I'm feeling down
And I do appreciate you being 'round
Help me get my feet back on the ground
Won't you please, please help me, me, me, Oo

Drive My Car

Asked a girl what she wanted to be
She said "baby can't you see
I wanna be famous, a star of the screen
But you do something in between"

"Baby, you can drive my car
yes, I'm gonna be a star
Baby you can drive my car
And maybe I'll love you"

I told that girl that my prospects were good
And she said "baby it's understood
Working for peanuts is all very fine
But I can show you a better time"

"Baby, you can drive my car
yes, I'm gonna be a star
Baby you can drive my car
And maybe I'll love you"
Beep beep mm beep beep, yeah

"Baby, you can drive my car
yes, I'm gonna be a star
Baby you can drive my car
And maybe I'll love you"

I told that girl I could start right away
And she said "listen baby I've got something to say
I got no car and it's breaking my heart
But I've found a driver and that's a start

"Baby, you can drive my car
yes, I'm gonna be a star
Baby you can drive my car
And maybe I'll love you"
Beep beep mm beep beep, yeah
Beep beep mm beep beep, yeah
Beep beep mm beep beep, yeah

Love Me Do

Love, love me do
You know I love you
I'll always be true
so please, love me do
oh, love me do

Love, love me do
You know I love you
I'll always be true
so please, love me do
oh, love me do

Someone to love
Somebody new
Someone to love
Someone like you

Love, love me do
You know I love you
I'll always be true
so please, love me do
oh, love me do

Love, love me do
You know I love you
I'll always be true
so please, love me do
oh, love me do
Yeah, love me do
Oh, love me do

The Night Before

We said our good-byes
Love was in your eyes
Now today I find
You have changed your mind
Treat me like you did the night before

Were you telling lies?
Was I so unwise
When I held you near
You were so sincere
Treat me like you did the night before, yeah

Last night is the night I will remember you by
When I think of things we did
It makes me wanna cry

We said our good-byes
Love was in your eyes
Now today I find
You have changed your mind
Treat me like you did the night before, yes

When I held you near
You were so sincere
Treat me like you did the night before

Last night is the night I will remember you by
When I think of things we did
It makes me wanna cry

Were you telling lies?
Was I so unwise
When I held you near
You were so sincere
Treat me like you did the night before
Like the night before

You've Got To Hide Your Love Away

Here I stand head in hand
Turn my face to the wall
If she's gone I can't go on
Feeling two foot small
Everywhere people stare
each and every day
I can see them laugh at me
And I hear them say

Hey you've got to hide your love away
Hey you've got to hide your love away

How can I even try?
I can never win
Hearing them, seeing them
In the state I'm in
How could she say to me
"Love will find a way?"
Gather round all you clowns
Let me hear you say

Hey you've got to hide your love away
Hey you've got to hide your love away

I Need You (Harrison)

You don't realize how much I need you
Love you all the time and never leave you
Please come on back to me
I'm lonely as can be

Said you had a thing or two to tell me
How was I to know you would upset me
I didn't realize
As I looked in you eyes
You told be

Oh, yes you told me

That's when it hurt me
And feeling like this
I just can't go on anymore

Please remember how I feel about you
I could never really live without you
So come on back and see Just what you mean to me
I need you

Oh, yes you told me

I need you
I need you
I need you

Another Girl

For I have got another girl, another girl
You're making me say that I've got nobody but you
But as from today well I've got somebody that's new
I ain't no fool and I don't take what I don't want

For I have got another girl, another girl
She's sweeter than all the girls and I've met quite a few
Nobody in all the world can do what she can do
And so I'm telling you this time you'd better stop

For I have got another girl
Another girl who will love me till the end
Through thick and thin she will always be my friend

I don't wanna say that I've been unhappy with you
But as from today, well I've seen somebody that's new
I ain't no fool and I don't take what I don't want

For I have got another girl
Another girl who will love me till the end
Through thick and thin she will always be my friend

For I have got another girl
Another girl who will love me till the end
Through thick and thin she will always be my friend
For I have got another girl

Your Gonna Lose That Girl

You're going to lose that girl
You're going to lost that girl
If you don't take her out tonight
she's going to change her mind
And I will take her out tonight
And I will treat her kind

You're going to lose that girl
You're going to lose that girl
If you don't treat her right, my friend
You're going to find her gone
'Cause I will treat her right and then
You'll be the lonely one

You're going to lose that girl
You're going to lose that girl
You're going to lose

I'll make a point of taking her away from you
Yeah, the way you treat her, what else can I do

You're going to lose that girl
You're going to lose that girl
You're going to lose

I'll make a point of taking her away from you
Yeah, the way you treat her, what else can I do

If you don't take her out tonight
she's going to change her mind
And I will take her out tonight
And I will treat her kind

You're going to lose that girl
You're going to lose that girl
You're going to lose that girl

Ticket To Ride

I think I'm gonna be sad, I think it's today, Yeah
The girl that's driving me mad is going away
She's got a ticket to ride
She's got a ticket to ride
She's got a ticket to ride
but she don't care

She said that living with me is bringing her down, yeah
For she would never be free when I was around
She's got a ticket to ride
She's got a ticket to ride
She's got a ticket to ride
but she don't care

I don't know why she's riding so high
She ought to think right
She ought to do right by me
Before she gets to saying goodbye
She ought to think right
She ought to do right by me

I think I'm gonna be sad, I think it's today, Yeah
The girl that's driving me mad is going away, yeah, oh
She's got a ticket to ride
She's got a ticket to ride
She's got a ticket to ride
but she don't care

I don't know why she's riding so high
She ought to think right
She ought to do right by me
Before she gets to saying goodbye
She ought to think right
She ought to do right by me

She said that living with me is bringing her down, yeah
For she would never be free when I was around
She's got a ticket to ride
She's got a ticket to ride
She's got a ticket to ride
but she don't care
My baby don't care
My baby don't care
My baby don't care
My baby don't care
My baby don't care

Act Naturally (Morrison/Russell)

They're gonna put me in the movies
they're gonna make a big star out of me
We'll make a film about a man that's sad and lonely
and all I gotta do is act naturally

Well, I'll bet you I'm gonna be a big star
might win an Oscar you can never tell
the movies gonna make me a big star
'Cause I can play the part so well

Well I hope you come and see me in the movies
then I know that you will plainly see
The biggest fool that ever hit the big time
and all I gotta do is act naturally

We'll make the scene about a man that's sad and lonely
and beggin down upon his bended knee
I'll play the part but I won't need rehearsal
all I gotta do is act naturally

Well, I'll bet you I'm gonna be a big star
might win an Oscar you can never tell
the movies gonna make me a big star
'Cause I can play the part so well

Well I hope you come and see me in the movies
then I know that you will plainly see
The biggest fool that ever hit the big time
and all I gotta do is act naturally

It's Only Love

I get high when I see you go by, my oh my
When you sigh my inside just flies, butterflies
why am I so shy when I'm beside you

It's only love and that is all
Why should I feel the way I do
It's only love and that is all
But it's so hard loving you

Is it right that you and I should fight, every night
just the sight of you makes nighttime bright, very bright
haven't I the right to make up girl

It's only love and that is all
Why should I feel the way I do
It's only love and that is all
But it's so hard loving you
Yes it's so hard loving you
Loving you

You Like Me Too Much (Harrison)

Though you're gone away this morning
you'll be back again tonight
telling me there'll be no next time
if I just don't treat you right
You'll never leave me and you know it's true
'Cause you like me too much and I like you

You've tried before to leave me
but you haven't got the nerve
to walk out and make me lonely
which is all that I deserve
You'll never leave me and you know it's true
'Cause you like me too much and I like you
I really do

And it's nice when you believe me
If you leave me
I will follow you and bring
you back where you belong
'Cause I couldn't really stand it
I admit that I was wrong
I wouldn't let you leave me 'cause it's true
'cause you like me too much and I like you

'Cause you like me too much and I like you
I really do

And it's nice when you believe me
If you leave me
I will follow you and bring
you back where you belong
'Cause I couldn't really stand it
I admit that I was wrong
I wouldn't let you leave me 'cause it's true
'cause you like me too much and I like you
'cause you like me too much and I like you

Tell Me What You See

If you let me take your heart
I will prove to you
We will never be apart
If I'm part of you
Open up you eyes now
Tell me what you see
It is no surprise now
What you see is me

Big and black the cloud may be
Time will pass away
If you put your trust in me
I'll make bright your day
Look into these eyes now
Tell me what you see
Don't you realize now
What you see is me
Tell me what you see

Listen to me one more time
How can I get through
Can't you try to see that I'm
Tryin' to get to you
Open up you eyes now
Tell me what you see
It is no surprise now
What you see is me
Tell me what you see

Listen to me one more time
How can I get through
Can't you try to see that I'm
Tryin' to get to you
Open up you eyes now
Tell me what you see
It is no surprise now
What you see is me
Mm, mm, mm, mm, mm

I've Just Seen A Face

I've just seen a face
I can't forget the time or place where we just met
she's just the girl for me
and I want all the world to see we've met
Mm mm mm mm mm mm

Had it been another day
I might have looked the other way
and I'd have never been aware
but as it is I'll dream of her tonight
La la la la la la

Falling, yes I am falling
And she keeps calling
me back again

I have never known the like of this
I've been alone and I have missed things
and kept out of sight
for other girls were never quite like this
Da da da da da da

Falling, yes I am falling
And she keeps calling
me back again
Yeah, pa pa pa pa

Falling, yes I am falling
And she keeps calling
me back again

I've just seen a face
I can't forget the time or place where we just met
she's just the girl for me
and I want all the world to see we've met
Mm mm mm mm mm mm

Falling, yes I am falling
And she keeps calling
me back again
Falling, yes I am falling
And she keeps calling
me back again
Oh, falling, yes I am falling
And she keeps calling
me back again

Yesterday

Yesterday, all my troubles seemed so far away
Now it look as though they're here to stay
Oh, I believe in yesterday

Suddenly, I'm not half the man I used to be
There's a shadow hanging over me
oh, yesterday came suddenly

Why she had to go I don't know, she wouldn't say
I said something wrong, now I long for yesterday

Yesterday, love was such an easy game to play
Now I need a place to hide away
oh, I believe in yesterday

Why she had to go I don't know, she wouldn't say
I said something wrong, now I long for yesterday

Yesterday, love was such an easy game to play
Now I need a place to hide away
oh, I believe in yesterday, Mm

Dizzy Miss Lizzie (Williams)

Ooh, ah, ah, huu
You make me dizzy Miss Lizzy
The way you rock and roll
You make me dizzy Miss Lizzy
When we do the stroll
Come on Miss Lizzy
Love me 'fore I grow too old

Come on, give me fever
put your little hand in mine
You make me dizzy dizzy Lizzy
oh, girl you look so fine
Just a rocking and a rolling
Girl I said I wish you were mine, ah

Ooh, ah
You make me dizzy Miss Lizzy
When you call my name
Ooo, baby
Say you're driving me insane
Come on, come on, come on, come on baby
I want to be your loving man, Ah

Run and tell your mama
I want you be my bride
Run and tell your brother
Baby don't run and hide
You make me dizzy Miss Lizzy
Girl I want to marry you

Come on, give me fever
put your little hand in mine, girl
You make me dizzy dizzy Lizzy
Girl you look so fine
You're just a rocking and a rolling
Ooo I said I wish you were mine, ah

Norwegian Wood

I once had a girl
Or should I say she once had me
She showed me her room
Isn't it good Norwegian wood?
She asked me to stay
And she told me to sit anywhere
So I looked around
And I noticed there wasn't a chair
I sat on a rug biding my time
drinking her wine
We talked until two and then she said
"it's time for bed"

She told me she worked
in the morning and started to laugh
I told her I didn't
and crawled off to sleep in the bath
And when I awoke I was alone
This bird had flown
So I lit a fire
Isn't it good Norwegian wood?

You Won't See Me

When I call you up
Your line's engaged
I have had enough
So act your age
We have lost the time
that was so hard to find
And I will lost my mind DEL
If you won't see me
you won't see me

I don't know why
you should want to hide
But I can't get through
My hands are tied
I won't want to stay
I don't gave much to say
But I can't turn away
And you won't see me
you won't see me

Time after time
You refuse to even listen
I wouldn't mind
If I knew what I was missing
Though the days are few
They're filled with tears
And since I lost you
It feels like years
Yes, it seems so long
Girl, since you've been gone
And I just can't go on
If you won't see me
you won't see me

Time after time
You refuse to even listen
I wouldn't mind
If I knew what I was missing
Though the days are few
They're filled with tears
And since I lost you
It feels like years
Yes, it seems so long
Girl, since you've been gone
And I just can't go on
If you won't see me
you won't see me

Nowhere Man

He's a real nowhere man
Sitting in his nowhere land
Making all his nowhere plans for nobody

Doesn't have a point of view
knows not where he's going to
Isn't he a bit like you and me?
Nowhere man please listen
You don't know what you're missing
Nowhere man, The world is at your command

He's as blind as he can be
Just sees what he wants to see
Nowhere man, can you see me at all
Nowhere man don't worry
Take your time, don't hurry
Leave it all till somebody else
Lends you a hand
Ah, la, la, la, la

Doesn't have a point of view
knows not where he's going to
Isn't he a bit like you and me?
Nowhere man please listen
You don't know what you're missing
Nowhere man, The world is at your command
Ah, la, la, la, la

He's a real nowhere man
Sitting in his nowhere land
Making all his nowhere plans for nobody
Making all his nowhere plans for nobody
Making all his nowhere plans for nobody

Think For Yourself (Harrison)

I've got a word or two
To say about the things that you do
You're telling all those lies
About the good things that we can have
if we close our eyes

Do what you want to do
And go where you're going to
Think for yourself
'cause I won't be there with you

I left you far behind
The ruins of the life that you had in mind
And though you still can't see
I know your mind's made up
You're gonna cause more misery

Do what you want to do
And go where you're going to
Think for yourself
'cause I won't be there with you

Although your mind's opaque
Try thinking more if just for your own sake
The future still looks good
And you've got time to rectify
All the things that you should

Do what you want to do
And go where you're going to
Think for yourself
'cause I won't be there with you

Do what you want to do
And go where you're going to
Think for yourself
'cause I won't be there with you
Think for yourself
'cause I won't be there with you

The Word

Say the word and you'll be free
Say the word and be like me
Say the word I'm thinking of
Have you heard the word is love?
It's so fine, It's sunshine
It's the word, love
In the beginning I misunderstood
But now I've got it, the word is good

Spread the word and you'll be free
Spread the word and be like be
Spread the work I'm thinking of
Have you heard the word is love?
It's so fine, It's sunshine
It's the word, love
Every where I go I hear it said
In the good and bad books that I have read

Give the word a chance to say
That the word is just the way
It's the word I'm thinking of
And the only word is love
It's so fine, It's sunshine
It's the word, love
Now that I know what I feel must be right
I'm here to show everybody the light

Say the word and you'll be free
Say the word and be like me
Say the word I'm thinking of
Have you heard the word is love?
It's so fine, It's sunshine
It's the word, love

Michelle

Michelle, ma belle
These are words that go together well
My Michelle

Michelle, ma belle
Sont des mots qui vont tre's bien ensemble
Tre's bien ensemble

I love you, I love you, I love you
that's all I want to say
Until I find a way
I will say the only words I know you'll understand

Michelle, ma belle
Sont des mots qui vont tre's bien ensemble
Tre's bien ensemble

I need to, I need to, I need to
I need to make you see
Oh, what you mean to me
Until I do I'm hoping you will know what I mean
I love you

I want you, I want you, I want you
I think you know by now
I'll get to you some how
Until I do I'm telling you so you'll understand

Michelle, ma belle
Sont des mots qui vont tre's bien ensemble
Tre's bien ensemble
And I will say the only words I know that you'll understand
My Michelle

What Goes On (Lennon/McCartney/Starkey)

What goes on in your heart?
What goes on in your mind?
You are tearing me apart
When you treat me so unkind
What goes on in your mind

The other day I saw you
As I walked along the road
But when I saw him with you
I could feel my future fold
It's so easy for a girl like you to lie
Tell me why

What goes on in your heart?
What goes on in your mind?
You are tearing me apart
When you treat me so unkind
What goes on in your mind

I met you in the morning
waiting for the tides of time
But now the tide is turning
I can see that I was blind
It's so easy for a girl like you to lie
Tell me why
What goes on in your heart?

I used to think of no one else
But you were just the same
You didn't even think of me
As someone with a name
Did you mean to break my heart and watch me die
Tell me why

What goes on in your heart?
What goes on in your mind?
You are tearing me apart
When you treat me so unkind
What goes on in your mind
in your mind
in your mind

Girl

Is there anybody going to listen to my story
All about the girl who came to stay?
She's the kind of girl
you want so much it make you sorry
Still you don't regret a single day
Ah, girl, Girl, Girl

When I think of all the times
I tried to hard to leave her
She will turn to me and start to cry
And she promises the earth to me
and I believe her
After all this time I don't know why
Ah, girl, girl, girl

She's the kind of girl who puts you down
When friends are there
You feel a fool
When you say she's looking good
She acts as if it's understood
she's cool, ooh, oo, oo, oo
Girl, girl, girl

Was she told when she was young
that pain would lead to pleasure
Did she understand it when they said
That a man must break his back
to earn his day of leisure?
Will she still believe it when he's dead
Ah, girl, girl, girl
Girl

I'm Looking Through You

I'm looking through you
Where did you go
I thought I knew you
What did I know
You don't look different
But you have changed
I'm looking through you
You're not the same

Your lips are moving
I cannot hear
Your voice is soothing
But the words aren't clear
You don't sound different
I've learned the game
I'm looking through you
You're not the same

Why, tell me why
Did you not treat me right
Love has a nasty habit
Of disappearing overnight

You're thinking of me
The same old way
You were above me
But not today
The only difference
Is you're down there
I'm looking though you
And you're nowhere

Why, tell me why
Did you not treat me right
Love has a nasty habit
Of disappearing overnight

I'm looking through you
Where did you go
I thought I knew you
What did I know
You don't look different
But you have changed
I'm looking through you
You're not the same
Yeah, Oh, baby you've changed
Aah, I'm looking through you
Yeah, I'm looking through you
You've changed, you've changed
You've changed, you've changed

In My Life

There are places I remember
All my life, though some have changed
Some forever not for better
Some have gone and some remain
All these places had their moments
With lovers and friends
I still can recall
Some are dead and some are living
In my life I've loved them all

But of all these friends and lovers
there is no one compares with you
And these memories lose their meaning
When I think of love as something new
Though I know I'll never lose affection
For people and things that went before
I know I'll often stop and think about them
In my life I love you more

Though I know I'll never lose affection
For people and things that went before
I know I'll often stop and think about them
In my life I love you more
In my life I love you more

Wait

It's been a long time
Now I'm coming back home
I've been away now
Oh how I've been alone
Wait till I come back to your side
We'll forget the tears we've cried

But if your heart breaks
Don't wait, turn me away
And if your heart's strong
Hold on, I won't delay
Wait till I come back to your side
We'll forget the tears we've cried

I feel as though
You ought to know
That I've been good
As good as I can be
And if you do
I'll trust in you
And know that you
Will wait for me

It's been a long time
Now I'm coming back home
I've been away now
Oh how I've been alone
Wait till I come back to your side
We'll forget the tears we've cried

I feel as though
You ought to know
That I've been good
As good as I can be
And if you do
I'll trust in you
And know that you
Will wait for me

It's been a long time
Now I'm coming back home
I've been away now
Oh how I've been alone
Wait till I come back to your side
We'll forget the tears we've cried

It's been a long time
Now I'm coming back home
I've been away now
Oh, how I've been alone

If I needed Someone (Harrison)

If I needed someone to love
You're the one that I'd be thinking of
If I needed someone

If I had some more time to spend
That I guess I'd be with you my friend
If I needed someone
Had you come some other day
Then it might not have been like this
But you see now I'm too much in love

Carve your number on my wall
And maybe you will get a call from me
If I needed someone
Ah, ah, ah, ah

If I had some more time to spend
That I guess I'd be with you my friend
If I needed someone
Had you come some other day
Then it might not have been like this
But you see now I'm too much in love

Carve your number on my wall
And maybe you will get a call from me
If I needed someone
Ah, ah

Run For Your Life

Well I'd rather see you dead, little girl
than to be with another man
You better keep your head, little girl
of I won't know where I am

You better run for your life if you can, little girl
Hide your head in the sand little girl
Catch you with another man
That's the end'a little girl

Well I know that I'm a wicked guy
And I was born with a jealous mind
And I can't spend my whole life
trying just to make you toe the line

You better run for your life if you can, little girl
Hide your head in the sand little girl
Catch you with another man
That's the end'a little girl

Let this be a sermon
I mean everything I've said
Baby, I'm determined
And I'd rather see you dead

You better run for your life if you can, little girl
Hide your head in the sand little girl
Catch you with another man
That's the end'a little girl

I'd rather see you dead, little girl
than to be with another man
You better keep your head, little girl
of I won't know where I am

You better run for your life if you can, little girl
Hide your head in the sand little girl
Catch you with another man
That's the end'a little girl
Na, na, na
Na, na, na
Na, na, na
Na, na, na

A Hard Day's Night

It's been a hard day's night
And I've been working like a dog
It's been a hard day's night
I should be sleeping like a log

But when I get home to you
I find the things that you do
Will make me feel all right

You know I work all day
To get you money to buy you things
And it's worth it just to hear you say
You're gonna give me everything

So why on earth should I moan
'cause when I get you alone
You know I feel okay

When I'm home
everything seems to be all right
when I'm home
feeling you holding me tight, tight

Yeah, it's been a hard day's night
And I've been working like a dog
It's been a hard day's night
I should be sleeping like a log

But when I get home to you
I find the things that you do
Will make me feel all right, Oh!

