

## STARFLIGHT GAME NOTES!!!!

PLANET ARTH: 125, 100-2 (2ND PLANET)

Arth's sun will nova last week of 10th month of year 4620 (unless crystal planet is destroyed).

THRYNN STATE:

Tesseract stolen.....now at 18, 50-5 (15N X 44W) FUEL!

Koan-3....Empire outpost at 112, 200-3 (59N x 64W)

Most Magnificent Hexagon at 132, 165-1 (46N X 14E)

SPEMIN STATE:

Uhlek are not multiple entities, they are a single mind organism. Destroy mind planet and Uhlek disabled until another develops. Uhlek mind planet is life-bearing planet in 55, 32 system. City of ancients supposed to be near Spemin home planet (outward). Save system in a nebula in Spemin space-innermost planet.

TO MAKE FRIENDS WITH MECHANS 9:

QUESTION	ANSWER
GROUP 9?	YES
SHIP DERIVED FROM EMPIRE TECHNOLOGY?	NO
HEAVEN AWAITS, ARE YOU PREPARED?	YES
WAIT FOR NOAH?	NO
SERVE LAYTON?	NO
MAINTAIN CODE BLUE?	NO

TO DEACTIVATE PLANET-GUARDING DRONES:

Answer YES to any even-number multiple of 3  
(i.e. 18,36,42,84,90)

Answer NO to all other numbers

TIPS ON ALIENS:

Uhlek outward, upspin rim of map.

They shoot plasma bolts. Deadly! difficult to dodge.

Can't hit them with missiles, must use lasers to destroy.

Cloaking device might help (plasma bolts circle around ship, but do not hit) or, if acceleration great enough (9g or more), just speed away (maneuver)...

DESCRIPTION OF DEVICES:

Device	Function
Black Egg	Planet bomb.
Crystal Cone	Locates site for Black Egg placement on Crystal Planet and Uhlek.
Crystal Orb	Ancients device.... nullifies crystal planet's defenses.
Crystal Pearl	When near to destruction, will warp ship out of area.
Dodecahedron	Transmits on several bands.. sure to attract anyone in area.
Ellipsoid	Made of Endurium-decorative, focusing stone.

Flat Device	Communication device
Hypercube	Veloxi 4-D puzzle, very tranquilizing.
Red Cylinder	Orbital scanner. Indicates site to land on planet for important items.
Ring Device	Detects flux in nearby area.
Rod Device	Projects an enhanced laser shield around ship.
Shimmering Ball	Cloaking device (active when ship in combat mode).
Tesseract	Doubles fuel efficiency of spaceship.
