

This is only a demonstration version !  
Some features are not implemented yet (like the TRAPcc  
or CHK cmds)

please contact

Boris Klug \* Eicherdorffstrasse 20 \* 5414 Vallendar \* Germany

or email to  
Frank Siegert CIS 100012,2041 (Frank@Fearn)

A full version with full 68020/68881 support will be available soon.