So why on earth should I moan
'cause when I get you alone
You know I feel okay

When I'm home
Everything seems to be all right
when I'm home
feeling you holding me tight, all through the night

Yeah, it's been a hard day's night
And I've been working like a dog
It's been a hard day's night
I should be sleeping like a log

But when I get home to you
I find the things that you do
Will make me feel all right
You know I feel all right
You know I feel all right

I Should Have Known Better

I should have known better with a girl like you
That I would love everything that you do
And I do, hey hey hey, and I do

Whoa, whoa, I
never realized what I kiss could be
this could only happen to me
Can't you see, can't you see

That when I tell you that I love you, oh
You're gonna say you love me too, hoo, hoo, hoo, oh
And when I ask you to be mine
You're gonna say you love me too

So, oh I never realized what I kiss could be
this could only happen to me
Can't you see, can't you see

That when I tell you that I love you, oh
You're gonna say you love me too, hoo, hoo, hoo, oh
And when I ask you to be mine
You're gonna say you love me too

Whoa whoa I never realized what I kiss could be
this could only happen to me
Can't you see, can't you see

That when I tell you that I love you, oh
You're gonna say you love me too, hoo, hoo, hoo, oh
And when I ask you to be mine
You're gonna say you love me too
You love me too
you love me too

If I Fell

If I fell in love with you
could you promise to be true
And help me understand
'Cause I've been in love before
And I've found that love is more
That just holding hands

If I gave my love to you
I must be sure from the very start
that you would love me more than her

If I trust in you, oh please
don't run and hide,
if I love you too, oh please
don't hurt my pride like her

'Cause I couldn't stand the pain
And I would be sad
If our new love was in vain

So I hope you see that I
would love to love you
And that see will cry
when she learns we are two

'Cause I couldn't stand the pain
And I would be sad
If our new love was in vain

So I hope you see that I
would love to love you
And that see will cry
when she learns we are two
If I fell in love with you

I'm Happy Just To Dance With You

Before this dance is through
I think I'll love you too
I'm so happy when you dance with me

I don't wanna kiss or hold your hand
If it's funny try and understand
There is really nothing else I'd rather do
'Cause I'm happy just to dance with you

I don't need to hug or hold you tight
I just wanna dance with you all night
In this world there's nothing I would rather do
'Cause I'm happy just to dance with you

Just to dance with you
Is everything I need
Before this dance is through
I think I'll love you too
I'm so happy when you dance with me

If somebody tries to take my place
Let's pretend we just can't see his face
In this world there's nothing I would rather do
'Cause I'm happy just to dance with you

Just to dance with you
Is everything I need
Before this dance is through
I think I'll love you too
I'm so happy when you dance with me

If somebody tries to take my place
Let's pretend we just can't see his face
In this world there's nothing I would rather do
'Cause I'm happy just to dance with you
'Cause I'm happy just to dance with you

And I Love Her

I give her all my love
That's all I do
And if you saw my love
You'd love her to
I love her

She gives my everything
And tenderly
The kiss my lover brings
She brings to me
And I love her

A love like ours
Could never die
As long as I
Have you near me

Bright are the stars that shine
Dark is the sky
I know this love of mine
will never die
And I love her

Bright are the stars that shine
Dark is the sky
I know this love of mine
will never die
And I love her, ooh

Tell Me Why

Tell me why you cried
And why you lied to me
Tell me why you cried
And why you lied to me

Well I gave you everything I had
But you left me sitting on my own
Did you have to treat me oh so bad
All I do is hang my head and moan

Tell me why you cried
And why you lied to me
Tell me why you cried
And why you lied to me

If there's something I have said or done
Tell me what and I'll apologize
If you don't I really can't go on
Holding back these tears in my eyes

Tell me why you cried
And why you lied to me
Tell me why you cried
And why you lied to me

Well I beg you on my bended knees
If you'll only listen to my pleas
Is there anything I can do
'cause I really can't stand it
I'm so in love with you

Tell me why you cried
And why you lied to me
Tell me why you cried
And why you lied to me

Can't Buy Me Love

Can't buy me love, love
Can't buy me love

I'll buy you a diamond ring my friend
If it makes you feel all right
I'll get you anything my friend
If it makes you feel all right
'Cause I don't care too much for money
For money can't buy me love

I'll give you all I've got to give
If you say you love me too
I may not have a lot to give
but what I've got I'll give to you
For I don't care too much for money
For money can't buy me love

Can't buy me love
Everybody tells me so
Can't buy me love
No, no ,no, no

Say you don't need no diamond ring
And I'll be satisfied
Tell me that you want those kind of things
that money just can't buy
For I don't care too much for money
For money can't buy me love

Can't buy me love
Everybody tells me so
Can't buy me love
No, no ,no, no

Say you don't need no diamond ring
And I'll be satisfied
Tell me that you want those kind of things
that money just can't buy
For I don't care too much for money
For money can't buy me love
Ooh, can't buy me love, love
Can't buy me love, no

Any Time At All

Any time at all
Any time at all
Any time at all
all you've gotta do is call
And I'll be there

If you need somebody to love
Just look into my eyes
I'll be there to make you feel right
If you're feeling sorry and sad
I'd really sympathize
Don't you be sad, just call me tonight

Any time at all
Any time at all
Any time at all
all you've gotta do is call
And I'll be there

If the sun has faded away
I'll try to make it shine
There is nothing I won't do
If you need a shoulder to cry on
I hope it will be mine
Call me tonight and I'll come to you

Any time at all
Any time at all
Any time at all
all you've gotta do is call
And I'll be there

Any time at all
Any time at all
Any time at all
all you've gotta do is call
And I'll be there
Any time at all
all you've gotta do is call
And I'll be there

I'll Cry Instead

I've got every reason on earth to be mad
'Cause I just lost the only girl I had
If I could get my way
I'd get myself locked up today
but I can't, so I'll cry instead

I've got a chip on my shoulder that's bigger than my feet
I can't talk to people that I meet
If I could see you now
I'd try to make you sad somehow
But I can't, so I'll cry instead

Don't want to cry when there's people there
I get shy when they start to stare
I'm gonna hide myself away
But I'll come back again someday

And when you do you'd better hide all the girls
I'm gonna break their hearts all round the world
Yes, I'm gonna break them in two
And show you what your lovin' man can do
Until then I'll cry instead

Things We Said Today

You say you will love me
If I have to go
You'll be thinking of me
somehow I will know
Someday when I'm lonely
wishing you weren't so far away
Then I will remember
Things we said today

You said you'll be mine, girl
'til the end of time
These days such a kind girl
seems so hard to find
Someday when we're dreaming
deep in love, not a lot to say
Then we will remember
Things we said today

Me I'm just the lucky kind
Love to hear you say that is love
And though we may be blind
Love is here to stay and that's enough

To make you mine, girl
believe only one
loves me all the time, girl
we'll go on and on

Some day when we're dreaming
deep in love not a lot to say
Then we will remember
Things we said today

Me I'm just the lucky kind
Love to hear you say that is love
And though we may be blind
Love is here to stay and that's enough

To make you mine, girl
believe only one
loves me all the time, girl
we'll go on and on

Some day when we're dreaming
deep in love not a lot to say
Then we will remember
Things we said today

When I Get Home

Whoa, ah, woah, ah
I got a whole lot of things to tell her
when I get home
Come on, I'm on my way
'cause I'm a gonna see my baby today
I've got a whole lot of things I've gotta say
to her

Whoa, ah, woah, ah
I got a whole lot of things to tell her
when I get home

Come on, if you please
I've got no time for trivialities
I've got a girl who's waiting home for me
tonight

Whoa, ah, woah, ah
I got a whole lot of things to tell her
when I get home

When I'm getting home tonight
I'm gonna hold her tight
I'm gonna love her till the cows come home
I be I'll love her more
till I walk out that door again

Come on, let me through
I got so many things I gotta do
I got no business being here with you
this way

Whoa, ah, woah, ah
I got a whole lot of things to tell her
when I get home
Yeah, I've got a whole lot of things to tell her
when I get home

You Can't Do That

I got something to say that might cause you pain
If I catch you talking to that boy again
I'm gonna let you down
and leave you flat
Because I told you before
oh, you can't do that

Well it's the second time I've caught you talking to him
Do I have to tell you one more time I think it's a sin
I think I'll let you down
and leave you flat
Because I told you before
oh, you can't do that

Everybody's green
'cause I'm the one who won your love
But if they'd seen
you talking that way
they'd laugh in my face

So please listen to me if you want to stay mine
I can't help this feeling I'll go out of my mind
You know I'll let you down
and leave you flat
Because I told you before
oh, you can't do that, wah

Everybody's green
'cause I'm the one who won your love
But if they'd seen
you talking that way
they'd laugh in my face

So please listen to me if you want to stay mine
I can't help this feeling I'll go out of my mind
You know I'll let you down
and leave you flat
Because I told you before
oh, you can't do that

I'll Be Back

You know, if you break my heart I'll go
But I'll be back again
'cause I told you once before goodbye
But I came back again

I love you so, oh
I'm the one who wants you
Yes I'm the one who wants you
oh, ho, oh, ho, oh

You could find better things to do
Than to break my heart again
This time I will try to show that I'm
Not trying to pretend

I thought that you would realize
That if I run away from you
that you would want me to
But I got a big surprise
Oh, ho, oh, ho, oh

You, if you break my heart I'll go
But I'll be back again

Two Of Us

Two of us riding nowhere
spending someone's hard earned pay
You and me Sunday driving
Not arriving on our way back home
We're on our way back home
We're on our way home
We're going home

Two of us sending postcards
writing letters on my wall
You and me burning matches
lifting latches on our way back home
We're on our way back home
We're on our way home
We're going home

You and I have memories
longer than that road
that stretches out ahead

Two of us wearing raincoats
standing solo in the sun
You and me chasing paper
getting nowhere on our way back home
We're on our way back home
We're on our way home
We're going home

You and I have memories
longer than that road
that stretches out ahead

Two of us wearing raincoats
standing solo in the sun
You and me chasing paper
getting nowhere on our way back home
We're on our way back home
We're on our way home
We're going home
We're going home

Dig A Pony

I hi hi hi hi hi, dig a pony
Well you can celebrate anything you want
Yes, you can celebrate anything you want
Ooh

I hi hi hi hi hi, do a roadhog
Well you can penetrate any place you go
Yes, you can penetrate any place you go

I told you so
All I want is you
Everything has got to be
just like you want it to
Because

I hi hi hi hi hi, pick a moondog
Well you can radiate everything you are
Yes, you can radiate everything you are
Ooh

I hi hi hi hi hi, roll a stoney
Well you can imitate everyone you know
Yes, you can imitate everyone you know

I told you so
All I want is you
Everything has got to be
just like you want it to
Because

I hi hi hi hi hi, feel the wind blow
Well you can indicate everything you see
Yes, you can indicate everything you see
Ooh

I hi hi hi hi hi, cold and lonely
Well you can syndicate any boat you row
Yes, you can syndicate any boat you row

I told you so
All I want is you
Everything has got to be
just like you want it to
Because

Accross The Universe

Words are flying out like
endless rain into a paper cup
They slither while they pass
They slip away across the universe
Pools of sorrow waves of joy
are drifting thorough my open mind
Possessing and caressing me

Jai guru deva om
Nothing's gonna change my world
Nothing's gonna change my world
Nothing's gonna change my world
Nothing's gonna change my world

Images of broken light which
dance before me like a million eyes
That call me on and on across the universe
Thoughts meander like a
restless wind inside a letter box
they tumble blindly as
they make their way across the universe

Jai guru deva om
Nothing's gonna change my world
Nothing's gonna change my world
Nothing's gonna change my world
Nothing's gonna change my world

Sounds of laughter shades of life
are ringing through my open ears
exciting and inviting me
Limitless undying love which
shines around me like a million suns
It calls me on and on across the universe

Jai guru deva om
Nothing's gonna change my world
Nothing's gonna change my world
Nothing's gonna change my world
Nothing's gonna change my world

I Me Mine (Harrison)

All through the day
I me mine, I me mine, I me mine
All through the night
I me mine, I me mine, I me mine
Now they're frightened of leaving it
Everyone's reading it
comin' on strong all the time

All through the day
I me mine
I me me mine, I me me mine
I me me mine

All I can hear
I me mine, I me mine, I me mine
Even those tears
I me mine, I me mine, I me mine
No one's frightened of playing it
Everyone's saying it
Flowing more freely than wine

All through the day
I me mine
I me me mine, I me me mine
I me me mine

All I can hear
I me mine, I me mine, I me mine
Even those tears
I me mine, I me mine, I me mine
No one's frightened of playing it
Everyone's saying it
Flowing more freely than wine

All through the life
I me mine

Dig It

Like a Rolling Stone
Like a Rolling Stone
I like a Rolling Stone
Like the F.B.I.
and the C.I.A.
and the B.B.C
B.B. King
and Doris Day
Matt Busby
Dig it, Dig it
Dig it, Dig it
Dig it, Dig it
Dig it, Dig it
Dig it, Dig it
Dig it, Dig it
Dig it, Dig it

Let It Be

When I find myself in times of trouble
Mother Mary comes to me
Speaking words of wisdom
Let it be
And in my hour of darkness
She is standing right in front of me
Speaking words of wisdom
Let it be

Let it be, let it be
Let it be, let it be
Whisper words of wisdom
Let it be

And when the broken hearted people
Living in the world agree
There will be an answer
Let it be
For though they may be parted there is
still a chance that they will see
There will be an answer
Let it be

Let it be, let it be
Let it be, let it be
yeah, there will be an answer
Let it be
Let it be, let it be
Let it be, let it be
Whisper words of wisdom
Let it be

Let it be, let it be
Let it be, let it be
Whisper words of wisdom
Let it be

And when the night is cloudy
There is still a light that shines on me
Shine until tomorrow
Let it be
I wake up to the sound of music
Mother Mary comes to me
Speaking words of wisdom
Let it be

Let it be, let it be
Let it be, let it be
There will be an answer
Let it be
Let it be, let it be
Let it be, let it be
There will be an answer
Let it be

Let it be, let it be
Let it be, let it be
Whisper words of wisdom
Let it be

Maggie Mae (Arranged by Lennon/McCartney/Harrison/Starkey)

Oh, dirty Maggie Mae
they have taken her away
and she'll never walk
down Lime Street anymore

Oh, the judge she guilty found her
of robbing the bomeward bounder
dirty no good robbin' Maggie Mae

It's the part of Liverpool
She returned me to
Two pound ten a week
that was my pay
Ah

I've Got A Feeling

I've got a feeling, a feeling deep inside, oh yeah
Oh, yeah, that's right
I've got a feeling, a feeling I can't hide, oh no no
oh no, oh no
Yeah, yeah
I've got a feeling, yeah

Oh please believe me, I'd hate to miss the train
Oh yeah yeah oh yeah
And if you leave me, I won't be late again
oh no, oh no, oh no
yeah, yeah
I've got a feeling, yeah
I've got a feeling

All these years I've been wandering around
wondering how come nobody told me
All that I was looking for was somebody
who looked like you

I've got a feeling that keeps me on my toes
oh yeah, oh yeah
I've got a feeling that everybody knows
oh yeah, oh yeah, oh yeah
yeah, yeah
I've got a feeling, yeah
Yeah

Everybody had a hard year
Everybody had a good time
Everybody had a wet dream
Everybody saw the sun shine
Oh yeah, oh yeah, oh yeah
Everybody had a good year
Everybody let their hair down
Everybody pulled their socks up
Everybody put their foot down
oh yeah

Everybody had a good year
Everybody had a hard time
Everybody had a wet dream
Everybody saw the sun shine
Everybody had a good year
Everybody let their hair down
Everybody pulled their socks up
Everybody put their foot down
oh yeah

I've got a feeling
I've got a feeling
I've got a feeling, yeah

One After 909

My baby says she's traveling
on the one after 909
I said move over honey
I'm traveling on that line
I said move over once
Move over twice
Come on baby, don't be cold as ice
I said I'm traveling
on the one after 909

I begged her not to go
and I begged her on my bended knees
You're only fooling around
You're only fooling around with me
I said move over once
Move over twice
Come on baby, don't be cold as ice
I said I'm traveling
on the one after 909

I've got my bag, run to the station
Railman says you've got the wrong location
Picked up my bags, run right home
Then I find I've got the number wrong

Well, I said I'm traveling
on the one after 909
I said move over honey
I'm traveling on that line
I said move over once
Move over twice
Come on baby, don't be cold as ice

I've got my bag, run to the station
Railman says you've got the wrong location (yeah)
Picked up my bags, run right home (run right home)
Then I find I've got the number wrong

Well, I said I'm traveling
on the one after 909
I said move over honey
I'm traveling on that line
I said move over once
Move over twice
Come on baby, don't be cold as ice
I said I'm traveling
on the one after 909
Yeah

The Long And Winding Road

The long and winding road
that leads to your door
will never disappear
I've seen that road before
It always leads me her
Lead me to you door

The wild and windy night
that the rain washed away
Has left a pool of tears
crying for the day
Why leave me standing here
let me know the way

Many times I've been alone
and many times I've cried
Any way you'll never know
the many ways I've tried

But still they lead me back
to the long winding road
You left me standing here
a long long time ago
Don't leave me waiting here
lead me to your door

But still they lead me back
to the long winding road
You left me standing here
a long long time ago
Don't leave me waiting here
lead me to your door
Yeah, yeah, yeah, yeah

For You Blue (Harrison)

Because you're sweet and lovely girl, I love you
Because you're sweet and lovely girl, It's true
I love you more than ever girl, I do

I want you in the morning girl, I love you
I want you at the moment, I feel blue
I'm living every moment girl, for you

Walk, walk cat walk
Go Johnny go
Same ole tale of blues
(Elmo James go nothin' on this baby)

I loved you from the moment I saw you
You looket at me, that's all you had to do
I feel it now I hope you feel it too
I'm having the blues

Get Back

Jo Jo was a man who thought he was a loner
But he knew it couldn't last
Jo Jo left his home in Tucson, Arizona
for some California grass

Get back, get back
Get back to where you once belonged
Get back, get back
Get back to where you once belonged
Get back Jo Jo

Go home
Get back, get back
Back to where you once belonged
Get back, get back
Back to where you once belonged
Get back Jo Jo

Sweet Loretta Martin thought she was a woman
But she was another man
All the girls around her say she's got it coming
But she gets it while she can

Get back, get back
Get back to where you once belonged
Get back, get back
Get back to where you once belonged
Get back Loretta

Ah, get back
Yeah, get back
Get back to where you once belonged
Yeah get back
Get back to where you once belonged
Get back, Ooo

Taxman (Harrison)

Let me tell you how it will be
There's one for you, nineteen for me
'cause I'm the taxman,
yeah, I'm the taxman

Should five percent appear too small
Be thankful I don't take it all
'cause I'm the taxman,
yeah, I'm the taxman

If you drive a car, I'll tax the street
If you try to sit, I'll tax your seat
If you get too cold, I'll tax the heat
If you take a walk, I'll tax your feet
Taxman

'Cause I'm the taxman,
Yeah, I'm the taxman

Don't ask me what I want it for
If you don't want to pay some more
'cause I'm the taxman,
yeah, I'm the taxman

Now my advice for those who die
Declare the pennies on your eyes
'cause I'm the taxman,
yeah, I'm the taxman
And you're working for no one but me

Eleanor Rigby

Ah, look at all the lonely people
Ah, look at all the lonely people

Eleanor Rigby, picks up the rice
in the church where a wedding has been
Lives in a dream
Waits at the window, wearing the face
that she keeps in a jar by the door
Who is it for

All the lonely people
Where do they all come from?
All the lonely people
Where do they all belong?

