Installation Instructions

Congratulations! You've just downloaded the neatest little set of animated cursors around. Just follow the installation procedures, and you'll be on your way to using Ted E. Bear.

(Reminder: If you don't have Windows® 95 or Windows NT™, then you can't use Ted E. Bear. Sorry!)

From the downloaded self-extracting file "Teddy10.exe", you received the following files:

Order Form.wri: An Order Form for purchasing the full set of the Ted E. Bear Animated Cursor Set
