including , without limitation, obtaining an injunction against you, with respect to breaches of this Agreement, in addition to such other remedies as Activision and Activision's sublicensors and licensors may otherwise have under applicable laws.

It may be amended only by a writing executed by both parties. If any provision of this Agreement is held to be unenforceable for any reason, such provision shall be reformed only to the extent necessary to make it enforceable and the remaining provisions of this Agreement shall not be affected. This Agreement shall be construed under California law as such law is applied to agreements between California residents entered into and to be performed within California, except as governed by federal law, and you consent to the exclusive jurisdiction of the state and federal courts in Los Angeles, California; provided, however, that all lawsuits and/or claims relating to any rights and/or property of Id Software, Inc. shall be brought in the federal and/or state courts in Dallas County, Texas where exclusive venue for such matters shall lie and in the case of such lawsuits and/or claims the laws of the state of Texas and federal law shall govern this Agreement.
