Readme - Brain Buster Quiz

QuickTime Issues

Brain Buster Quiz ships with QuickTime version 7.0.4.80. This version of QuickTime will only work with Windows 2000/XP. If you do not have version 6.3 or above installed on Windows 98/ME you need to install this. This can be found at the following website:

http://www.apple.com/support/downloads/quicktime652forwindows.html

You will need to copy and paste the link into your web browser.