Father McKenzie, writing the words
of a sermon that no one will hear
No one comes near
Look at him working, darning his socks
in the night when there's nobody there
What does he care

All the lonely people
Where do they all come from?
All the lonely people
Where do they all belong?

Ah, look at all the lonely people
Ah, look at all the lonely people

Eleanor Rigby, died in the church
and was buried along with her name
Nobody came
Father McKenzie, wiping the dirt
from his hands as he walks from the grave
No one was saved

All the lonely people
Where do they all come from?
All the lonely people
Where do they all belong?

I'm Only Sleeping

When I wake up early in the morning,
Lift my head, I'm still yawning
When I'm in the middle of a dream
Stay in bed, float up stream

Please don't wake me, no
don't shake me
Leave me where I am
I'm only sleeping

Everybody seems to think I'm lazy
I don't mind, I think they're crazy
Running everywhere at such a speed
Till they find, there's no need

Please don't spoil my day
I'm miles away
And after all
I'm only sleeping

Keeping an eye on the world going by my window
Taking my time

Lying there and staring at the ceiling
Waiting for a sleepy feeling

Please don't spoil my day
I'm miles away
And after all
I'm only sleeping

Keeping an eye on the world going by my window
Taking my time

When I wake up early in the morning,
Lift my head, I'm still yawning
When I'm in the middle of a dream
Stay in bed, float up stream

Please don't wake me, no
don't shake me
Leave me where I am
I'm only sleeping

Love You To

Each day just goes so fast
I turn around, it's past
You don't get time to hang a sign on me
Love me while you can
Before I'm a dead old man

A life time is so short
A new one can't be bought
But what you've got means such a lot to me
Make love all day long
Make love singing songs

Make love all day long
Make love singing songs

There's people standing round
Who'll screw you in the ground
They'll fill you in with all their sins, you'll see

I'll make love to you
If you want me to

Here, There And Everywhere

To lead a better life
I need my love to be here

Here, making each day of the year
Changing my life with a wave of her hand
Nobody can deny that there's something there

There, running my hands through her hair
Both of us thinking how good it can be
Someone is speaking, but she doesn't know he's there

I want her everywhere
And if she's beside me I know I need never care
But to love her is to need her

Everywhere, knowing that love is to share
Each on believing that love never dies
Watching her eyes and hoping I'm always there

I want her everywhere
And if she's beside me I know I need never care
But to love her is to need her

I will be there, and everywhere
Here, there and everywhere

Yellow Submarine

In the town where I was born
Lived a man who sailed to sea
And he told us of his life
In the land of submarines
So we sailed up to the sun
Till we found a sea of green
And we lived beneath the waves
in our yellow submarine

We all live in a yellow submarine
Yellow submarine, yellow submarine
We all live in a yellow submarine
Yellow submarine, yellow submarine

And our friends are all aboard
Many more of them live next door
And the band begins to play

We all live in a yellow submarine
Yellow submarine, yellow submarine
We all live in a yellow submarine
Yellow submarine, yellow submarine

(Full speed ahead Mr. Boatswain, full speed ahead
Full speed ahead it is, Sgt.
Cut the cable, drop the cable
Aye, Sir, aye
Captain, captain)

As we live a life of ease
Every one of us has all we need
Sky of blue and sea of green
In our yellow submarine

We all live in a yellow submarine
Yellow submarine, yellow submarine
We all live in a yellow submarine
Yellow submarine, yellow submarine
We all live in a yellow submarine
Yellow submarine, yellow submarine

She Said She Said

She said I know what it's like to be dead
I know what it is to be sad
And she's making me feel like I've never been born

I said who put all the things in your head
Things that make me feel that I'm mad
And you're making me feel like I've never been born

She said you don't understand what I said
I said no, no, no you're wrong
When I was a boy, everything was right
Everything was right

I said even though you know what you know
I know that I'm ready to leave
'Cause you're making me feel like I've never been born

She said you don't understand what I said
I said no, no, no you're wrong
When I was a boy, everything was right
Everything was right

She said
I know what it's like to be dead
I know what it is to be sad
I know that it's like to be dead

And Your Bird Can Sing

You say you've got everything you want
And your bird can sing
But you don't get me
you don't get me

You say you've seen the seven wonders
And your bird is green
But you can't see me
you can't see me

When your prized possessions
start to weigh you down
Look in my direction
I'll be round, I'll be round

When your bird is broken
will it bring you down
You may be awoken
I'll be round, I'll be round

You tell me that you've heard every sound there is
And your bird can swing
But you can't hear me
You can't hear me

For No One

You day breaks, your mind aches
You find that all her words
of kindness linger on
When she no longer needs you
She wakes up, she makes up
She takes her time and doesn't
feel she has to hurry
She no longer needs you

And in her eyes, you see nothing
No sign of life behind the tears
Cried for no one
A love that should have lasted years

You want her, you need her
And yet you don't believe her
When she says her love is dead
You think she needs you

And in her eyes, you see nothing
No sign of life behind the tears
Cried for no one
A love that should have lasted years

You stay home, she goes out
She says that long ago she knew someone
but now he's gone
She doesn't need him
your day breaks, your mind aches
There will be times when all the things
she said will fill your head
You won't forget her

And in her eyes, you see nothing
No sign of life behind the tears
Cried for no one
A love that should have lasted years

Well, well, well, he'll make you
Doctor Robert

Ring, my friend I said you'd call
Doctor Robert
Doctor Robert

I Want To Tell You (Harrison)

I want to tell you
My head is filled with things to say
When you're here
All those words they seem to slip away

When I get near you
The games begin to drag me down
It's all right
I'll make you maybe next time around

But if I seem to act unkind
It's only me, it's not my mind
That is confusing things

I want to tell you
I feel hung up and I don't know why
I don't mind
I could wait forever, I've got time

Sometimes I wish I knew you well
Then I could speak my mind and tell
Maybe you'd understand

I want to tell you
I feel hung up and I don't know why
I don't mind
I could wait forever, I've got time
I've got time
I've got time

Got To Get You Into My Life

I was alone, I took a ride
I didn't know what I would find there
Another road where maybe I
could see another kind of mind there
Ooo, then I suddenly see you
Ooo, did I tell you I need you
Every single day of my life

You didn't run, you didn't hide
And had you gone, you knew in time
We'd meet again for I had told you
Ooo, you were meant to be near me
Ooo, and I want you to hear me
Say we'll be together every day
Got to get you into my life

What can I do, what can I be
When I'm with you I want to stay there
If I'm true I'll never leave
And if I do I know the way there
Ooo, then I suddenly see you
Ooo, did I tell you I need you
Every single day of my life
Got to get you into my life

I was alone, I took a ride
I didn't know what I would find there
Another road where maybe I
could see another kind of mind there
Ooo, then I suddenly see you
Ooo, did I tell you I need you
Every single day

Tomorrow Never Knows

Turn off your mind, relax
and float down stream
It is not dying
It is not dying

Lay down all thought
Surrender to the void
It is shining
It is shining

That you may see
The meaning of within
It is being
It is being

That love is all
And love is everyone
It is knowing
It is knowing

That ignorance and hate
May mourn the dead
It is believing
It is believing

But listen to the
color of your dreams
It is not living
It is not living

Or play the game
existence to the end
Of the beginning
Of the beginning
Of the beginning
Of the beginning
Of the beginning
Of the beginning

I Saw Her Standing There

Well she was just seventeen
You know what I mean
And the way she looked
Was way beyond compare
So how could I dance with another,
Oh, when I saw her standing there

Well she looked at me
and I, I could see
That before too long
I'd fall in love with her
She wouldn't dance with another
Oh, when I saw her standing there

Well my heart went boom
When I crossed that room
And I held her hand in mine

Oh we danced through the night
And we held each other tight
And before too long
I fell in love with her
Now I'll never dance with another
Oh, when I saw her standing there

Well my heart went boom
When I crossed that room
And I held her hand in mine

Oh we danced through the night
And we held each other tight
And before too long
I fell in love with her
Now I'll never dance with another
Oh, when I saw her standing there
Oh, since I saw her standing there
Yeah, well since I saw her standing there

Misery

The world is treating me bad
Misery

I'm the kind of guy
Who never used to cry
The world is treatin' me bad
Misery

I've lost her now for sure
I won't see here no more
It's gonna be a drag
Misery

I'll remember all the little things we've done
Can't she see she'll always be the only one
Only one

Send her back to me
Cause everyone can see
Without her I will be
In misery

I'll remember all the little things we've done
She'll remember and she'll miss her lonely one
Lonely one

Send her back to me
Cause everyone can see
Without her I will be
In misery
Oh, oh in misery
Woo, my misery
La, la, la, la, la, la

Anna Go To Him (Alexander)

Anna, you come and ask me girl
To set you free, girl
You say he loves you more than me
So I will set you free
Go with him (Anna) Go with him (Anna)

Anna, girl, before go now
I want you to know, now
That I still love you so,
But if he loves you more,
Go with him

All of my life
I've been searching for a girl
To love me like I love you
oh now
But every girl I ever had breaks my heart
And leaves me sad,
what am I, what am I supposed to do
Oh, oh, oh, oh, oh, oh,

Anna, just one more thing girl
You give back your ring to me
And I will set you free,
go with him

All of my life
I've been searching for a girl
To love me like I love you
But let me tell you now
But every girl I ever had breaks my heart
And leaves me sad,
what am I, what am I supposed to do
Oh, oh, oh, oh, oh, oh,

Anna, just one more thing girl
You give back your ring to me
And I will set you free,
go with him (Anna) go with him (Anna)
You can go with him girl (Anna) go with him

Chains (Goffin/King)

Chains, my baby's got me locked up in chains
And the ain't the kind
that you can see
Woh, it's chains of love
got a hold on me, yeah
pa-lum-pa-lum-pa-lum-pa

Chains, well I can't break away from there chains
Can't run around
'cause I'm not free
Woh, these chains of love
Won't let me be, yeah

I wanna tell you pretty baby
I think you're fine
I'd like to love you
But, darling, I'm imprisoned by these

Chains, my baby's got me locked up in chains
And the ain't the kind
that you can see
Woh, it's chains of love
got a hold on me, yeah

Please believe me when I tell you
your lips are sweet
I'd like to kiss them
But, I can't break away from all these

Chains, my baby's got me locked up in chains
And the ain't the kind
that you can see
Woh, it's chains of love
got a hold on me, yeah

Chains, chains of love
Chains of love, chains of love

Boys (Dixon/Farrell)

I've been told when a boy kiss a girl
Take a trip around the world
Hey, Hey, Hey, Hey, Hey, Hey
Yes they say you do

My girl says when I kiss her lips
Get the thrill thru fingertips
Hey, Hey, Hey, Hey, Hey, Hey
Yeah she said you do

Well I talk about boys
Don't you know I mean boys
Well I talk about boys now
Ah, boys
Well I talk about boys now
What a bundle of joy

My girl says when I kiss her lips
Get the thrill thru fingertips
Hey, Hey, Hey, Hey, Hey, Hey
Yeah she said you do

Well I talk about boys
Don't you know I mean boys
Well I talk about boys now
Ah, boys
Well I talk about boys now
What a bundle of joy

Ask Me Why

I love you
Cause you tell me things I want to know
And it's true
that it really only goes to show
That I know that I, I, I, I,
should never never never be blue

Now you're mine
my happiness dear makes me cry
And in time
you'll understand the reason why
If I cry it's not because I'm sad
But you're the only love that I've ever had

I can't believe, it's happened to me
I can't conceive of anymore misery
Ask me why, I'll say I love you
And I'm always thinking of you

I love you
Cause you tell me things I want to know
And it's true
that it really only goes to show
That I know that I, I, I, I,
should never never never be blue

Ask me why, I'll say I love you
And I'm always thinking of you

I can't believe, it's happened to me
I can't conceive of anymore misery
Ask me why, I'll say I love you
And I'm always thinking of you, you, you

Please Please Me

Last night I said these words to my girl
I know you never even try, girl
Come on, come on, come on, come on
Please, please me, wo yeah, like I please you

You don't need me to show the way, love
Why do I always gave to sat, love
Come on, come on, come on, come on
Please, please me, wo yeah, like I please you

I don't want to sound complaining
but you know there's always rain in my heart
I do all the pleasing with you,
it's so hard to reason with you
wo yeah, why do you make me blue?

Last night I said these words to my girl
I know you never even try, girl
Come on, come on, come on, come on
Please, please me, wo yeah, like I please you
wo yeah, like I please you
wo yeah, like I please you

You know I love you
I'll always be true

Love, love me do
You know I love you
I'll always be true
so please, love me do
oh, love me do
Yeah, love me do
Oh, love me do

P.S. I Love You

As I write this letter
Send my love to you
Remember that I'll always
Be in love with you

Treasure these few words
Till we're together
Keep all my love forever
P.S. I love you
you, you, you

I'll be comin' home again to you, love
Until the day I do love
P.S. I love you
you, you, you

As I write this letter
Send my love to you (you know I want you to)
Remember that I'll always
Be in love with you (yeah)

Treasure these few words
Till we're together
Keep all my love forever
P.S. I love you
you, you, you

As I write this letter
Send my love to you (you know I want you to)
Remember that I'll always
Be in love with you (yeah)

I'll be comin' home again to you, love
Until the day I do love
P.S. I love you
you, you, you
you, you, you
I love you

Baby It's You (David/Bacharach/Williams)

It's not the way you smile that touched my heart
It's not the way you kiss that tears me apart

But how many many many nights go by
I sit alone at home and cry over you
What can I do
Can't help myself
Cause baby it's you
Baby it's you

You should hear what they say about you (cheat, cheat)
They say, they say you never never ever been true (cheat, cheat)

Wo ho, it doesn't matter what they say
I know I'm gonna love you any old way
What can I do, then it's true
Don't want nobody, nobody
Cause baby it's you
Baby it's you

Wo ho, it doesn't matter what they say
I know I'm gonna love you any old way
What can I do, then it's true
Don't want nobody, nobody
Cause baby it's you
Baby it's you
Don't leave me all alone

Do You Want To Know A Secret

You never know how much I really love you
You'll never know how much I really care

Listen, do you want to know a secret
Do you promise not to tell, woh, woh, woh
Closer, let me whisper in your ear
Say the words you long to hear
I'm in love with you, oo

Listen, do you want to know a secret
Do you promise not to tell, woh, woh, woh
Closer, let me whisper in your ear
Say the words you long to hear
I'm in love with you, oo

I've known a secret for a week or two
Nobody know just we two

Listen, do you want to know a secret
Do you promise not to tell, woh, woh, woh
Closer, let me whisper in your ear
Say the words you long to hear
I'm in love with you, oo, oo

A Taste Of Honey (Marlow/Scott)

A taste of honey
tasting much sweeter than wine
Do dut don du, do dut don du

I dream of you first kiss and then
I feel upon my lips again
A taste of honey
A taste of honey
tasting much sweeter than wine
Do dut don du, do dut don du

I will return, yes I will return
I'll come back for the honey, and you
Do dut don du, to dut don du

Yours was the kiss that awoke my heart
There lingers still though we're far apart
A taste of honey^{DEL}
A taste of honey
tasting much sweeter than wine
Do dut don du, do dut don du

I will return, yes I will return
I'll come back, I'll come back
for the honey, for the honey
and you

There's A Place

There, there's a place
where I can go
when I feel low
when I feel blue
And it's my mind
and there's time
When I'm alone
I think of you
the things you do
Go round my head
the things you've said

Like I love only you
In my mind there's no sorrow
Don't you know that it's so
There'll be no sad tomorrow
Don't you know that it's so

There, there's a place
where I can go
when I feel low
when I feel blue
And it's my mind
and there's time
When I'm alone
There's a place
There's a place

Twist And Shout (Russell/Medley)

Well, shake it up baby now
Twist and shout
Come on, come on, come, come on baby now
Come on and work it on out
Well work it on out, honey
You know you look so good
You know you got me goin' now

Just like I know you would

Well, shake it up baby now
Twist and shout
Come on, come on, come, come on baby now
Come on and work it on out
You know you twist, little girl
You know you twist so fine
Come on and twist a little closer now
And let me know that you're mine, woo

Ah, ah, ah, ah
Yeah, shake it up baby now
Twist and shout
Come on, come on, come, come on baby now
Come on and work it on out
You know you twist, little girl
You know you twist so fine
Come on and twist a little closer now
And let me know that you're mine
Well shake it, shake it, shake it, baby now
Well shake it, shake it, shake it, baby now
Well shake it, shake it, shake it, baby now
Ah, ah, ah, ah

Like a heart that's oh so true
Just call on me and I'll send it along
With love, from me to you

I got arms that long to hold you
and keep you by my side
I got lips that long to kiss you
and keep you satisfied

Ooo, if there's anything that you want
If there's anything I can do
Just call on me and I'll send it along

She Loves You

She loves you, yeah, yeah, yeah
She loves you, yeah, yeah, yeah
She loves you, yeah, yeah, yeah

You think you've lost your love
Well, I saw her yesterday-yi-yay
It's you she's thinking of
And she told me what to say-yi-yay

She says she loves you
and you know that can't be bad
Yes, she loves you
and you know you should be glad

She said you hurt her so
She almost lost her mind
And now she says she knows
You're not the hurting kind

She says she loves you
and you know that can't be bad
Yes, she loves you
and you know you should be glad

Oo, she loves you, yeah, yeah, yeah
She loves you, yeah, yeah, yeah
And with a love like that
You know you should be glad

You know it's up to you
I think it's only fair
Pride can hurt you too
Apologize to her

Because she loves you
and you know that can't be bad
Yes, she loves you
and you know you should be glad

Oo, she loves you, yeah, yeah, yeah
She loves you, yeah, yeah, yeah
And with a love like that
You know you should be glad
And with a love like that
you know you should be glad

I'll Get You

Oh yeah, oh yeah,
oh yeah, oh yeah,
Imagine I'm in love with you
it's easy 'cause I know
I've imagined I'm in love with you
many, many, many times before
It's not like me to pretend
But I'll get you
I'll get you in the end
Yes, I will, I'll get you in the end

Oh yeah, oh yeah
I think about you night and day
I need you and it's true
When I think about you I can say

I'm never, never, never, never blue
So I'm telling you, my friend
That I'll get you
I'll get you in the end
Yes, I will, I'll get you in the end

Oh yeah
Well, there's gonna be a time
When I'm gonna change your mind
So you might as well resign yourself to me

Oh yeah,
Imagine I'm in love with you
it's easy 'cause I know
I've imagined I'm in love with you
many, many, many times before
It's not like me to pretend
But I'll get you
I'll get you in the end
Yes, I will, I'll get you in the end
Oh yeah, oh yeah
oh yeah oh yeah
oh yeah

I Want To Hold Your Hand

I'll tell you something
I think you'll understand
When I say that something
I want to hold your hand
I want to hold your hand
I want to hold your hand

Oh please say to me
you'll let me be your man
and please say to me
you'll let me hold your hand
Not, let me hold your hand
I want to hold your hand

And when I touch you
I feel happy inside
It's such a feeling that my love
I can't hide
I can't hide
I can't hide

Yeah, you got that something
I think you'll understand
When I say that something
I want to hold your hand
I want to hold your hand
I want to hold your hand

And when I touch you
I feel happy inside
It's such a feeling that my love
I can't hide
I can't hide
I can't hide

Yeah, you got that something
I think you'll understand
When I say that something
I want to hold your hand
I want to hold your hand
I want to hold your hand
I want to hold your hand

This Boy

That boy took my love away
Oh, he'll regret it some day
But this boy wants you back again

That boy isn't good for you
Though he may want you too
This boy wants you back again

Oh, and this boy would be happy
Just to love you, but oh, my, oh
That boy won't be happy
till he's seen you cry

This boy wouldn't mind the pain
Would always feel the same
If this boy gets you back again

This boy, this boy...

