

Arachnophilia 3.9

Save your Tool Bar Definitions in a set of .TBD files

1. *Make any additions/changes you wish, including adding sheets
(added sheets become new toolbars).*

2. **Enter your Arachnophilia Program Directory:**

3.

Product:

Arachnopl

Version:

3.9

This version information should be

4. **Be sure to save this spreadsheet also, to preserve your changes.**

If you make changes or additions you would like to preserve, then save this spreadsheet in at least one additional location, because when you upgrade your version of Arachnophilia, all the files in the program directory are erased.

[Redacted]

hilia

is kept up-to-date.
