

HUNGRY HEDGEHOGS

Description:

Here's one for the kids, or adults amused by funny content and great graphics. The hedgehogs are eager to help your children learn arithmetic, because each right answer helps them to eat - their worm dinner. Two hedgehogs race one step at a time towards a goal. The steps are gained by right answers. Two children can play at a time. It's a fun game for the whole family!

Trick's, Tip's and Trap's:

This game exits by holding down the Alt key and pressing the function F4 key. Most games use either the mouse or arrow keys for movement of players/characters. The Space Bar, Shift Key and Control Key sometimes have hidden abilities. Read the opening game screen and help files (if menu is available) for specific instructions and for game objective. In some cases it's necessary to know and understand what the game objective or goal is to finish the game.

We hope you enjoy this game. If you have ideas for different games or suggestions on this game, please feel free to write or fax us with your ideas. Please see below for information on contacting us.
