KINJITE GAMES CD-ROM VOLUME ONE:
Kinjite Games CD-ROM one! This CD-ROM disc contains over 600 megabytes of games for DOS, Windows 3.1, and Windows 95. You'll find all the hottest shareware games here, along with many educational programs for children to adults. Virtual Reality fanatics will want to try Descent, an awesome 3D flying arcade/action game. The games are divided into categories so you can find what you want faster and easier.

Catalog vendors:
Please include KINJITE GAMES in your printed and disk catalogs. For best sales results use one of the above descriptions. In addition, all KINJITE SOFTWARE product listings MUST include the words "by KINJITE SOFTWARE" or "a KINJITE SOFTWARE production." This encourages repeat sales, which is good for both of us. The only exception to this is if the catalog has a separate KINJITE SOFTWARE section. Vendors are encouraged to contact KINJITE SOFTWARE directly to get more information about our future releases.

Rackware vendors and CD-ROM publishers:
Please read our rackware and CD-ROM distribution policy below. files from KINJITE SOFTWARE GAMES CD-ROM may be distributed via BBSs, printed or on-disk catalogs, and at swap meets, flea markets or computer shows. For all other forms of distribution please contact KINJITE SOFTWARE LIMITED for distribution permission. See LICENSE.DOC for details.

RACKWARE VENDORS AND CD-ROM PUBLISHERS AND RESELLERS

KINJITE SOFTWARE LIMITED has a policy on rack vending and CD-ROM distribution to which all CD-ROM publishers and vendors selling our software in a retail location MUST adhere. No KINJITE SOFTWARE products may be sold on racks in any retail location or on any CD-ROM without prior written approval from KINJITE SOFTWARE. This policy affects KINJITE SOFTWARE GAMES CD-ROM, plus all other KINJITE SOFTWARE products. Thanks for your understanding.

All KINJITE SOFTWARE products may be sold via catalogs, mail order, telephone orders, flea markets, computer clubs, and any other method that does not involve sales in retail locations or on CD-ROMs.

Authorization to distribute KINJITE SOFTWARE products on a CD-ROM or in a retail setting will be handled on a case by case basis. Publishers and distributors MUST contact KINJITE SOFTWARE for written authorization before including files from the CD-ROM KINJITE GAMES on a CD-ROM or selling it in a retail setting.

And just to be clear: the above requirements do NOT apply to catalog sales.
