

# Jump Start Your New Business!

**The Internet Treasure Chest makes it fast and easy to jump start your new business by submitting your Web Site to 25 of the top Search Engines on the Internet!**

Many Internet users find new Web Sites through Search Engines. By submitting your Web Site to the Internet's top Search Engines you can make it much easier for customers to find your Site so that you can enjoy **INCREASED SALES!**

Being listed on Internet Search Engines is like having a full-time staff of assistants leading Internet users all over the world right to your Web Site!

## It's This Simple!

Internet users enter "key words" that relate to the topic that they are searching for. The Search Engine then searches the Internet for Web Sites that include those key words and give them a detailed list of those Web Sites.

**It's the fastest, easiest way to find what you're looking for on the Internet!**

## The Internet Treasure Chest Makes It Easy!

By using the Internet Treasure Chest's Search Engine submission tool, you only need to enter your Web Sites information once to be submitted to all 25 of our featured Search Engines.\*

**This powerful tool can save you hours and hours of time and give you the opportunity to jump start your new business immediately!**

**Go to [www.itctv.com](http://www.itctv.com) now**  
and use the "Activation Code" on your "Official Web Site License" to active your account and access your **Search Engine Submission Tool!**

\*The Internet Treasure Chest reserves the right to make substitutions if necessary to the list of 25 Search Engines included in the Search Engine Submission Tool.