Komm gib mir Deine Hand

(Lennon/McCartney/Nicolas/Hellmer)

O komm doch, komm zu mir,
du nimmst mir den Verstand.
O komm doch, komm zu mir
komm gib mir deine Hand,
komm gib mir deine Hand,
komm gib mir deine Hand.

O du bist so schön,
schön wie ein Diamant.
Ich will mit dir gehen,
komm gib mir deine Hand,
komm gib mir deine Hand,
komm gib mir deine Hand.

In deinen Armen
bin ich glücklich und froh,
dass war noch nie bei einer andern
einmal so, einmal so, einmal so.

O komm doch, komm zu mir,
du nimmst mir den Verstand.
O komm doch, komm zu mir,
komm gib mir deine Hand,
komm gib mir deine Hand,
komm gib mir deine Hand.

In deinen Armen
bin ich glücklich und froh,
dass war noch nie bei einer andern
einmal so, einmal so, einmal so.

O du bist so schön,
schön wie ein Diamant.
Ich will mit dir gehen,
komm gib mir deine Hand,
komm gib mir deine Hand,
komm gib mir deine Hand,
komm gib mir deine Hand.

Sie liebt Dich

(Lennon/McCartney/Nicolas/Montague)

Sie liebt dich yeah yeah yeah.
Sie liebt dich yeah yeah yeah.
Sie liebt dich yeah yeah yeah yeah.

Du glaubst sie liebt nur mich,
gestern hab' ich sie gesehen.
Sie denkt ja nur an dich
und du solltest zu ihr gehen.
O ja sie liebt dich,
schöner kann es gar nicht sein.
Ja sie liebt dich
und dann solltest du dich freu'n.

Sie hat dir weh getan,
sie wusste nicht warum.
Du warst nicht schuld daran
und drehtest dich nicht um.
O ja sie liebt dich,
schöner kann es gar nicht sein.
Ja sie liebt dich
und dann solltest du dich freu'n.

Sie liebt dich yeah yeah yeah.
Sie liebt dich yeah yeah yeah.
Denn mit dir allein
kann sie nur glücklich sein.,

Du musst jetzt zu ihr gehen,
entschuldig dich bei ihr.
Ja dass wird sie verstehen,
und dann verzeiht sie dir.
O ja sie liebt dich,
schöner kann es gar nicht sein.
Ja sie liebt dich
und dann solltest du dich freu'n.

Sie liebt dich yeah yeah yeah.
Sie liebt dich yeah yeah yeah. 
Denn mit dir allein
kann sie nur glücklich sein,
denn mit dir allein
kann sie nur glücklich sein,
denn mit dir allein
kann sie nur glücklich sein.
Yeah yeah yeah,
Yeah yeah yeah yeah.

I Call Your Name

I call your name but you're not there
Was I to blame for being unfair
Oh I can't sleep at night
Since you've been gone
I never weep at night
I can't go on

Well don't you know I can't take it
I don't know who can
I'm not going to make it
I'm not that kind of man

Oh I can't sleep at night
But just the same
I never weep at night
I call your name

Don't you know I can't take it
I don't know who can
I'm not going to make it
I'm not that kind of man

Oh I can't sleep at night
But just the same
I never weep at night
I call your name
I call your name
I call your name

Slow Down (Williams)

Well, come on pretty baby won't you walk with me
Come on pretty baby won't you talk with me
Come on pretty baby give me one more chance
Try and save our romance
Slow down

Baby, now you're moving way too fast
You gotta gimme little loving

Ow, if you want our love to last

Well I used to walk you home baby after school
Carry your books home, too
But now you got a boyfriend down the street
Baby what're you trying to do a do
You better slow down

You gotta gimme little loving

I need you badly, baby, oh so bad
The best little woman I ever had
Slow down

Baby, now you're moving way too fast
You gotta gimme little loving
gimme little loving
Ow, if you want our love to last

Matchbox (Perkins)

I said I'm sitting here watching
matchbox hole in my clothes
I said I'm sitting here wondering
matchbox hole in my clothes
I ain't got no matches
but I sure got a long way to go

I'm an old poor boy
I'm a long way from home
I'm an old poor boy
and I'm a long way from home
I've never been happy
cause everything I ever did was wrong

Well, if you don't want my peaches
honey please don't shake my tree
If you don't want any of those peaches
honey, please don't mess around my tree
I've got news for you baby
Leave me here in misery, all right!

Well let me be your little dog
till your big dog comes
Let me be your little dog
till your big dog comes
And when your big dog gets here
watch how your puppy dog runs

Well I said I'm sitting here watching
matchbox hole in my clothes
I said I'm sitting here wondering
matchbox hole in my clothes
I ain't got no matches
but I sure got a long way to go

She's A Woman

My love don't give me presents
I know that she's no peasant
Only ever has to give me
Love forever and forever
My love don't give me presents

Turn me on when I get lonely
People tell me that she's only fooling
I know she isn't

She don't give boys the eye
She hates to see me cry
She is happy just to hear me
Say that I will never leave her
She don't give boys the eye

She will never make me jealous
Gives me all her time as well as loving
Don't ask me why

She's a woman who understands
She's a woman who loves her man

My love don't give me presents
I know that she's no peasant
Only ever has to give me
Love forever and forever
My love don't give me presents

Turn me on when I get lonely
People tell me that she's only fooling
I know she isn't
Woo oo oo, woo

She's a woman who understands
She's a woman who loves her man

Bad Boy (Williams)

A bad little kid moved into my neighborhood
He won't do nothing right, just a sitting got to look so good
He don't wanna go to school and learn to read and write
Just sits around the house and plays that rock and roll music all night
Well he put thumb tacks on teacher's chair put chewing gum in little girl's
hair
Now Junior behave yourself

Buys every rock and roll book on the magazine stand
Every dime that he gets oh he's off to the jukebox man
Well he worries that teacher till at night she's aready to poop
From rocking and a rolling spinning in a hula-hoop
Well his rock and roll has gotta stop, Junior's head is hard as rock
Now Junior behave yourself, ow

Gonna tell ya mamma you'd better do what she said
Get to the barber shop and get that hair cut off your head
You shoot the canary and you fed it to the neighbor's cat
You have the cocker spaniel a bathing mother's laundromat
Well ya mamma said it's gotta stop, Junior's head is hard as a rock
Now, Junior be have yourself, Ooo

Yes It Is

If you wear red tonight
Remember what I said tonight
Of red is color that my baby wore
and what's more it's true
Yes it is

Scarlet were clothes she wore
Everybody know I'm sure
I would remember all the things planned
understand it's true
Yes it is, it's true
Yes it is

I could be happy with you by my side
If I could forger her, but's it's my pride
Yes it is, Oh, yes it is, yeh

Please don't wear red tonight
This is what I said tonight
For red is the color that will make me blue
in spite of you it's true
Yes it is, it's true
Yes it is

I could be happy with you by my side
If I could forger her, but it's my pride
Yes it is, Oh, yes it is, yeh

Please don't wear red tonight
This is what I said tonight
For red is the color that will make me blue
in spite of you it's true
Yes it is, it's true
Yes it is, it's true

I'm Down

You tell lies thinking I can't see
You can't cry 'cause you're laughing at me
I'm down, I'm down, I'm down
How can you laugh when you know I'm down
How can you laugh when you know I'm down

Man buys ring, woman throws it away
Same old thing happen every day
I'm down, I'm down, I'm down
How can you laugh when you know I'm down
How can you laugh when you know I'm down

We're all alone and there's nobody else
She'll still moan "Keep your hands to yourself"
I'm down, I'm down, I'm down
How can you laugh when you know I'm down
How can you laugh when you know I'm down, woo

A baby you know I'm down
I guess I'm down
I'm down on the ground
I'm down
Ah, baby I'm upside down
Oh yeah, yeah, yeah, yeah, yeah,
I'm down

Day Tripper

Got a good reason
for taking the easy way out
Got a good reason
for taking the easy way out now
She was a day tripper
One way ticket, yeah
It took me so long to find out
and I found out

She's a big teaser
She took me half the way there
She's a big teaser
She took me half the way there, now
She was a day tripper
One way ticket, yeah
It took me so long to find out
and I found out
Ah, ah, ah, ah, ah, ah

Tried to please her
She only played one night stand
Tried to please her
She only played one night stand, now
She was a day tripper
One way ticket, yeah
It took me so long to find out
and I found out

Day tripper, day tripper, yeah

We Can Work It Out

Try to see it my way
Do I have to keep on talking till I can't go on
While you see it your way
Run the risk of knowing that or love may soon be gone
We can work it out
We can work it out

Think of what you're saying
You can get it wrong and still you think that it's all right
Think of what I'm saying
We can work it out and get it straight or say good night
We can work it out
We can work it out

Life is very short and there's no time
for fussing and fighting, my friend
I have always thought that it's a crime
So I will ask you once again

Try to see it my way
Only time will tell of I am right or I am wrong
While you see it your
There's a chance we might fall apart before too long
We can work it out
We can work it out

Life is very short and there's no time
for fussing and fighting, my friend
I have always thought that it's a crime
So I will ask you once again

Think of what you're saying
You can get it wrong and still you think that it's all right
Think of what I'm saying
We can work it out and get it straight or say good night
We can work it out
We can work it out

Rain

If the rain comes
they run and hide their heads
They might as well be dead
If the rain comes
If the rain comes

When the sun shines
they slip into the shade
and sip their lemonade
When the sun shines
When the sun shines

Rain, I don't mind
Shine, the weather's fine

I can show you
that when it starts to rain
everything's the same
I can show you
I can show you

Rain, I don't mind
Shine, the weather's fine

Can you hear me
that when it rains and shines
it's just a state of mind
Can you hear me

Lady Madonna

Lady Madonna, children at your feet
Wonder how you manage to make ends meet
Who find the money when you pay the rent
Did you think that money was heaven sent

Friday night arrives without a suitcase
Sunday morning creeping like a nun
Monday's child has learned to tie his bootlegs
See how they run

Lady Madonna, baby at your breast
Wonders how you manage to feed the rest
Pa pa pa pa...
See how they run

Lady Madonna lying on the bed
Listen to the music playing in your head

Tuesday afternoon is never ending
Wednesday morning papers didn't come
Thursday night you stocking needed mending
See how they run

Lady Madonna, children at your feet
Wonder how you manage to make ends meet

The Inner Light (Harrison)

Without going out of my door
I can know all things of earth
With out looking out of my window
I could know the ways of heaven

The farther one travels
The less one knows
The less one really knows

Without going out of my door
You can know all things of earth
With out looking out of my window
You could know the ways of heaven

The farther one travels
The less one knows
The less one really knows

Arrive without travelling
See all without looking
Do all without doing

Hey Jude

Hey Jude, don't make it bad
take a sad song and make it better
Remember to let her into your heart
Then you can start to make it better

Hey Jude, don't be afraid
You were made to go out and get her
The minute you let her under your skin
The you begin to make it better

And anytime you feel the pain
Hey Jude refrain
don't carry the world upon your shoulders
For now you know that it's a fool
who plays it cool
By marking his world a little colder
Da da da da da
da da da da

Hey Jude don't let me down
You have found her, now go and get her
Remember to let get into your heart
then you can start to make it better

So let it out and let it in
Hey Jude begin
You're waiting for someone to perform with
And don't you know that it's just you
Hey Jude, you'll do
The movement you need is on your shoulder
Da da da da da
da da da da yeah

Hey Jude
Hey Jude, don't make it bad
take a sad song and make it better
Remember to let her under your skin
Then you can begin to make it better
Better, better, better, better, better, oh

Da, da da da da da da
da da da da, hey Jude
Da, da da da da da da
da da da da, hey Jude
Da, da da da da da da
da da da da, hey Jude

Revolution

You say you want a revolution
Well, you know
We all want to change the world
You tell me that it's evolution
Well, you know
We all want to change the world
But when you talk about destruction
Don't you know that you can count me out
Don't you know it's gonna be all right
all right, all right

You say you got a real solution
Well, you know
We'd all love to see the plan
You ask me for a contribution
Well, you know
We're doing what we can
But when you want money
for people with minds that hate
All I can tell is brother you have to wait
Don't you know it's gonna be all right
all right, all right
Ah

ah, ah, ah, ah, ah...

You say you'll change the constitution
Well, you know
We all want to change your head
You tell me it's the institution
Well, you know
You better free you mind instead
But if you go carrying pictures of chairman Mao
You ain't going to make it with anyone anyhow
Don't you know it's gonna be all right
all right, all right
all right, all right, all right
all right, all right, all right

Get Back

Jo Jo was a man who thought he was a loner
But he knew it couldn't last
Jo Jo left his home in Tucson, Arizona
for some California grass

Get back, get back
Get back to where you once belonged
Get back, get back
Get back to where you once belonged
Get back Jo Jo

Go home
Get back, get back
Back to where you once belonged
Get back, get back
Back to where you once belonged
Get back Jo

Sweet Loretta Martin thought she was a woman
But she was another man
All the girls around her say she's got it coming
But she gets it while she can

Get back, get back
Get back to where you once belonged
Get back, get back
Get back to where you once belonged
Get back Loretta

Ah, get back
Yeah, get back
Get back to where you once belonged
Yeah get back
Get back to where you once belonged
Get back, Ooo

Get back, Loretta,
Your mommy's waiting for you,
Wearin' her high heel shoes and her low neck sweater,
Get back home, Loretta
Get back, get back, get back to where you once belonged.
Get back, get back, get back...

Don't Let Me Down

Don't let me down
Hey, don't let me down
Don't let me down
Don't let me down

Nobody ever loved me like she does
Oo she does, yes she does
And if somebody loved me like she do me
Oo she do me, you she does

Don't let me down
Hey, don't let me down
Don't let me down
Don't let me down

I'm in love for the first time
Don't you know it's gonna last
It's a love that lasts forever
It's a love that had no past

Don't let me down
Hey, don't let me down
Don't let me down
Don't let me down

And from the first time that she really done me
Oo she done me, she done me good
I guess nobody ever really done me
Oo she done me, she done me good

Don't let me down
Hey, don't let me down
Don't let me down
Don't let me down

I'm in love for the first time
Don't you know it's gonna last
It's a love that lasts forever
It's a love that had no past

Don't let me down
Hey, don't let me down
Don't let me down
Don't let me down
Hey hey ah
Don't let me down

The Ballad Of Yohn And Yoko

Standing in the dock at Southampton
trying to get to Holland or France
The man in the mac said
you've got to go back
You know they didn't even give us a chance

Christ you know it ain't easy
You know how hard it can be
The way things are going
They're going to crucify me

Finally made the plane into Paris
Honeymooning down by the Seine
Peter Brown call to say
you can make it O.K.
You can get married in Gibraltar near Spain

Christ you know it ain't easy
You know how hard it can be
The way things are going
They're going to crucify me

Drove from Paris to the Amsterdam Hilton
Talking in our beds for a week
The newspapers said
say what're you doing in bed
I said we're only trying to get us some peace

Christ you know it ain't easy
You know how hard it can be
The way things are going
They're going to crucify me

Saving up your money for a rainy day
giving all your clothes to charity
Last night the wife said
Oh boy when you're dead
you don't take nothing with you but your soul, think

Made a lightning trip to Vienna
Eating chocolate cake in a bag
The newspapers said
she's gone to his head
They look just like to Gurus in drag

Christ you know it ain't easy
You know how hard it can be
The way things are going
They're going to crucify me

Caught the early plane back to London
Fifty acorns tied in a sack
The men from the press
said we wish you successs

It's good to have the both of you back

Christ you know it ain't easy
You know how hard it can be
The way things are going
They're going to crucify me
The way things are going
They're going to crucify me

Old Brown Shoe (Harrison)

I want a love that's right
Right is only half of what's wrong
I want a short-haired girl
who sometimes wears it twice as long
Now I'm stepping out this old brown shoe
Baby I'm in love with you
I'm so glad you came here
It won't be the same now, I'm telling you

Pick me up from where
some try to drag me down
And when I see your smile
replacing every thoughtless frown
So escaping from this zoo
Baby I'm in love with you
I'm so glad you came here
it won't be the same now when I'm with you

If I grow up I'll be a singer
wearing rings on every finger
Not worrying what they or you'll say
I'll live and love and maybe some day
who knows baby, you may comfort me, heh

I may appear to be imperfect
my love is something you can't reject
I'm changing faster than the weather
If you and me should get together
Who knows baby, you may comfort me

I know my love is yours to miss
that love is something I'd hate
I'll make an early start
I'm making sure that I'm not late
For you sweet top lip I'm in the queue
Baby I'm in love with you
I'm so glad you came here
it won't be the same now when I'm with you

I'm so glad you came here
it won't be the same now when I'm with you
Yeah, yeah, yeah
Tu la, tu ru tu

