

"Senorita Bluebeard", the title of Norvell Page's/N. Wooten Poge's cover story, sounds like she could have made a good Spider villainess. Page is joined inside by, among others, Robert Leslie Bellem, whose Dan Turner tale, "Alimony League", was reprinted in 1987 in Winds of the World Press' SPICY DETECTIVE ENCORES NO. 5. This chapbook also reprinted two other Turner yarns, "Killer's Cue" (April 1941) and "Badger Bump" (February 1939).
