

SPICY ADVENTURE STORIES was the second SPICY title, after SPICY DETECTIVE STORIES, to make an appearance on the newsstands. It debuted with the November 1934 issue which, however, was labelled volume 1, number 2. Volume 1, number 1, dated July 1934, of the title was never sold at retail, being a slim ashcan edition prepared for trademark purposes. It ran for 94 issues (or 95, if you count the ashcan) until December 1942. With the January 1943 issue, it was retitled as SPEED ADVENTURE STORIES.
