Choosing the right sink mixer for your kitchen is important as it will be used every day. Pegler have been creating essential touches of kitchen luxury for generations of discerning customers. Each Pegler design is a work of art with a precise action that gives an indefinable pleasure every time it is used.

Ergonomically designed to fall comfortably to hand and precision crafted from the finest materials, Pegler monobloc kitchen mixers are covered by a full 10 year guarantee. The Pegler 'kitchen' range includes styles to complement contemporary and traditional kitchens and offers high performance single and dual-flow models with a choice of cross-head, single or double lever controls.

We hope you enjoy browsing through these Pegler creations and are confident that you will find the perfect solution to add that final touch of luxury and style to your kitchen.
