Technical Support

If you encounter any problems when installing or using Larry on CD-ROM contact ePublishing for technical support.

Tel: +44 (0) 1865 372111

Fax: +44 (0) 1865 372112

eMail: larry@epub.co.uk

Hotkeys

Additional keyboard shortcuts:

Exit	Ctrl + X, ALT + F4
Export	Ctrl +C
Previous Image in Sequence	Page Up
Next Image in Sequence	Page Down
Print	Ctrl + P
Cursor Keys	Movement in menus
Return	Select

Printing and Exporting

For optimum print quality you should export the image and print it from your DTP or Word processing package. The export images are stored in .tif format

and are of a higher quality than the images printed directly from Larry on CD-ROM.

Larry on the Web

To support the release of Larry on CD-ROM ePublishing has built "Larry on the Web". The site contains biographical information, examples of commercial work, regularly updated new gags and an opportunity to commission Larry.

See Larry on the Web at: **www.larry.co.uk**

Commissioning Larry

To commission Larry you can use the submission form on the Web site that allows your details and requirements to be entered online, alternatively eMail your requirements directly to Larry on: larry@larry.co.uk

or contact ePublishing on: Tel: +44 (0) 1865 372111
 Fax: +44 (0) 1865 372112
 eMail: epub@epub.co.uk

Screen Saver

Available at the end of April 1996, from Larry on the Web, will be a free screen saver for Windows machines. Visit the site for further information.

Larry on CD-ROM is designed and developed by
