

# Librarians Rate Alexandria

An independent survey published in *Information Today* asked librarians to rate the quality of their library automation software. Of the 16 complete library automation systems reviewed, Alexandria rated highest in the below categories, proving what thousands of Alexandria users have said for nearly a decade:

# #1

## in Overall Satisfaction

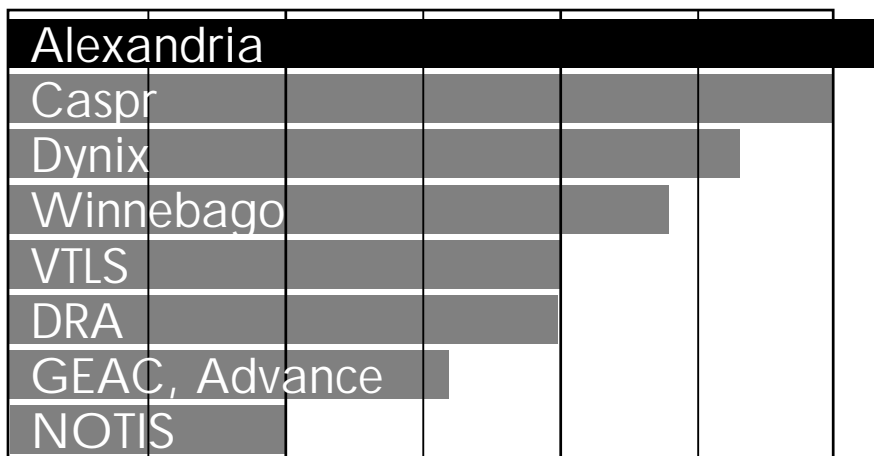

“Alexandria users love their library automation system.”

# #1

## in Customer Service / Support

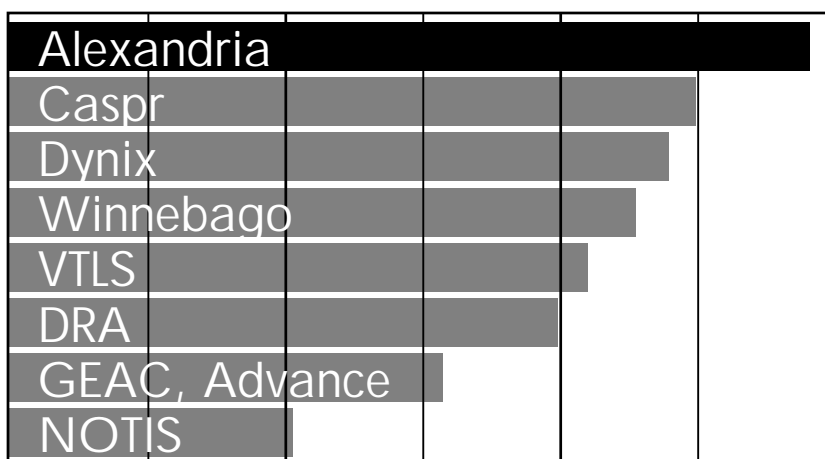

“Alexandria users receive the best customer service and support.”

# #1

## in Product Capabilities

“Alexandria offers the best product capabilities.”

The independent survey, conducted by Pamela R. Cibbarelli, was published in *Information Today*, June 1994, and in the *Proceedings of the Ninth Integrated Online Library Systems Meetings, IOLS '94*, May 1994. Some companies reviewed in the survey are not listed in this piece for space and layout reasons. The product STAR is not listed because it is not a complete library automation system.
