RimFire Pacific Viewer
Read Me

The RimViewer is distributed with **RimFire Pacific** *Nova 1 Collection*.

You may use this GIF viewer to view any of the *Nova Collections* (Nova2, Nova3, Nova4 or Nova5) or any other GIF files you may have. Please do not redistribute **rimview.exe**, **lead40**.**dll**, or **leaddib.drv** and **pcdlib**.**dll** files that are included with this package.

Installation Instructions

The **rimview.exe** may be run directly off the CD-ROM drive without making any other changes.

OR

If you wish to install this viewer on your hard disk you may.
>   1. Copy **rimview.exe**, **lead40.dll, pcdlib.dll** and **leaddib.drv** to any subdirectory on your hard disk.

>   2. Add the **rimview** icon to a program group using either
>   Program Manager Menu -- File, New
>   or
>   File Manger. Drag and drop rimview.exe into the selected program group.

Please see MS Windows 3.1 documentation for more information.

Contact your local dealer for more of **RimFire Pacific's** fine CD-ROM Adult Products.

Thanks for buying RimFire Pacific's *Nova 1 Collection.*
