

Multimedia Audio Collection Deluxe

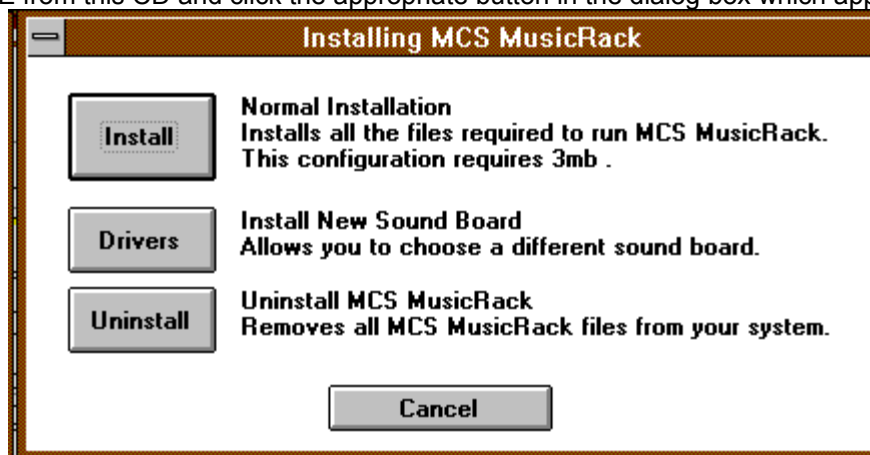

Congratulations on your purchase of the Multimedia Audio Collection Deluxe. When the installation is complete, you will have the following two group windows:

and

If you change your sound card or simply wish to uninstall the Music Rack, run \RACK\SETUP.EXE from this CD and click the appropriate button in the dialog box which appears.

For your convenience, we have included on the CD a directory name HD_INST. It contains subdirectories with routines to install some of the programs to your hard drive. Look for a program named INSTALL.EXE in the subdirectory of the program you wish to install.