Across The Universe

Words are flying out like
endless rain into a paper cup
They slither while they pass
They slip away across the universe
Pools of sorrow waves of joy
are drifting thorough my open mind
Possessing and caressing me

Jai guru deva om
Nothing's gonna change my world
Nothing's gonna change my world
Nothing's gonna change my world
Nothing's gonna change my world

Images of broken light which
dance before me like a million eyes
That call me on and on across the universe
Thoughts meander like a
restless wind inside a letter box
they tumble blindly as
they make their way across the universe

Jai guru deva om
Nothing's gonna change my world
Nothing's gonna change my world
Nothing's gonna change my world
Nothing's gonna change my world

Sounds of laughter shades of life
are ringing through my open ears
exciting and inviting me
Limitless undying love which
shines around me like a million suns
It calls me on and on across the universe

Jai guru deva om
Nothing's gonna change my world
Nothing's gonna change my world
Nothing's gonna change my world
Nothing's gonna change my world

Let It Be

When I find myself in times of trouble
Mother Mary comes to me
Speaking words of wisdom
Let it be
And in my hour of darkness
She is standing right in front of me
Speaking words of wisdom
Let it be

Let it be, let it be
Let it be, let it be
Whisper words of wisdom
Let it be

And when the broken hearted people
Living in the world agree
There will be an answer
Let it be
For though they may be parted there is
still a chance that they will see
There will be an answer
Let it be

Let it be, let it be
Let it be, let it be
yeah, there will be an answer
Let it be
Let it be, let it be
Let it be, let it be
Whisper words of wisdom
Let it be

Let it be, let it be
Let it be, let it be
Whisper words of wisdom
Let it be

And when the night is cloudy
There is still a light that shines on me
Shine until tomorrow
Let it be
I wake up to the sound of music
Mother Mary comes to me
Speaking words of wisdom
Let it be

Let it be, let it be
Let it be, let it be
There will be an answer
Let it be
Let it be, let it be
Let it be, let it be
There will be an answer
Let it be

Let it be, let it be
Let it be, let it be
Whisper words of wisdom
Let it be

The Fool On The Hill

Day after day alone on the hill
The man with the foolish grin
is keeping perfectly still
But nobody wants to know him
They can see that he's just a fool
And he never seem to notice

But the fool on the hill
sees the sun going down
And the eyes in his head
See the world spinning round

Well on the way, his head in a cloud
The man of a thousand voices
is talking perfectly loud
But nobody ever hears him
Or the sound he appears to make
And he never seems to notice

But the fool on the hill
sees the sun going down
And the eyes in his head
See the world spinning round

Oh, round, round, round, round, round
And nobody seems to like him
they can tell what he wants to do
And he never shows his feelings

But the fool on the hill
sees the sun going down
And the eyes in his head
See the world spinning round

Oh, round, round, round, round, round
And he never listen to them
He knows that they're the fools
But they don't like him

The fool on the hill
sees the sun going down
And the eyes in his head
See the world spinning round

Oh, round, round, round, round, round
oh

Your Mother Should Know

Let's all get up and dance to a song
that was a hit before your mother was born
Though she was born a long, long time ago
Your mother should know
Your mother should know

Sing it again
Let's all get up and dance to a song
that was a hit before your mother was born
Though she was born a long, long time ago
Your mother should know
Your mother should know

Lift up your hearts and sing me a song
that was a hit before your mother was born
Though she was born a long, long time ago
Your mother should know
Your mother should know
Your mother should know
Your mother should know

Da da da da da da da da da
da da da da da da da da da da da
Though she was born a long, long time ago

I Am The Walrus

I am he as you are he as you are me
and we are all together
See how they run like pigs from a gun
see how they fly
I'm crying
Sitting on a cornflake
Waiting for the van to come
Corporation T-shirt, stupid bloody Tuesday
Man you've been a naughty boy
you let your face grow long

I am the eggman
they are the eggmen
I am the walrus
Goo goo g' joob

Mr. city policeman sitting
pretty little policemen in a row
See how they fly like Lucy in the sky
See how they run
I'm crying
I'm crying, I'm crying
Yellow matter custard
Dripping from a dead dog's eye
Crabalocker fishwife
Pornographic priestess
Boy, you've been a naughty girl
you let your knickers down

I am the eggman
They are the eggmen
I am the walrus
Goo goo g' joob

Sitting in an English garden
waiting for the sun
If the sun don't shine you get a tan
from standing in the English rain

I am the eggman
They are the eggmen
I am the walrus
Goo goo g' joob

Expert, texpert choking smokers
don't you think the joker laughs at you
See how they smile like pigs in a sty
See how they snide
I'm crying
Semolina pilchard
climbing up the Eiffel tower
Elementary penguin singing Hare Krishna
Man, you should have seen them kicking
Edgar Allan Poe

I am the eggman
They are the eggmen
I am the walrus
Goo goo g' joob

[Boys Choir:]oompah oompah, stick it up your oompah
[Girls Choir:]everyones got one
[talking from Shakespeare's King Lear]
Slave, thou hast slain me:--Villain take my purse:
If ever thou wilt thrive, bury my body;
And five the letters which thou fid'st about me
To Edmund Earl of Gloster; seek him out
Upon the British party:--O untimely death!

I know thee well: a serviceable villain;
As duteous to the vices of thy mistress
As badness would desire.
What, is he dead?
Sit you down, father; rest you.

Strawberry Fields Forever

Let me take you down
cause I'm going to strawberry fields
Nothing is real
and nothing to get hung about
Strawberry fields forever

Living is easy with eyes closed
Misunderstanding all you see
It's getting hard to be someone
but it all works out
It doesn't matter much to me

Let me take you down
cause I'm going to strawberry fields
Nothing is real
and nothing to get hung about
Strawberry fields forever

No one I think is in my tree
I mean it must be high or low
That is you know you can't tune it
but It's all right
That is I think it's not too bad

Let me take you down
cause I'm going to strawberry fields
Nothing is real
and nothing to get hung about
Strawberry fields forever

Always know sometimes think it's me
But you know I know when it's a dream
I think a "No" will mean a "Yes"
but it's all wrong
that is I think I disagree

Let me take you down
cause I'm going to strawberry fields
Nothing is real
and nothing to get hung about
Strawberry fields forever
Strawberry fields forever
strawberry fields forever

Penny Lane

Penny Lane there is a barber showing photographs
of every head he's had the pleasure to know
And all the people that come and go stop to say hello
On the corner is a banker with a motor car
the little children laugh at him behind his back
And the banker never wears a "mac" in the pouring rain
Very strange

Penny Lane is in my ears and in my eyes
Wet beneath the blue suburban skies
I sit and meanwhile back in

Penny Lane there is a fireman with an hourglass
And in his pocket is a portrait of the Queen
He likes to keep his fire engine clean
It's clean machine

Penny Lane is in my ears and in my ears
Full of fish and finger pies
in summer meanwhile back

Behind the shelter in the middle of the roundabout
A pretty nurse is selling poppies from a tray
And though she feels as if she's in a play
She is anyway
Penny Lane, the barber shaves another customer
We see the banker sitting waiting for a trim
And then the fireman rushes in from the pouring rain
very strange

Penny Lane is in my ears and in my eyes
Wet beneath the blue suburban skies
I sit and meanwhile back
Penny Lane is in my ears and in my eyes
There beneath the blue suburban skies
Penny Lane

Baby You're A Rich Man

How does it feel to be
One of the beautiful people
Now that you know who you are
What do you want to be
And have you traveled very far
far as the eye can see

How does it feel to be
One of the beautiful people
How often have you been there
Often enough to know
What did you see when you were there
Nothing that doesn't show

Baby you're a rich man
Baby you're a rich man
Baby you're a rich man, too
You keep all your money in a big brown bag
inside a zoo, what a thing to do
Baby you're a rich man
Baby you're a rich man
Baby you're a rich man, too

How does it feel to be
One of the beautiful people
Tuned to a natural E
happy to be that way
Now that you've found another key
What are you going to play

Baby you're a rich man
Baby you're a rich man
Baby you're a rich man, too
You keep all your money in a big brown bag
inside a zoo, what a thing to do
Baby you're a rich man
Baby you're a rich man
Baby you're a rich man, too

All You Need Is Love

Love, love, love
Love, love, love
Love, love, love

There's nothing you can do that can't be done
Nothing you can sing that can't be sung
Nothing you can say but you can learn how to play the game
It's easy

There's nothing you can make that can't be made
No one you can save that can't be saved
Nothing you can do but you can learn how to be you in time
It's easy

All you need is love
All you need is love
All you need is love, love
Love is all you need

Love, love, love
Love, love, love
Love, love, love

All you need is love
All you need is love
All you need is love, love DEL
Love is all you need

There's nothing you can know that isn't known
Nothing you can see that isn't shown
No where you can be that isn't where you're meant to be
It's easy

All you need is love
All you need is love
All you need is love, love
Love is all you need

All you need is love
All you need is love
All you need is love, love
Love is all you need
Love is all you need
That is all you need
That is all you need
That is all you need
That is all you need

Dear Prudence

Dear Prudence won't you come out to play
Dear Prudence greet the brand new day
The sun is up the sky is blue
It's beautiful and so are you
Dear Prudence won't you come out to play

Dear Prudence open up your eyes
Dear Prudence see the sunny skies
The wind is low the birds will sing
That you are part of everything
Dear Prudence, won't you open up your eyes

Look around round
Look around round round
Look around

Dear Prudence let me see your smile
Dear Prudence like a little child
The clouds will be a daisy chain
So let me see your smile again

Glass Onion

I told you about strawberry fields
You know the place where nothing is real
Well here's another place you can go
Where everything flows
Looking through the bent backed tulips
To see how the other half live
Looking through a glass onion

I told you about the walrus and me, man
You know that we're as close as can be, man
Well here's another clue for you all
The walrus is Paul
Standing on the cast iron shore, yeah
Lady Madonna trying to make ends meet, yeah
Looking through a glass onion
Oh yeah, oh yeah, oh yeah
Looking through a glass onion

I told you about the fool on the hill
I tell you man he's living there still
Well here's another place you can be
Listen to me
Fixing a hole in the ocean
Tryin' to make a dovetail joint
Looking through a glass onion

Ob-La-Di, Ob-La-Da

Desmond has a barrow in the marketplace
Molly is the singer in a band
Desmond say to Molly, girl I like you face
And Molly says this as she takes him by the hand

Ob-la-di, ob-la-da,
Life goes on, bra
La la how the life goes on
Ob-la-di, ob-la-da
Life goes on, bra
La la how the life goes on

Desmond take a trolley to the jewelers store
Buys a twenty carat golden ring, (rin-ring)
Takes it back to Molly waiting at the door
And as he gives it to her she begins to sing (sin-sing)

Ob-la-di, ob-la-da
Life goes on, bra
La la how the life goes on
Ob-la-di, ob-la-da
Life goes on, bra
La la how the life goes on

Yeah, In a couple of years they
have built a home sweet home
With a couple of kids running in the yard
of Desmond and Molly Jones

Happy ever after in the market place
Desmond lets the children lend a hand
Molly stays at home and does her pretty face
And in the evening she's a singer with the band

Ob-la-di, ob-la-da
Life goes on, bra
La la how the life goes on
Ob-la-di, ob-la-da
Life goes on, bra
La la how the life goes on

Happy ever after in the market place
Molly lets the children lend a hand
Desmond stays at home and does his pretty face
And in the evening she's a singer with the band

Ob-la-di, ob-la-da
Life goes on, bra
La la how the life goes on
Ob-la-di, ob-la-da
Life goes on, bra
La la how the life goes on
And if you want some fun
take Ob-la-di-bla-da

The Continuing Story Of Bungalow Bill

Hey, Bungalow Bill
What did you kill, Bungalow Bill
Hey Bungalow Bill
What did you kill, Bungalow Bill

He went out tiger hunting with his elephant and gun
In case of accidents he always took his mom
He's the all American bullet-headed Saxon mother's son
All the children sing

Hey, Bungalow Bill
What did you kill, Bungalow Bill
Hey Bungalow Bill
What did you kill, Bungalow Bill

Deep in the jungle where the mighty tiger lies
Bill and his elephants were taken by surprise
So Captain Marval zapped him right between the eyes
All the children sing

Hey, Bungalow Bill
What did you kill, Bungalow Bill
Hey Bungalow Bill
What did you kill, Bungalow Bill

The children asked him if to kill was not a sin
"Not when he looked so fierce" his mommy butted in
If looks could kill it would have been us instead of him
All the children sing

Hey, Bungalow Bill
What did you kill, Bungalow Bill
Hey Bungalow Bill
What did you kill, Bungalow Bill
Hey, Bungalow Bill
What did you kill, Bungalow Bill
Hey Bungalow Bill
What did you kill, Bungalow Bill
Hey, Bungalow Bill
What did you kill, Bungalow Bill
Hey Bungalow Bill
What did you kill, Bungalow Bill
Hey, Bungalow Bill
What did you kill, Bungalow Bill
Hey Bungalow Bill
What did you kill, Bungalow Bill

While My Guitar Gently Weeps

I look at you all see the love there that's sleeping
While my guitar gently weeps
I look at the floor and I see it need sweeping
Still my guitar gently weeps

I don't know why nobody told you
how to unfold you love
I don't know how someone controlled you
they bought and sold you

I look at the world and I notice it's turning
While my guitar gently weeps
With every mistake we must surely be learning
Still my guitar gently weeps

I don't know how you were diverted
you were perverted too
I don't know how you were inverted
no on altered you

I look at you all see the love there that's sleeping
While my guitar gently weeps
I look at you all
Still my guitar gently weeps

Oh, oh, oh
oh oh oh oh oh oh oh
oh oh, oh oh, oh oh
Yeah yeah yeah yeah
yeah yeah yeah yeah

Happiness Is A warm Gun

She's not a girl who misses much
Do do do do do do
oh, yeah
She's well acquainted with
the touch of the velvet hand
Like a lizard on a window pane
The man in the crowd with the
multicolored mirror on his hobnail boots
Lying with his eyes while his
hands are busy working overtime
A soap impression of his wife which
he ate and donated to the National Trust

I need a fix cause I'm going down
Down to the bits that I left uptown
I need a fix cause I'm going down
Mother Superior jump the gun
Mother Superior jump the gun
Mother Superior jump the gun
Mother Superior jump the gun
Mother Superior jump the gun
Mother Superior jump the gun

Happiness is a warm gun
Happiness is a warm gun mama
When I hold you in my arms
and I feel my finger on you trigger
I know nobody can do no harm
Because Happiness is a warm gun mama
Happiness is a warm gun, yes it is
Happiness is a warm, yes it is, gun
Ah, don't you know that
Happiness is a warm gun mama

Martha My Dear

Martha my dear though I
spend days in conversation

That you and me were meant to be
for each other silly girl

Hold your hand out you silly girl

I'm So Tired

I'm so tired, I haven't slept a wink
I'm so tired, my mind is on the blink
I wonder should I get up and fix myself a drink
No, no, no

I'm so tired, I don't know what to do
I'm so tired, my mind is set on you
I wonder should I call you but I know what you'd do
You'd say I'm putting you on
But it's no joke
It's doing me harm, you know I can't sleep
I can't stop my brain, you know it's three weeks
I'm going insane
You know I'd give you everything I've got
for a little peace of mind

I'm so tired, I'm feeling so upset
Although I'm so tired, I'll have another cigarette
And curse Sir Walter Raleigh
He was such a stupid get
You'd say I'm putting you on
But it's no joke
It's doing me harm, you know I can't sleep
I can't stop my brain, you know it's three weeks
I'm going insane
You know I'd give you everything I've got
for a little peace of mind
give you everything I've got for a little peace of mind
give you everything I've got for a little peace of mind

Blackbird

Blackbird singing in the dead of night
Take these broken wings and learn to fly
All you life
You were only waiting for this moment to arise

Blackbird singing in the dead of night
Take these sunken eyes and learn to see
All you life
You were only waiting for this moment to be free

Blackbird fly, blackbird fly
Into the light of the dark black night
Blackbird fly, blackbird fly
Into the light of the dark black night
You were only waiting for this moment to arise
You were only waiting for this moment to arise

Piggies (Harrison)

Have you see the little piggies
crawling in the dirt
And for all the little piggies
Life is getting worse
Always having dirt
to play around in

Have you see the bigger piggies
In their starched white shirts
You will find the bigger piggies
Stirring up the dirt
Always have clean shirts
to play around in

In their sties with all their backing
They don't care what goes on around
In their eyes there's something lacking
What they need's a darn good whacking

Everywhere there's lots of piggies
Living piggy lives
You can see them out for dinner
With their piggy wives
Clutching forks and knives
to eat their bacon

One more time

Rocky Raccoon

Now somewhere in the black mountain hills of Dakota,
There lived a young boy named Rocky Raccoon(na)
And one day his woman ran off with another guy
Hit young Rocky in the eye
Rocky didn't like that he said I'm gonna get that boy
so one day he walked into town
Booked himself in the local saloon

Rock Raccoon checked into his room
Only to find Gideon's bible
Rocky hand come equipped with the gun
to shoot off the legs of his rival

His rival it seems had broken his dreams
By stealing the girls of his dreams
Her name was Magill, and she called herself Lil
But everyone knew her as Nancy

Now she and her man who called himself Dan
Were in the next room at the hoe-down
Rocky burst in and grinning a grin
He said Danny boy this is a show down

Daniel was hot he drew first and shot
And Rocky collapsed in the corner
Da, da, da, da, da

Now the doctor came in stinking of gin
And proceeded to lie on the table
He said Rocky you met your match
And Rocky said, Doc it's only a scratch
And I'll be better
I'll be better doc as soon as I am able

And now Rocky Raccoon he fell back in his room
only to find Gideon's bible
Gideon checked out and he left it no doubt
To help with good Rocky's revival
Ah, oh yeah, yeah
Da, da, da, da

Don't Pass Me By (Starkey)

I listen for your foot steps
Coming up the drive
Listen for you foot steps
But they don't arrive
Waiting for you knock, dear
on my old front door
I don't hear it
Does it mean you don't love me anymore

I hear the clock a ticking
on the mantel shelf
See the hands a moving
But I'm by myself
I wonder where you are tonight
And why I'm by myself
I don't see you
Does it mean you don't love me anymore

Don't pass me by
don't make me cry
don't make me blue
'Cause you know darling I love only you
You'll never know it hurt me so
How I hate to see you go
Don't pass my by
Don't make me cry

I'm sorry that I doubted you
I was so unfair
You were in a car crash
And you lost you hair
You said that you would be late
About an hour or two
I said that's all right
I'm waiting here just waiting to hear from you

Don't pass me by
don't make me cry
don't make me blue
'Cause you know darling I love only you
You'll never know it hurt me so
How I hate to see you go
Don't pass my by
Don't make me cry

One two three four
five six seven eight
Wu
Don't pass me by
don't make me cry
don't make me blue
'Cause you know darling I love only you
You'll never know it hurt me so
How I hate to see you go

Don't pass my by
Don't make me cry

Why Don't We Do It In The Road

Why don't we do it in the road
Why don't we do it in the road
Why don't we do it in the road
Why don't we do it in the road
No one will be watching us
Why don't we do it in the road
Why don't we do it in the road
Why don't we do it in the road
Why don't we do it in the road
Why don't we do it in the road
No one will be watching us
Why don't we do it in the road
Why don't we do it in the road
Why don't we do it in the road
Why don't we do it in the road
Why don't we do it in the road
No one will be watching us
Why don't we do it in the road

I Will

Who knows how long I've loved you
You know I love you still
Will I wait a lonely life time
If you want me to I will

