This is a demonstration version of Space Madness™. You may only play levels 3, 8 and 10 in this demonstration version. The full version has many more enemy ships, several 'goodies' that give your ship extra powers, and increasingly difficult enemy base defenses.

Space Madness is not shareware; it is a commercial product. It is available now directly from High Risk Ventures for the special introductory price of \$35 U.S. Orders are shipped the day they are received.

You can order by mail by printing out the order form and sending it and your payment to the address on the form (press O on the Ordering screen in the game to print the order form). Credit card and COD orders are accepted by telephone and electronic mail. VISA and MasterCard are gladly accepted.

When ordering by telephone, please have the serial number shown on the Ordering screen in the game handy.

E-mail credit card orders must include the type of card (only VISA and MasterCard are accepted), the card number, the expiration date, your email address, and the serial number shown on the Ordering screen in the game.

If you wish to order by mail but do not have access to a printer, send your name, shipping address and payment to High Risk Ventures, P.O. Box 70690, Eugene, Oregon 97401-9610, USA. Credit card orders must include the type of card (only VISA and MasterCard are accepted), the card number, the expiration date, and your email address or telephone number. Please include the serial number shown on the Ordering screen in the game.

International orders (except Canada and Mexico) please add \$4 for shipping and handling. COD orders please add \$3.

If for some reason you can't get Space Madness to print the order form correctly, you can print the Order Form chapter and fill in the blanks, or follow the instructions above for other ordering methods.
