

For a change, Bellem doesn't grab the cover of the May 1935 issue of SPICY DETECTIVE STORIES. His Dan Turner tale which appears there, "Temporary Corpse", however, was reprinted in 1989 in Malibu Graphics' trade paperback entitled SPICY DETECTIVE STORIES, a collection of 7 tales from that pulp. In addition to "Temporary Corpse", this book also reprints another Bellem tale, "Alibi of Death" (by-lined Jerome Severs Perry, from the February 1935 issue), and features the interior illos which accompanied the stories.