For if I ever saw you
I didn't catch your name
But it never really mattered
I will always feel the same

Love you forever and forever
Love you with all my heart
Love you whenever we're together
Love you when we're apart

And when at last I find you
Your song will fill the air
Sing it loud so I can hear you
Make it easy to be near you
For the things you do endear you to me
And you know I will
I will
Ooo, la

Julia

Half of what I say is meaningless
But I say it just to reach you
Julia,

Julia, Julia
ocean child calls me
So I sing a song of love
Julia

Julia
Seashell eyes, windy smile calls me
So I sing a song of love
Julia

Her hair of floating sky is shimmering
Glimmering in the sun

Julia, Julia
Morning moon touch me
So I sing a song of love
Julia

When I cannot sing my heart
I can only speak my mind
Julia

Julia
Sleeping sand, silent cloud touch me
So I sing a song of love
Julia

Hum, calls me
So I sing a song of love for
Julia, Julia, Julia

Don't Bother Me (Harrison)

Since she's been gone
I want no one
to talk to me
It's not the same
but I'm to blame
It's plain to see

So go away and leave me alone
Don't bother me

I can't believe
that she would leave
me on my own
It's just not right
where every night
I'm all alone

I've got no time for you right now
Don't bother me

I know I'll never be the same
If I don't get her back again
because I know she'll always be
The only girl for me

But till she's here
please don't come near
just stay away
I'll let you know
when she's come home
Till that the day

Don't come around leave me alone
Don't bother me

I've got no time for you right now
Don't bother me

I know I'll never be the same
If I don't get her back again
because I know she'll always be
The only girl for me

But till she's here
please don't come near
just stay away
I'll let you know
when she's come home
Till that the day

Don't come around leave me alone
Don't bother me
Don't bother me
Don't bother me

Little Child

Little child, little child
little child won't you dance with me
I'm so sad and lonely
Baby take a chance with me

Little child, little child
little child won't you dance with me
I'm so sad and lonely
Baby take a chance with me

If you want someone to make you feel so fine
Then we'll have some fun when you're mine
So come on, come on, come on

Little child, little child
little child won't you dance with me
I'm so sad and lonely
Baby take a chance with me, wow

When you're by my side you're the only one
Don't you run and hide just come on, come on
So come on, come on, come on

Little child, little child
little child won't you dance with me
I'm so sad and lonely
Baby take a chance with me oh yeah,
baby take a chance with me oh yeah,
Baby take a chance with me oh yeah

Till There Was You (Willson)

There were bells on a hill
But I never heard them ringing
No, I never heard them at all
Till there was you

There were birds in the sky
But I never saw them winging
No, I never saw them at all
Till there was you

Then there was music and wonderful roses
they tell me in in sweet fragrant meadows
of dawn and dew

There was love all around
But I never heard it singing
Bo I never heard it at all
Till there was you

Then there was music and wonderful roses
they tell me in sweet fragrant meadows
of dawn and dew

There was love all around
But I never heard it singing
No I never heard it at all
Till there was you
Till there was you

Roll Over Beethoven (Berry)

Well gonna write a little letter
Gonna mail it to my local D.J.
It's a rockin' little record
I want my jockey to play
Roll over Beethoven
I gotta hear it again today

You know my temperature's risin'
and the jukebox's blowin' a fuse
My hearts beatin' rhythm
and my soul keeps singing the blues
Roll over Beethoven
and tell Tchaikovsky the news

I got a rockin' pneumonia
I need a shot of rhythm and blues
I think I got it off the writer
sittin' down by the rhythm review
Roll over Beethoven
we're rockin' in two by two

Well if you fell you like it
Well get your lover and reel and rock it
roll it over and move on up
just jump around and reel and rock it
roll it over
Roll over Beethoven
a rockin' in two by two , oh

Well early in the mornin'
I'm a givin' you the warnin'
Don't you step on my blue suede shoes
Hey little little
gonna play my fiddle
Ain't got nothing to lost
Roll over Beethoven
and tell Tchaikovsky the news

You know she winks like a glow worm
Dance like a spinnin' top
She got a crazy partner
oughta see 'em reel an rock
Long as she's got a dime
the music will never stop
Roll over Beethoven
Roll over Beethoven
Roll over Beethoven
Roll over Beethoven
Roll over Beethoven
and dig these rhythm and blues

Hold Me Tight

It feels alright now
Hold me tight
Tell me I'm the only one
And then I might
Never be the lonely one

So hold me tight
tonight, tonight
it's you,
you, you ,you, oo

Hold me tight
Let me go on loving you
Tonight, tonight
Making love to only you

So hold me tight

Don't know what it means to hold you tight
Being here alone tonight with you

And then I might
Never be the lonely one

So hold me tight

Tonight, tonight
Making love to only you

So hold me tight

it's you,
you, you ,you, oo
you, oo

You've Really Got A Hold On Me (Robinson)

I don't like you
But I love you
See that I'm always
thinking of you
Oh, oh, oh,
you treat me badly
I love you madly
You've really got a hold on me
You've really got a hold on me, baby

I don't want you,
but I need you
Don't want to kiss you
but I need you
Oh, oh, oh
you do me wrong now
my love is strong now
You've really got a hold on me
You've really got a hold on me, baby

I love you and all I want you to do
is just hold me, hold me, hold me, hold me

I want to leave you
don't want to stay here
Don't want to spend
another day here
Oh, oh, oh, I want to split now
I just can quit now
You've really got a hold on me
You've really got a hold on me, baby

I love you and all I want you to do
is just hold me, hold me, hold me, hold me

You've really got a hold on me
You've really got a hold on me

Devil In Her Heart (Drapkin)

She's got the devil in her heart
But her eyes they tantalize
She's gonna tear your heart apart
oh her lips are really thrilling

I'll take my chances
for romance is
So important to me
She'll never hurt me
she won't desert me
she's an angel sent to me

She's got the devil in her heart
no, no, this I can't believe
She's gonna tear your heart apart
no, no nay will she deceive

I can't believe that she'll ever ever go
Not when she hugs and says she loves me so
She'll never hurt em
she won't desert me
listen can't you see

She's got the devil in her heart
oh, no, no, no, this I can't believe
She's gonna tear your heart apart
no no nay will she deceive

Don't take chances if your romance is
So important to you
She'll never hurt me
She won't desert me
she's an angel sent to me

She's got the devil in her heart
oh, no, no, no, no this I can't believe
She's gonna tear your heart apart
no, no nay will she deceive

She's got the devil in her heart
No she's an angel sent to me
She's got the devil in her heart
No she's an angel sent to me

Not A Second

You know you made me cry
I see no use in wondering why
I cry for you

And now you've changed your mind
I see no reason to change mine
I cry it's through, oh

You're giving me the same old line
I'm wondering why
You hurt me then
You're back again
No, no, no, not a second time
not a second time

You know you made me cry
I see no use in wondering why
I cry for you

And now you've changed your mind
I see no reason to change mine
I cry it's through, oh

You're giving me the same old line
I'm wondering why
You hurt me then
You're back again
No, no, no, not a second time
not a second time
Not the second time
no, no, no, no, no
no, no no

Yer Blues

Yes I'm lonely wanna die
Yes I'm lonely wanna die
If I ain't dead already
Ooh, girl you know the reason why

In the morning wanna die
In the evening wanna die
If I ain't dead already
Ooh, girl you know the reason why

My mother was of the sky
My father was of the earth
But I am of the universe
And you know what it's worth
I'm lonely wanna die
If I ain't dead already
Ooh, girl you know the reason why

The eagle picks my eye
The worm he licks my bone
I feel so suicidal
Just like Dylan's Mr. Jones
Lonely wanna die
If I ain't dead already
Ooh, girl you know the reason why

The black cloud crossed my mind
Blue mist round my soul
Feel so suicidal
Even hate my rock and roll wanna die
Yeah, wanna die
If I ain't dead already
Ooh, girl you know the reason why

Yes, I'm lonely wanna die
Yes, I'm lonely wanna die
If I ain't dead already
Ooh, girl you know the reason why
Yes, I'm lonely wanna die

Mother Nature's Son

Born a poor young country boy
Mother Nature's Son
All day long I'm sitting
singing songs for every one

Sit beside a mountain stream
See her waters rise
Listen to the pretty
sound of music as she flies
tu tu tu, tu, du tu

Find me in my field of grass
Mother Nature's Son
swaying daisies sing
a lazy song beneath the sun
tu tu, yeah yeah yeah

Ooo
Ooo
Ah, Mother Nature's Son
Get Back

Everybody's Got Something To Hide Except Me And My Monkey

Take it easy

Everybody's got something to hide
except for me and my monkey
Hey

the higher you fly
The higher you fly

So come on, come on
Come on is such a joy
come on is such a joy
come on it make it easy
come on is make it easy
Take it easy
Take is easy
Everybody's got something to hide
except for me and my monkey

and your outside is in
Your outside is in

So come on, ha, come on, ha
Come on is such a joy

Take it easy

Everybody's got something to hide
except for me and my monkey
Hey
Come on, come on, come on, come on...

Sexy Sadie what have you done
You made a fool of everyone
You made a fool of everyone
Sexy Sadie, ooh, what have you done

Sexy Sadie you broke the rules
You laid it down for all to see
You laid it down for all to see
Sexy Sadie, ooh, you broke the rules

One sunny day the world was waiting for a lover
She came along to turn on everyone
Sexy Sadie the greatest of them all

Sexy Sadie how did you know
The world was waiting just for you

Sexy Sadie, ooh, how did you know

Sexy Sadie you'll get yours yet
However big you think you are
However big you think you are
Sexy Sadie, ooh, you'll get yours yet

We gave her everything we owned
just to sit at her table
Just a smile would lighten everything
Sexy Sadie she's the latest
and the greatest of them all

Ha, She made a fool of everyone
Sexy Sadie
Ha, However big you think you are
Sexy Sadie

Long Long Long (Harrison)

It's been long long long time
How could I ever have lost you
When I loved you

It took a long long long time
Now I'm so happy I found you
How I love you

So many tears I was searching
So many tears I was wasting
oh, oh

Now I can see you be you
How can I ever misplace you
How I want you
Oh, I love you
you know that I need you
Ooh, I love you

Revolution 1

You say you want a revolution
Well, you know
We all want to change the world
You tell me that it's evolution
Well, you know
We all want to change the world
But when you talk about destruction
Don't you know that you can count me out
Don't you know it's gonna be all right
Don't you know it's gonna be all right
Don't you know it's gonna be all right
Ah

You say you got a real solution
Well, you know
We'd all love to see the plan
You ask me for a contribution
Well, you know
We're doing what we can
But when you want money
for people with minds that hate
All I can tell is brother you have to wait
Don't you know it's gonna be all right
Don't you know it's gonna be all right
Don't you know it's gonna be all right
Ah

You say you'll change the constitution
Well, you know
We all want to change your head
You tell me it's the institution
Well, you know
You better free you mind instead
But if you go carrying pictures of chairman Mao
You ain't going to make it with anyone anyhow
Don't you know it's gonna be all right
Don't you know it's gonna be all right
Don't you know it's gonna be all right
Ah ah ah ah ah ah ah ah ah ah
all right, all right, all right
all right, all right, all right
all right, all right, all right
Ah ah ah ah ah ah ah ah ah ah
all right, all right

Honey Pie

She was a working girl
North of England way
Now she's in the big time
In the USA
And if she could only gear me
this is what I'd say

Honey pie, you are making me crazy
I'm in love, but I'm lazy
So won't you please home

Oh, Honey Pie
My position is tragic
Come and show me the magic
of you Hollywood song

You became a legend of the silver screen
And now the thought of meeting you
makes me weak in the knee

Oh, honey pie
You are driving me frantic
Sail across the Atlantic
To be where you belong
Honey pie, come back to me

Will the wind that blew her boat across the sea
kindly send her sailing back to me
T. T. Tee, Now honey pie
You are making me crazy
I'm in love but I'm lazy
Son won't you please come home
Honey pie, come back to me
Come, come back to me, Honey pie
ha, ha, ha
Honey pie, honey pie

Savoy Truffle (Harrison)

Creme tangerine and montelimar
a ginger sling with a pineapple heart
a coffee dessert yes you know it's good news
But you'll have to have them all pull out
after the Savoy truffle

Cool cherry cream and a nice apple tart
I feel you taste all the time we're apart
Coconut fudge really blows down those blues
But you'll have to have them all pull out
after the Savoy truffle

You might not feel it now
but when the pain cuts through
you're gonna know and how
The sweat is gonna fill you head
when it becomes too much, you'll shout aloud

But you'll have to have them all pull out
after the Savoy truffle

You know that what you eat you are
but what is sweet now turns so sour
We all know ob-bla-di-bla-da
but can you show me where you are

Creme tangerine and montelimar
a ginger sling with a pineapple heart
a coffee dessert yes you know it's good news
But you'll have to have them all pull out
after the Savoy truffle
Yes, you'll have to have them all pull out
after the Savoy truffle

Cry Baby Cry

Cry baby cry
make your mother sigh
She's old enough to know better

The King of Marigold was in the kitchen
cooking breakfast for the queen
The queen was in the parlor playing piano
for the children of the king

Cry baby cry
make your mother sigh
She's old enough to know better
So cry baby cry

The King was in the garden picking flowers
for a friend who came to play
The queen was in the playroom painting pictures
for the children's holiday

Cry baby cry
make your mother sigh
She's old enough to know better
So cry baby cry

The Duchess of Kircaldy always smiling
and arriving late for tea
The duke was having problems with a message
at the local Bird and Bee

Cry baby cry
make your mother sigh
She's old enough to know better
So cry baby cry

At twelve o'clock a meeting 'round the table
for a seance in the dark
With voices out of nowhere put on specially
by the children for a lark

Cry baby cry
make your mother sigh
She's old enough to know better
So cry baby cry
Cry, cry, cry baby
make your mother sigh
She's old enough to know better
Cry baby cry
cry, cry, cry
make your mother sigh
She's old enough to know better
So cry baby cry

Revolution 9

Number nine, number nine
number nine, number nine...

Goodnight

Now it's time to say goodnight
good night sleep tight
Now the sun turns out his light
good night sleep tight
Dream sweet dreams for me
Dream sweet dreams for you

Close your eyes and I'll close mine
Good night sleep tight
Now the moon begins to shine
Good night sleep tight
Dream sweet dreams for me
Dream sweet dreams for you
Mm, mm, mm

Close your eyes and I'll close mine
Good night sleep tight
Now the sun turns out his light
Good night sleep tight
Dream sweet dreams for me
Dream sweet dreams for you
(Good night, good night everybody
everybody everywhere, goodnight)

Yellow Submarine

In the town where I was born
Lived a man who sailed to sea
And he told us of his life
In the land of submarines
So we sailed up to the sun
Till we found a sea of green
And we lived beneath the waves
in our yellow submarine

We all live in a yellow submarine
Yellow submarine, yellow submarine
We all live in a yellow submarine
Yellow submarine, yellow submarine

And our friends are all aboard
Many more of them live next door
And the band begins to play

We all live in a yellow submarine
Yellow submarine, yellow submarine
We all live in a yellow submarine
Yellow submarine, yellow submarine

(Full speed ahead Mr. Boatswain, full speed ahead
Full speed ahead it is, Sgt.
Cut the cable, drop the cable
Aye, Sir, aye
Captain, captain)

As we live a life of ease
Every one of us has all we need
Sky of blue and sea of green
In our yellow submarine

We all live in a yellow submarine
Yellow submarine, yellow submarine
We all live in a yellow submarine
Yellow submarine, yellow submarine
We all live in a yellow submarine
Yellow submarine, yellow submarine

Only A Northern Song (Harrison)

If you're listening to this song
You may think the chords are going wrong
But they're not
He just wrote it like that

When you're listening late at night
You may think the bands are not quite right
But they are
They just play it like that

It doesn't really matter what chords I play
What words I say or time of day it is
As it's only a Northern Song

It doesn't really matter what clothes I wear
or how I fare or if my hair is brown
When it's only a Northern Song

If you think the harmony
Is a little dark and out of key
You're correct
There's nobody there
And I told you there's no one there

Hey Bulldog

Sheep dog standing in the rain
Bull dog doing it again
Some kind of happiness is
measured out in miles
What make you think you're
something special when you smile

Childlike no one understand
Jack knife in your sweaty hands
Some kind of innocence is
measured out in years
You don't know what it's like
to listen to your fears

You can talk to me
You can talk to me
You can talk to me
If you're lonely, you can talk to me

Big man walking in the park
Wigwam frightened of the dark
Some kind of solitude is
measured out in you
You think you know but you haven't got a clue

You can talk to me
You can talk to me
You can talk to me
If you're lonely, you can talk to me

Hey Bulldog

It's All Too Much (Harrison)

It's all too much
It's all too much
When I look into your eyes
You love is there for me
And the more I go inside
the more there is to see

It's all too much for me to take
the love that's shining all around you
Everywhere it's what you make for us to take
it's all too much

Floating down the stream of time
form life to life with me
Makes no difference where you are
or where you'd like to be

It's all too much for me to take
the love that's shining all around you
All the world is birthday cake
so take a piece but not too much

Sell me on a silver sun
where I know that I'm free
Show me that I'm everywhere
and get me home for tea

It's all too much for me to see
the love that's shining all around you
The more I learn, the less I know
and what I do it's all too much

It's all too much for me to take
the love that's shining all around you
Everywhere it's what you make for us to take
it's all too much

It's all too much
It's all too much

With your long blonde hair and your eyes of blue
With your long blonde hair and your eyes of blue
You're too much

All You Need Is Love

Love, love, love
Love, love, love
Love, love, love

There's nothing you can do that can't be done
Nothing you can sing that can't be sung
Nothing you can say but you can learn how to play the game
It's easy

There's nothing you can make that can't be made
No one you can save that can't be saved
Nothing you can do but you can learn how to be you in time
It's easy

All you need is love
All you need is love
All you need is love, love
Love is all you need

Love, love, love
Love, love, love
Love, love, love

All you need is love
All you need is love
All you need is love, love
Love is all you need

There's nothing you can know that isn't known
Nothing you can see that isn't shown
No where you can be that isn't where you're meant to be
It's easy

All you need is love
All you need is love
All you need is love, love
Love is all you need

All you need is love
All you need is love
All you need is love, love
Love is all you need
Love is all you need
That is all you need
That is all you need
That is all you need
That is all you need

No Reply

This happened once before
when I came to your door
No reply
They said it wasn't you
but I saw you peep through
your window

I saw the light
I saw the light
I know that you saw me
'cause I looked up to see
your face

I tried to telephone
They said you were not home
that's a lie
'cause I know where you've been
I saw you walk in
your door

I nearly died
I nearly died
'cause you walked hand in hand
with another man
in my place

If I were you
I'd realize that I
love you more
than any other guy
And I'll forgive
the lies that I
heard before
when you gave me no reply

I tried to telephone
They said you were not home
that's a lie
'cause I know where you've been
I saw you walk in
your door

I nearly died
I nearly died
'cause you walked hand in hand
with another man
in my place

I'm A Loser

I'm a loser
I'm a loser
And I'm not what I appear to be

Of all the love I have won or have lost
there is one love I should never have crossed
She was a girl in a million, my friend
I should have known she would win in the end

I'm a loser
And I lost someone who's near to me
I'm a loser
And I'm not what I appear to be

Although I laugh and I act like a clown
Beneath this mask I am wearing a frown
My tears are falling like rain from the sky
Is it for her or myself that I cry

I'm a loser
And I lost someone who's near to me
I'm a loser
And I'm not what I appear to be

What have I done to deserve such a fate
I realize I have left it too late
And so it's true, pride comes before a fall
I'm telling you so that you won't lose all

I'm a loser
And I lost someone who's near to me
I'm a loser
And I'm not what I appear to be

Baby's In Black

Oh dear, what can I do
Baby's in black and I'm feeling blue
Tell me, oh, what can I do
She thinks of him
and so she dressed in black
And though he'll never come back
she's dressed in black

Oh, dear, what can I do
baby's in black and I'm feeling blue
Tell me oh, what can I do?

