

The Internet Treasure Chest Quick Start CD!

This CD contains electronic files of many of the primary education and training materials included in your Internet Treasure Chest as well as important "links" that will take you to the different areas of the Internet that we discuss with just the click of your mouse. It's the fast, fun way for you to learn about the Internet and explore many of the treasures included in your Internet Treasure Chest!

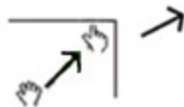

As you navigate through the different files on this CD, "links" will appear in blue and will be underlined. Example: www.ltctv.com. When you see an Internet address or word that is highlighted in this fashion you will know that it is a live "link" that you can click on to be taken directly to the area of the Internet that is being referenced!

IMPORTANT NOTE: *In order for the "links" to function, your computer must be connected to the Internet at the time you click on the link. If you don't already have Internet access [Click Here](#) to activate your Free Earthlink Internet access trial!*

Once you are ready to build your Web Site and launch your new Internet business it is important for you to first view the Quick Start Video included in your Internet Treasure Chest! This video will be your guided tour to the simple process of activating and designing your new Web Site!
