

INSTALLATION

Installing SuperLemmings is fairly straightforward:

1. Make a copy of the existing "Levels" file in your "Lemminngs" folder
2. Move my "Levels" file out of the "SuperLemmings Folder" into your "Lemmings" folder.
3. When asked if you want to replace your old "Levels" file with my new "Levels" file, click "yes."
4. Your "Lemmings" folder should now contain five items: Lemmings(application), Graphics, Music, Levels, and Levels Copy.
5. Open Lemmings
