

# **Working Implementation Agreements for Open Systems Interconnection Protocols: Part 21 - Character Set**

Output from the December 1993 Open Systems  
Environment Implementors' Workshop (OIW)

SIG Editor: **Wally Wedel, U.S. West Advanced  
Technologies**

## **Foreword**

This part of the Working Implementation Agreements was prepared by the Character Set Working Group, formerly affiliated with the Upper Layer Special Interest Group of the Open Systems Environment Implementors' Workshop (OIW). See Part 1 - General Information in the "Draft Working Implementation Agreements Document" for the workshop charter. Text in this part has been approved by the Plenary of the above-named workshop.

Future changes and additions to this version of these Implementor Agreements will be published as a new part. Deleted and replaced text will be shown as struck. New and replacement text will be shown as shaded.