I think of her
but she thinks only of him
And though it's only a whim,
she thinks of him

Oh, how long will it take
till she sees the mistake she has made?
Dear, what can I do
Baby's in black and I'm feeling blue
Tell me oh, what can I do

She thinks of him
and so she dresses in black
And though he'll never come back
she's dressed in black

Oh, dear what can I do
Baby's in black and I'm feeling blue
Tell me oh, what can I do?

Rock And Roll Music

Just let me hear some of that rock and roll music
Any old way you choose it
It's got a back beat, you can't lose it,
Any old time you use it
It's gotta be rock roll music
If you wanna dance with me
If you wanna dance with me

I've got no kick against modern jazz
Unless they try to play it too darn fast
And change the beauty of the melody
Until they sound just like a symphony

That's why I go for that that rock and roll music
Any old way you choose it
It's got a back beat, you can't lose it,
Any old time you use it
It's gotta be rock roll music
If you wanna dance with me
If you wanna dance with me

I took my loved one over 'cross the tracks
So she can hear my man a-wail a sax
I must admit they have a rockin' band
Man, they were goin' like a hurrican'

That's why I go for that that rock and roll music
Any old way you choose it
It's got a back beat, you can't lose it,
Any old time you use it
It's gotta be rock roll music
If you wanna dance with me
If you wanna dance with me

Way down South they gave a jubilee
The jokey folks they had a jamboree
They're drinkin' home brew from a water cup
The folks dancin' got all shook up

And started playin' that that rock and roll music
Any old way you choose it
It's got a back beat, you can't lose it,
Any old time you use it
It's gotta be rock roll music
If you wanna dance with me
If you wanna dance with me

Don't care to hear 'em play a tango
I'm in the mood to gear a mambo
It's way to early for a congo
So keep a rockin' that piano
So I can gear some of that

Rock and roll music

Any old way you choose it
It's got a back beat, you can't lost it,
Any old time you use it
It's gotta be rock roll music
If you wanna dance with me
If you wanna dance with me

I'll Follow The Sun

One day you'll look to see I've gone
For tomorrow may rain,
so I'll follow the sun

Some day you'll know I was the one
But tomorrow may rain,
so I'll follow the sun

And now the time has come
and, my love, I must go
And though I lose a friend
In the end you will know, oh

One day you'll find that I have gone
But tomorrow may rain,
so I'll follow the sun
But tomorrow may rain,
so I'll follow the sun

And now the time has come
and, my love, I must go
And though I lose a friend
In the end you will know, oh

One day you'll find that I have gone
But tomorrow may rain,
so I'll follow the sun

Mr. Moonlight (Johnson)

Mister Moonlight
You came to me
one summer night
And from your beam you made my dream
And from the world you sent my girl
And from above you sent us love
And now she in mine
I think you're fine
because we love you
Mister Moonlight

Mister Moonlight,
come again please
here I am on my knees
beggin if you please

And the night you don't come my way
I pray and pray more each day
because we love you
Mister Moonlight

And the night you don't come my way
I pray and pray more each day
because we love you
Mister Moonlight
Mister Moonlight
Mister Moonlight

Words Of Love (Holly)

Hold me close and tell me how you feel
Tell me love is real

Words of love you whisper soft and true
Darling I love you

the words I long to hear
Darling when you're near
um, um, um, um

Words of love you whisper soft and true
Darling I love you
um, um, um, um
um, um, um
ah, ah, ah

Honey Don't (Perkins)

Well, how come you say you will when you won't?
Say you do, baby when you don't
Let me know, honey, how you feel
Tell the truth now, is love real?

Well, honey don't
Well, honey don't
Honey don't
Honey don't
Honey don't
I say you will when you won't
aw, aw, honey don't

I like the way that you wear your clothes
Everything about you is so doggone sweet
You got that sand all over your feet
so, aw, aw

Well, honey don't
Honey don't
Honey don't
Honey don't
Honey don't
I say you will when you won't

Uh huh, baby you been slipping around

Honey don't
Honey don't
Honey don't
I say you will when you won't
aw, aw, honey don't

Well, honey don't
Well, honey don't
a little, little, honey don't
I say, you will when you won't
Aw, aw, honey don't

Every Little Thing

When I'm walking beside her
People tell me I'm lucky
Yes, I know I'm a lucky guy
I remember the first time
I was lonely without her
Yes, I'm thinking about her now

Every little thing she does
she does for me, yeah
And you know the things she does
she does for me, woo

When I'm with her I'm happy
Just to know that she loves me
Yes, I know that she loves me now
There is one thing I'm sure of
I will love her forever
For I know love will never die

Every little thing she does
she does for me, yeah
And you know the things she does
she does for me, woo

Every little thing she does
she does for me, yeah
And you know the things she does
she does for me, woo
Every little thing
Every little thing

I Don't Want To Spoil The Party

I don't want to spoil the party so I'll go
I would hate my disappointment to show
There's nothing for me here
So I will disappear
If she turns up while I'm gone,
please let me know

I've had a drink or two and I don't care
There's no fun in what I do if she's not there
I wonder what went wrong
I've waited far too long
I think I'll take a walk and look for her

Though tonight she's made me sad
I still love her
If I find her I'll be glad
I still love her

I don't want to spoil the party so I'll go
I would hate my disappointment to show
There's nothing for me here
So I will disappear
If she turns up while I'm gone,
please let me know

Though tonight she's made me sad
I still love her
If I find her I'll be glad
I still love her

I've had a drink or two and I don't care
There's no fun in what I do if she's not there
I wonder what went wrong
I've waited far too long
I think I'll take a walk and look for her

What You're Doing

Look, what you're doing
I'm feeling blue and lonely
Would it be too much to ask of you
what you're doing to me

You got me running
and there's no fun in it
Why should it be too much to ask of you
what you're doing to me

I've been waiting here for you
wondering what you're gonna do
should you need a love that's true
it's me

Please stop your lying
you got me crying, girl
Why should it be too much to ask of you
what you're doing to me

I've been waiting here for you
wondering what you're gonna do
should you need a love that's true
it's me

Please stop your lying
you got me crying, girl
Why should it be too much to ask of you
what you're doing to me
What you're doing to me
What you're doing to me

Everybody's Trying To Be My Baby
(Perkins)

Well they took some honey from a tree
Dressed it up and they called it me

Everybody's trying to be my baby
Everybody's trying to be my baby
Everybody's trying to be my baby, now

Well half past nine, half past four
fifty women knocking on my door

Everybody's trying to be my baby
Everybody's trying to be my baby
Everybody's trying to be my baby, now

Went out last night, I didn't stay late
'fore I got home I had nineteen dates

Everybody's trying to be my baby
Everybody's trying to be my baby
Everybody's trying to be my baby, now

Went out last night, I didn't stay late
'fore I got home I had nineteen dates

Well they took some honey from a tree
Dressed it up and they called it me

Everybody's trying to be my baby
Everybody's trying to be my baby
Everybody's trying to be my baby, now

With A Little Help From My Friends

What would you think if I sang out of tune
Would you stand up and walk out on me
Lend me your ears and I'll sing you a song
And I'll try not to sing out of key

Oh, I get by with a little help from my friends
Mm, I get high with a little help from my friends
Mm, gonna try with a little help from my friends

What do I do when my love is away
Does it worry you to be alone?
How do I feel by the end of the day
Are you sad because you're on your own

No, I get by with a little help from my friends
Mm, I get high with a little help from my friends
Mm, gonna try with a little help from my friends

Do you need anybody
I need somebody to love
Could it be anybody
I want somebody to love

Would you believe in a love at first sight
Yes, I'm certain that it happens all the time
What do you see when you turn out the light
I can't tell you but I know it's mine

Oh, I get by with a little help from my friends
Mm, I get high with a little help from my friends
Mm, gonna try with a little help from my friends

Do you need anybody
I just need someone to love
Could it be anybody
I want somebody to love

Oh, I get by with a little help from my friends
Mm, I get high with a little help from my friends
Mm, gonna try with a little help from my friends
Yes I get by with a little help from my friends
With a little help from my friends

Lucy In The Sky With Diamonds

Picture yourself on a boat in a river
With tangerine trees and marmalade skies
Somebody calls you, you answer quite slowly
A girl with kaleidoscope eyes

Cellophane flowers of yellow and green
Towering over your head
Look for the girl with the sun in her eyes
and she's gone

Lucy in the sky with diamonds
Lucy in the sky with diamonds
Lucy in the sky with diamonds, ah

Follow her down to a bridge by a fountain
Where rocking horse people eat marshmallow pies
Everyone smiles as you drift past the flowers
that grow so incredibly high

Newspaper taxies appear on the shores
Waiting to take you away
Climb in the back with your head in the clouds
and you're gone

Lucy in the sky with diamonds
Lucy in the sky with diamonds
Lucy in the sky with diamonds, ah

Picture yourself in a train in a station
With plasticine porters with looking glass ties
Suddenly someone is there at the turnstile
The girl with kaleidoscope eyes

Lucy in the sky with diamonds
Lucy in the sky with diamonds
Lucy in the sky with diamonds, ah
Lucy in the sky with diamonds
Lucy in the sky with diamonds
Lucy in the sky with diamonds, ah

Getting Better

It's getting better all the time
I used to get mad at my school
The teachers that taught me weren't cool
You're holding me down
Burning me round
filling me up with the rules

I've got to admit it's getting better
a little better all the time
I have to admit it's getting better
it's getting better since you've been mine

Me used to be angry young man
Me hiding me head in the sand
You gave m the word
I finally heard
I'm doing the best that I can

I've got to admit it's getting better
a little better all the time
I have to admit it's getting better
it's getting better since you've been mine
getting so much better all the time

It's getting better all the time
better, better, better
It's getting better all the time
better, better, better

I used to be cruel to my woman I beat her
and kept her apart from the things that she loved
Man, I was mean but I'm changing my scene
and I'm doing the best that I can

I've got to admit it's getting better
a little better all the time
Yes, admit it's getting better
it's getting better since you've been mine
getting so much better all the time

It's getting better all the time
better, better, better
It's getting better all the time
better, better, better
Getting so much better all the time

Fixing A Hole

I'm fixing a hole where the rain gets in
and stops my mind from wandering
where it will go
I'm filling the cracks that ran through the door
and kept my mind from wandering
where it will go

And it really doesn't matter if I'm wrong
I'm right where I belong
I'm right where I belong
See the people standing there
who disagree and never win
and wonder why they don't get in my door

I'm painting my room in a colorful way,
and when my mind is wandering
there I will go

And it really doesn't matter if I'm wrong
I'm right where I belong
I'm right where I belong
Silly people run around
they worry me and never ask me
why they don't get past my door

I'm taking my time for a number of things
that weren't important yesterday
and I still go

I'm fixing a hole where the rain gets in
and stops my mind from wandering
where it will go
where it will go
I'm fixing a hole where the rain gets in
and stops my mind from wandering
where it will go

She's Leaving Home

Wednesday morning at five o'clock
as the day begins
Silently closing her bedroom door
Leaving the note that she hoped would say more
She goes downstairs to the kitchen
clutching her handkerchief
Quietly turning the back door key
Stepping outside she is free

She (we gave her most of our lives)
is leaving (sacrificed most of our lives)
home (we gave her everything money could buy)
She's leaving home after living alone for
so many years (bye bye)

Father snores as his wife gets into her dressing gown
Picks up the letter that's lying there
Standing alone at the top of the stairs
She breaks down and cries to her husband
Daddy our baby's gone
Why would she treat us so thoughtlessly
How could she do this to me

She (We never thought of ourselves)
is leaving (never a thought for ourselves)
home (we struggled hard all our lives to get by)
She's leaving home after living alone for
so many years (bye bye)

Friday morning at nine o'clock she is far away
Waiting to keep the appointment she made
Meeting a man from the motor trade

She (what did we do that was wrong)

is having (we didn't know it was wrong)
fun (fun is the one thing that money can't buy)
Something inside that was always denied for
so many years (bye bye)
She's leaving home (bye bye)

Being For The Benefit Of Mr. Kite

For the benefit of Mr. Kite
there will be a show tonight on trampoline
The Hendersons will all be there
late of Pablo Fanques' fair, what a scene
Over men and horses hoops and garters
and lastly through a hogshead of real fire
In this way Mr. K will challenge the world

The celebrated Mr. K
performs his feats on Saturday at Bishopsgate
The Hendersons will dance and sing
as Mr. Kite flies through the ring, don't be late
Messers K. and H. assure the public
their production will be second to none
And of course Henry the Horse dances the waltz

The band begins at ten to six
when Mr. K performs his tricks without a sound
And Mr. H will demonstrate
ten somersets he'll undertake on solid ground
Having been some days in preparation
a splendid time is guaranteed for all
And tonight Mr. Kite is topping the bill

Within You Without You (Harrison)

We were talking
about the space between us all
and people who hide themselves
behind a wall of illusion
never glimpse the truth
then it's far too late
when they pass away

We were talking
about the love we all could share
When we find it
to try our best to hold it there
with our love, with our love
we could save the world
if they only knew

Try to realize it's all within yourself
no one else can make you change
And to see you're really only very small
and life flows on within you and without you

We were talking
about the love that's gone so cold
and the people who gain the world
and lose their soul
They don't know, they can't see
Are you one of them

When you've seen beyond yourself
then you may find
peace of mind is waiting there
And the time will come
when you see we're all one
and life flows on within you and without you

When I'm Sixty-Four

When I get older losing my hair
many years from now
will you still be sending me a valentine
birthday greeting, bottle of wine
If I'd been out till quarter to three
would you lock the door
Will you still need me
Will you still feed me
When I'm sixty-four

You'll be older too
And if you say the word
I could stay with you

I could be handy mending a fuse
when your light have gone
You can knit a sweater by the fireside
Sunday mornings, go for a ride
Doing the garden, digging the weeds
Who could ask for more
Will you still need me
Will you still feed me
When I'm sixty-four

Every summer we can rent a cottage on the
Isle of Wight, if it's not too dear
We shall scrimp and save
Grandchildren on your knee
Vera, Chuck, and Dave

Send me a postcard, drop me a line
stating point of view
indicate precisely what you mean to say
yours sincerely wasting away
Give me your answer fill in a form
mine forever more
Will you still need me
Will you still feed me
When I'm sixty-four

Lovely Rita

Lovely Rita meter maid
nothing can come between us
When it gets dark I tow your heart away

Standing by a parking meter
when I caught a glimpse of Rita
Filling in a ticket in her little white book
In a cap she looked much older
And the bag across her shoulder
Made her look a little like a military man

Lovely Rita meter maid
may I inquire discreetly
When are you free to take some tea with me

Took her out and tried to win her
had a laugh and over dinner
Told her I would really like to see her again
Got the bill and Rita paid it
Took her home and nearly made it
Sitting on a sofa with a sister or two

Lovely Rita meter maid
where would I be without you
give us a wink and make me think of you

Lovely meter maid
Rita meter maid
oh, Lovely Rita meter, meter maid

Good Morning Good Morning

Good morning good morning
good morning good morning
good morning, a

Nothing to do to save his life
call his wife in
Nothing say but what a day
how's your but been
Nothing to do, it's up to you
I've got noting to say but it's O.K.

Good morning good morning
good morning a

Going to work don't want to go
feeling low down
Heading for home you start to roam
then you're in town

Everybody knows there's nothing doing
Everything is closed, it's like a ruin
Everyone you see is half asleep
And you're on your own, you're in the street

After a while you start to smile
now you feel cool
Then you decide to take a walk by the old school
Nothing has changed it's still the same
I've got nothing to say but it's O.K.
Good morning good morning
good morning a

People running 'round it's five o'clock
Everywhere in town it's getting dark
Everyone you see is full of life
It's time for tea and meet the wife

Somebody needs to know the time
glad that I'm here
Watching the skirts you start to flirt
no you're in gear
Go to a show you hope she goes
I've got nothing to say but it's O.K.
Good morning good morning
good morning good morning

A Day In The Life

I read the news today oh, boy
About a lucky man who made the grade
And though the news was rather sad
Well, I just had to laugh
I saw the photograph
He blew his mind out in a car
He didn't notice that the lights had changed
A crowd of people stood and stared
They'd seen his face before
Nobody was really sure if he was from the House of Lords

I saw a film today oh, boy
The English army had just won the war
A crowd of people turned away
But I just had to look
Having read the book
I love to turn you on.

Woke up, got out of bed
dragged a comb across my head
Found my way downstairs and drank a cup
and looking up, I noticed I was late
Found my coat and grabbed my hat
Made the bus in seconds flat
Found my way upstairs and had a smoke
Somebody spoke and I went into a dream
Ah

I read the news today oh, boy
Four thousand holes in Blackburn, Lancashire
And though the holes were rather small
They had to count them all
Now they know how many holes it takes to fill the Albert Hall
I'd love to turn you on

Beatle Greetings (Speech)

Ringo: I'm Ringo and I play the drums.

George: I'm George and I play a guitar. [whistle]

John: I'm John and I too play guitar, sometimes I play the fool...

She's good to me, oh yeah. Ow!

She's there to love me
all day and night
Never grumbles or fusses
just treats me right
Never runnin' in the streets
leavin' me alone.
She knows a woman's place
is right back there with her hangin' 'round the home.

'Got a woman way cross town.
She's good to me, oh yeah.
Well, I got a woman way cross town.
She's good to me, oh-ho, yeah.

Too Much Monkey Business (Berry)

Runnin' to-and-fro, hard.
Workin' at the mail.
Never fail. Get the mail.
Yeah, some rotten deal, Ow!

Too much monkey business.
Too much monkey business.
Too much monkey business for me to invite 'em again.

Say me. Talkin' to me.
Tryin' to run me up a creek.
She used to buy one.
Try to pay me again next week, Ow!

Too much monkey business.
Too much monkey business.
Too much monkey business for me to invite 'em again.

Long-haired, good-lookin'.
Tryin' to get me hooked.
Or me to marry. Settle down.
Get the horn by the bull, Ow!

Too much monkey business.
Too much monkey business.
Too much monkey business for me to invite 'em again.

Mediocre money.
Bein' fightin' in the hall.
Army bunk, Army go,
Army chow, Army cook, Ow!

Too much monkey business.
Too much monkey business.
Too much monkey business for me to invite 'em again.

Same thing every day.
Gettin' up, goin' to school.
No need to make complainin'.
My objection's overruled, Ow!

Too much monkey business.
Too much monkey business.
Too much monkey business for me to invite 'em again.

Workin' in the fillin' station.
Too many tires.
Wipe the windows. Check the tire.
Check the oil and all the gas, Ow!

Too much monkey business.
Too much monkey business.
Don't want your moderation, get away, leave me.

Keep Your Hands Off My Baby (Goffin/King)

We've been friends for oh so long.
I let you share what's mine.
When you mess with the girl I love
It's time to draw the line.

Keep your hands (keep your hands) off my baby.
I ain't'a gonna tell you but one more time.
Woh, keep your hands (keep your hands) off my baby.
Boy, you get it through your head -
that girl is mine.

