<u>Special Thanks</u>

<u>PostNet!</u> would not have been possible without the help of the following individuals and organizations. Thank you all for your support!

<u>Rebecca Haycox — For designing PostNet! and creating the icon graphics and manual graphics.</u> Rebecca works with us at Computer Freelance.

<u>Francis Lew-Koike of the United States Postal Service—For her assistance in testing PostNet!</u>, reviewing this manual and for providing us with a wealth of <u>information on ZIP+4 POSTNET Bar coding.</u>

<u>Andrea Richardson—For the continued support she has given to Computer Freelance.</u>

<u>The San Francisco Renaissance Entrepreneurship Center—For their excellent small business courses and for the continued support they provide to Computer Freelance and other small businesses located in San Francisco.</u>
