

Though perhaps best known for his spicy detective material which appeared in SPICY DETECTIVE STORIES and elsewhere, Robert Leslie Bellem was a frequent contributor to SPICY ADVENTURE STORIES, often appearing more than once per issue. Bellem penned the tales of a number of spicy adventures for the lurid pages of SPICY ADVENTURE STORIES, such as Tate Shevlin, Larry Kerrigan and Johnnie Piper. Piper was the hero of "Jail-Break", appearing in the February 1937 issue.