I don't mind if you lend my clothes.
But you will be in touch.
There is somethin' that you get straight.
There's one thing you don't touch.

Keep your hands (keep your hands) off my baby.
I ain't'a gonna tell you but one more time.
Woh, keep your hands (keep your hands) off my baby.
Can you get it through your head ? -
that girl is mine.

Keep your hands (keep your hands) off my baby.
I ain't'a gonna tell you but one more time.
Woh, keep your hands (keep your hands) off my baby.
Can you get it through your head ? -
that girl is mine.

(Keep your hands) Woh, keep your hands off my baby,
she's mine. (Keep your hands off my baby)
You better watch yourself now.
Boy, you get it through your head -
that girl is mine.

I'll Be On My Way

The sun is fading away
that's the end of the day
As the June light turns to moonlight
I'll be on my way

Just one kiss and I'll go
don't hide the tears that don't show
As the June light turns to moonlight
I'll be on my way

To where the winds don't blow
and golden rivers flow
this way will I go

They were right I was wrong
true love didn't last long
As the June light turns to moonlight
I'll be on my way Hey

To where the winds don't blow
and golden rivers flow
this way will I go

They were right I was wrong
true love didn't last long
As the June light turns to moonlight
I'll be on my way Hey
I'll be on my way Oh
I'll be on my way Oh
I'll be on my way

Young Blood (Leiber/Stoller/Pomus)

I saw her standing on the corner
A yellow ribbon in her hair
I couldn't stop myself from calling:
Look a-there, look a-there
Look a-there, look a-there
Young Blood, Young Blood, Young Blood
I can't get you out of my mind

I took one look and I was fractured
I tried to walk but I was lame
I tried to talk but I just stuttered:
Well what's your name, what's your name
Well what's your name, what's your name
Young Blood, Young Blood, Young Blood
I can't get you out of my mind

A crazy stop, she was the top
I tried to follow her all the way home
Things went bad, I met her dad
He said: you'd better leave my daughter alone

Well I tried to [...]
I saw the rising of the sun
And all along my heart was falling
While you're the one, you're the one
While you're the one, you're the one
Young Blood, Young Blood, Young Blood
I can't get you out of my mind

A crazy stop, she was the top
I tried to follow her all the way home
Things went bad, I met her dad
He said: you'd better leave my daughter alone

Well I tried to [...]
I saw the rising of the sun
And all along my heart was falling
While you're the one, while you're the one
While you're the one, while you're the one
Young Blood, Young Blood, Young Blood
I can't get you out of my mind
Young Blood, Young Blood, Young Blood
I can't get you out of my mind

A Shot Of Rhythm And Blues (Thompson)

Well, if your hands start a clappin'
and your fingers start a'poppin'
and your feet start a movin' around.

And if you start to swing and sway
when the band starts to play
a real cool way out sound.

And if you get to can't help it
and you can't sit down
You feel like you gotta move a round.

You get a shot of Rhythm and Blues.
With just a little Rock and Roll on the side,
just for good measure.

Get a pair of dancin' shoes.
Well, with your lover by your side
don't you know you're gonna have a rockin' time, c'mon!

Don't you worry 'bout a thing if you start to dance and sing
And chills comin' up on you.
And if the rhythm finally gets you and the beat gets you too
Well, here's something for you to do.

Get a shot of Rhythm and Blues.
With just a little Rock and Roll on the side,
just for good measure.

Get a pair of dancin' shoes.
Well, with your lover by your side
don't you know you're gonna have a rockin' time, c'mon!

Don't you worry 'bout a thing if you start to dance and sing
And chills comin' up on you.
And if the rhythm finally gets you and the beat gets you too
Well, here's something for you to do.

Get a shot of Rhythm and Blues.
Get a pair of dancin' shoes.
Get a shot of Rhythm and Blues.
Well, with your lover by your side
don't you know you're gonna have a rockin' time, c'mon

Don't you worry 'bout a thing if you start to dance and sing
And chills comin' up on you.
And if the rhythm finally gets you and the beat gets you too
Well, here's something for you to do.
Well, here's something for you to do.
Well, here's something for you to do.

Sure To Fall (In Love With You)
(Perkins/Claunch/Cantrell)

I'm sure to fall, fall in love
I'm sure to fall in love with you
you are so sweet and so near
I'm sure to fall in love with you

So hold me tight
Let tonight be the night
Darling don't ever let me go

Loving you is the natural thing to do
I want you for the rest of my life

So hold me tight
Let tonight be the night
Darling don't ever let me go

Loving you is the natural thing to do
I want you for the rest of my life

Some Other Guy (Leiber/Stoller/Barrett)

Some other guy now, has taken my love away from me. Oh now.
Some other guy now, has taken away my sweet desire. Oh now.
Some other guy now, I just don't wanna hold my hand. Oh now.
I'm the lonely one. As lonely as I can feel all right.

Some other guy now, is sippin' up the honey like a yellow dog. Oh now.
Some other guy now, has taken my love just like I'm gone. Oh now.
Some other guy now, has taken my love away from me. Oh now.
I'm the lonely one. As lonely as I can feel all right.
Oh-oh-hoho.

Some other guy now, is makin' me very very mad. Oh now.
Some other guy now, is makin' my past seem oh, so bad. Oh now.
Some other guy now, she was the first girl I ever had. Oh now.
I'm the lonely one. As lonely as I can feel all right.
Oh-oh-hoho.
I'm a'talkin' to you, right now.

That's Alright (Mama) (Crudup)

Well, that's alright, Mama.
That's alright with you.
Yeah, that's alright now, Mama.
Just anyway you do.
That's alright, that's alright,
that's alright my Mama, anyway you do.

Well Mama, she done told me.
Poppa done told me too.
'Said, "Son, that gal you're foolin' with -
she ain't no gal for you".
That's alright, that's alright,
that's alright my Mama, anyway you do. Woh.

Well, I'm leavin' town, baby.
I'm leavin' town for sure.
Then you won't be bothered with me
hangin' 'round your door.
That's alright, that's alright,
yeah that's alright my Mama, anyway you do.

Well, that's alright, Mama.
Yeah, that's alright with you.
That's alright now, Mama.
Just anyway you do.
That's alright, that's alright,
that's alright my Mama, anyway you do. Ooh, ah-hoo.

Ya da di dididi,
ya da di dididi,
ya da di dididi, I need your lovin'.
That's alright, that's alright my Mama, anyway you do.
Yeah, that's alright my Mama, anyway you do.

Carol (Berry)

Oh Carol, don't let him
Steal your heart away
Well I've got to learn to dance
If it takes me all night and day

Well come into my machine
So we can move on out
I know a jumping little joint
Where we can jump and shout
It's not too far back on the highway
Not too long a ride
You take your car along
And you park it outside
A little cutie takes your hat
And you can thank her, ma'am
'Cause every time you're gonna drive
You find the joint is jammed

Oh Carol, don't let him
Steal your heart away
Well I've got to learn to dance
If it takes me all night and day. Aww

Well if you want to hear some music
Like the boys all play
Hold tight, tap your foot
Don't let it carry you away
Don't let the heat overcome you
'Cause they play so loud
While the music will treat you
When they get a crowd.
Well you can dance
I know you will, you thought
I got my eyes on you baby
'Cause you dance so good

Don't let him
Steal your heart away
I've got to learn to dance
If it takes me all night and day
Well I've got to learn to dance
If it takes you all night and day

Soldier Of Love (Alexander)

Lay down your arms (Soldier of Love)
and surrender to me (Shala la)
Lay down your arms (Soldier of Love)
and love me peacefully (Shala la) Yeah.
Use your arms for loving me.
Baby, that's the way it's gotta be. (ooh-)

There ain't no reason for you to declare
war on the one that loves you so.
So forget the other boys because my love is real.
Come off your battlefield.

Lay down your arms (Soldier of Love)
and love me peacefully (Shala la)
Lay down your arms (Soldier of Love)
and love me tenderly (Shala la) Yeah.
Use your arms to hold me tight.
Baby, I don't wanna fight no more (ooh-)

The weapons you're using are hurtin' me bad.
But someday you're gonna see.
That my love for you baby, is the truest you've ever had.
A Soldier of Love, that's hard to be.

Lay down your arms (Soldier of Love)
and love me peacefully (Shala la)
Lay down your arms (Soldier of Love)
and surrender to me (Shala la) Yeah.
Use your arms to squeeze and please 'cause I'm the one that loves you so.
(Yeah, Soldier of Love) Baby, lay down your arms.
(Yeah, Soldier of Love) Baby, lay down your arms.(Yeah)

Clarabella (Pingatore)

Well, I got a baby ... crazy for me.

Woh, baby baby, Clarabella.

All she needs is the stars up above.

Well now, Clarabella. You're my honey, Clarabella.

I'm Gonna Sit Right Down And (Cry Over You)

(Thomas/Biggs)

I'm gonna sit right down and cry over you.
I'm gonna sit right down and cry over you.
And if you ever say goodbye.
And if you ever even try.
I'm gonna sit right down and cry over you.

I'm gonna love you more and more every day.
I'm gonna love you more and more every way.
And if you ever say goodbye.
And if you ever even try.
I'm gonna sit right down and cry over you.

I'm gonna tell your Mother.
Tell your Pappa too.
So they'll know exactly
what I'm gonna do

If you ever say goodbye.
If you ever even try.
I'm gonna sit right down and cry over you. Wah-hoo!

I'm gonna tell your Mother.
Tell your Pappa too.
So they'll know exactly
what I'm gonna do

If you ever say goodbye.
If you ever even try.
I'm gonna sit right down and cry over you.
I'm gonna sit right down and cry over you.
I'm gonna sit right down and cry over you.

Crying, Waiting, Hoping (Holly)

Crying, waiting, hoping you'll come back
I just can't seem to get you off my mind
Crying, waiting, hoping you'll come back
You're the one I love, I think about you all the time

Crying, do do do do, tear keep a falling all night long
Waiting, do do do do, it seems so useless I know it's wrong
Keep a crying, waiting, hoping you'll come back
Maybe someday soon it'll change and you'll be mine

Crying, do do do do, tear keep a falling all night long
Waiting, do do do do, it seems so useless I know it's wrong
Keep a crying, waiting, hoping you'll come back
Maybe someday soon it'll change and you'll be mine
Crying, waiting, hoping

Just the she her smile

Yes just to know know know her
is to love love love her
and I do and I do and I do

The Honeymoon Song (Theodorakis/Sansom)

I never knew that a day like today lay before us
I've got the sun in my heart and my heart's in the sun
the skys are as bright as your eyes the horizon is open
love is the ceiling feeling are reeling free as the air

Forever on and forever
forever on side by side
Whoever knew that we too could be free as we fancied
fancy is free but are we who are bound to each other by love
to each other by love

Whoever knew that we too could be free as we fancied
fancy is free but are we who are bound to each other by love
to each other by love
to each other by love
to each other by love

Johnny B Goode (Berry)

Deep down in Louisiana
Close to New Orleans
Way back up in the woods
Among the evergreens
There stand a country cabin
Made of clay and wood
Where lives a young country boy
Named Johnny B.Goode
He never ever learned
To read or write a book so well
But he could play his guitar
Just like a-ringing a bell

Go go, go Johnny go go go!
Go Johnny go go go!
Go Johnny go go go!
Go Johnny go go go!
Aah Johnny B.Goode!

He used to carry his guitar
In a gunny sack
Sit beneath the trees
By the railroad track
Oh sitting and a-playing
In the shade
Drumming to the rhythm
That the drivers made
People passing by
Used to stop and say:
My oh my
That country boy can play

Go go, go Johnny go go go!
Go Johnny go go go!
Go Johnny go go go!
Go Johnny go go go!
Aah Johnny B.Goode!

Well his mama told him:
Someday you will be a man
And you will be the leader
Of a big old band.
Many people coming
From miles around
To hear you play your music
Till the sun goes down
Maybe some day
Your name will be in light
Saying: Johnny B. Goode tonight!

Go go, go Johnny go go go!
Go Johnny go go go!
Go Johnny go go go!
Go Johnny go go go!

Aah Johnny B.Good!

Memphis, Tennessee (Berry)

Long distance information
Give me Memphis Tennessee
Try to find the party
Trying to get in touch with me
She would not leave her number
But I know who placed the call
'Cause my uncle took the message
And he wrote it on the wall

Help me, information
Get in touch with my Marie
She's the only one who'd phone me here
From Memphis Tennessee
Her home is on the south side
Just beyond the ridge
Just a half a mile
From the Mississippi Bridge

Help me, information
More than that I cannot add
Only that I miss her
And all the fun we had
We were pulled apart
Because her mom would not agree
Help me get in touch with her
In Memphis Tennessee

The last time I saw Marie
She was waving me goodbye
With hurry homedrops on her cheek
That trickled from her eyes
Marie is only six years old
Information please
Help me get in touch with her
in Memphis Tennessee

Lonesome Tears In My Eyes

(J and D Burnette/Burlison/Mortimer)

Oh baby baby baby
Blues and sorrow
And I love you tomorrow
Just suit you just fine
Oh baby baby baby
Blues and sorrow
And I love you tomorrow
Just suit you just fine

I can't forget that you told me
So many promising lies
How must I forget these
Lonesome tears in my eyes?

You've broken my heart
Gonna do it again
And I can't forget
The spell that I'm in
Can't forget that you told me
So many promising lies
I'm a-trying to forget these
Lonesome tears in my eyes

You've broken my heart
Gonna do it again
I can't forget
The spell that I'm in.
I can't forget that you told me
So many promising lies
I'm a-trying to forget these
Lonesome tears in my eyes

Oh baby baby baby
Blues and sorrow
And I love you tomorrow
It'll suit you just fine
Oh baby baby baby
Blues and sorrow
I love you tomorrow
Just suit you just fine

I can't forget that you told me
So many promising lies
I'm a-trying to forget these
Lonesome tears in my eyes

Nothin' Shakin' (Fontaine/Calacrai/Lampert/Gluck)

I tried to find out
What love is all about
And every day
It sure lets out
I see my baby
I get weak in my knees
There's nothing shaking
But the leaves on the trees
My pappie told me
There'd be times like these
There's nothing shaking
But the leaves on the trees

We meet the gang
And go to rocking Joes
The cats are something
On the heels and toes
I grab my baby
Tried to give her a squeeze
There's nothing shaking
But the leaves on the trees
Why must she be
Such a doggone tease?
There's nothing shaking
But the leaves on the trees

She's got a way
That makes me act like a fool
Spent my money
Then she plays me cool
I beg her for kisses
On my bended knees
Oh won't you give me
Some loving, baby
Please please please

Though I keep trying hard
To make her mine
One day the wind will blow
And the sun will shine
Till that time
She puts my heart at ease
There's nothing shaking
But the leaves on the trees
She locked my heart
And threw away the keys
There's nothing shaking
But the leaves on the trees, yeah

She's got a way
That makes me act like a fool
Spent my money
Then she plays me cool
I'm begging her for kisses

On my bended knees
Oh won't you give me
Some of your loving, baby
Please please please

Though I keep trying hard
To make her mine
One day the wind will blow
And the sun will shine
Till that time
She puts my heart at ease
There's nothing shaking
But the leaves on the trees
She locked my heart
And threw away the keys
There's nothing shaking
But the leaves on the trees
There's nothing shaking
But the leaves on the trees
There's nothing shaking
But the leaves on the trees
There's nothing shaking
But the leaves on the trees

Glad All Over (Bennett/Tepper/Schroeder)

Ain't no doubt about it,
this must be love.
One little kiss from you
and I feel glad all over.
Oo baby I don't [...]
it's silly,
but I'm glad all over.

Yeah the goosepimples baby.
'cos I feel so good
when you call me like you do.
And I feel glad all over.
Oo mercy, I'm doggone [...]
and I'm happy
and I'm glad all over.

Your touch sewed me
like an electric wire.
and make love
It don't take much luck
to see what I've got.
But it shows, yes it shows.
Come on honey Bonnie,
give me one more time.
Everytime you do
well I feel glad all over.
Oo baby, I don't [...]
it's silly
but I'm glad all over.

Tried to tell you
how I'm cooking inside
when we're cheek to cheek.
My temperature is low,
fever is high,
I can't speak,
I'm too weak.

Well come on honey Bonnie,
give me one more time.
Everytime you do
well I feel glad all over.
Oo baby, I don't [...]
it's silly
but I'm glad all over.
Oo baby, I don't [...]
it's silly
but I'm glad all over.
Oo baby, I don't [...]
it's silly
but I'm glad all over

I Just Don't Understand (Wilkin/Westberry)

Well you call me your baby
When you hold in my hand
but the way that you hurt me
I just don't understand

Well you say that you need me
like an ocean needs sand
but the way you deceive me
I just don't understand

Well you know that I love you
more than anyone can
but a one-sided love
I just don't understand

Well you know that I love you
more than anyone can
but a one-sided love
I just don't understand

Well you call me your baby
When you hold in my hand
Oh how you can hurt me
I just don't understand

So How Come (No One Loves Me) (Bryant)

They say that everyone wants someone
So how come no one wants me
and they say that everyone needs someone
so how come no one needs me

Well if you wonder who the loneliest creatures in the world can be
Well they're the ugly duckling, the little black sheep, and me
Uh-huh
They say that everyone loves someone
So how come no one loves me

Well if you wonder who the loneliest creatures in the world can be
Well they're the ugly duckling, the little black sheep, and me
Uh-huh
They say that everyone loves someone
So how come no one loves me
So how come no one loves me
So how come no one loves me

I Forgot To Remember To Forget (Kesler/Feathers)

I forgot to remember to forget her
I can't seem to get her off my mind
I thought I'd never miss her
But I've found out somehow
I think about her almost all the time

Well the day she went away
I made myself I promise
That I'd soon forget we'd ever met
But something sure is wrong
'cause I'm so blue and lonely:
I forgot to remember to forget

Well the day she went away
I made myself I promise
That I'd soon forget we'd ever met
But something sure is wrong
'cause I'm so blue and lonely:
I forgot to remember to forget

I Got To Find My Baby (Berry)

I'm gonna search this town,
From door to door
The love I crave
I can't find no more

I got to find my baby
I declare there ain't no lie
I ain't had no real good loving
Since that woman said goodbye

You know I hate to see the sun
Sinking to the west
'Cause I know my whole life's
Gonna be one solid mess.

I got to find my baby
I declare there ain't no lie
I ain't had no real good loving
Since that woman said goodbye

Well ever since the day
That she said we were through
I've been nervous
And shook up too

I got to find my baby
I declare there ain't no lie
I had no real good loving
Since that woman said goodbye

Well I don't care if the last thing
I ever do in my life
Is to find that little woman
Make her my wife

I got to find my baby
I declare there ain't no lie
I had no real good loving
Since that woman said goodbye

Don't Ever Change (Goffin/King)

You never wear a stitch of lace
Your powder's never on your face
You're always wearing jeans except on Sunday
So please don't ever change
now don't you ever change
I kinda like you just the way you are

You don't know the latest dance
but when it's time to make romance
your kisses let me know you're not a tomboy
So please don't ever change
now don't you ever change
just promise me you're always gonna to be
as sweet as you are

I love you when you're happy
I love you when you're blue
I love you when you're mad at me
so how can I get tired of you

A lots of other girls I've seen
they know how to treat guys mean
but you would rather die than ever hurt me
So please don't ever change
now don't you ever change
just promise me you're always gonna to be
as sweet as you are

Please don't ever change
Don't you ever change
Please don't ever change
Don't you ever change
