

## **Distribution Information and Legal Stuff**

### Distribution Information:

Jigsaw may be freely distributed only as the unregistered version. Under no circumstances may registered versions be distributed. Jigsaw must be distributed in its entirety, that is, you must distribute the program and all of its support files.

Jigsaw may be distributed on CD-ROM and floppy disks and may be uploaded to Bulletin Board Systems, as well as passed on to others. Only the costs of the actual distribution may be charged, ie the cost of production of the disk/CD-ROM. BBS's and online services may not charge users to download this software.

Magazines and book authors are allowed to distribute this software in an unregistered form on any disks or CD-ROMs that they bundle with their product. I only ask that you send me a copy of that issue or book.

I ask that anyone who distributes this software should contact me about the latest version so that you distribute only the latest version.

### Legal Stuff:

#### Copyright Statement:

"Jigsaw was written, drawn, and produced by Vincent Tan. Jigsaw version 2.0 is Copyright © Vincent Tan, 1994-1995".

"Parts of this software are based on the work of the Independent JPEG Group".

"The Infinity Windoid 2.6 is Copyright © Troy Gaul, Infinity Systems."

#### License Agreement:

This is a legal agreement between you and Vincent Tan ("the Author") covering your use of Jigsaw ("the software"). Be sure to read the following agreement before using the software. **BY USING THE SOFTWARE (REGARDLESS IF YOU HAVE REGISTERED THE SOFTWARE OR NOT), YOU ARE AGREEING TO BE BOUND BY THE TERMS OF THIS AGREEMENT. IF YOU DO NOT AGREE TO THE TERMS OF THIS AGREEMENT, DO NOT USE THE SOFTWARE AND DESTROY ALL COPIES OF IT.**

This is copyrighted software. You may use this software for 4 (four) weeks without any charge. The software is owned by the Author and is protected by international copyright laws. Therefore, you must treat the software like any other copyrighted material (e.g. a book or musical recording).

If you would like to continue to use the software after this evaluation period, forward the appropriate license fee to the Author. Commercial distribution of the software is restricted without permission of the author. To distribute the software, you must first have the Author's consent (it can be written or electronic). Contact the Author for details about this. If you distribute this software, you must distribute it "AS IS" and without any modifications to either the software itself or to the support files that come with it, and it should be distributed in its entirety, that is, you must distribute the program and the support files.

Paying the license fee allows you the right to use the licensed number of copies of the software. No more than the licensed number of copies may be used at any one time. You may not rent or lease the software, nor may you modify, adapt, translate, reverse engineer, decompile, or disassemble the software. If you violate any part of this agreement, your right to use this software terminates automatically and you must then destroy all copies of this software and any documentation in your possession.

The software and related documentation are provided "AS IS" and without warranty of any kind and the Author expressly disclaims all other warranties, express or implied, including, but not limited to, the implied warranties of merchantability and fitness for a particular purpose. Under no circumstances shall the Author be liable for any incidental, special or consequential damages that result from the use or inability to use the software or related documentation, even if the Author has been advised of the possibility of such damages. In no event shall the Author's liability exceed the license fee paid, if any.
