## **Foreword**

This part of the Working Implementation Agreements was prepared by the File Transfer, Access and Management Special Interest Group (FTAM SIG) of the Open Systems Environment Implementors' Workshop (OIW). See Part 1 - Workshop Policies and Procedures in the "Draft Working Implementation Agreements Document" for the workshop charter.

Text in this part has been approved by the Plenary of the above-mentioned Workshop. This part replaces the previously existing chapter on this subject. There is no significant technical change from this text as previously given. As agreed at the Editors' Meeting during the March '92 Workshop, since there were no changes to this text as previously given, the part will not be reprinted for the Working Document. Please refer to the Working Document which was issued on March 9, 1992.
