

We plan to add some new publications to our collection of books and magazines. These include Everywoman Companion, Everyman Companion, The 18th Century book of Events and Together-England and The Colonies.

Everyman

A how-to book for the average married man.

Everywoman

A how-to book for the average married woman

Events

A history of major events in our century taking place in the entire world

Together

A brief history of the relationship between England and The Colonies
